

### Our Christmas Grafonola Club Is Growing

Why not be one of the lucky ones who are going to have music in their homes this Christmas? You can if you want to. Read our offer: Come into our store, hear the instruments you think you'd like, pick out yours and we'll put it away for you, to be delivered on Christmas Eve—ready for the following morning festivities. We ask only \$5.00 when instrument is put away, and \$2.00 every week until Christmas. The remaining balance can be paid in small installments.

There is no need to dwell upon the many features of the Columbia Grafonola. They are so well known that everybody knows them to be the best value for the money invested.

Drop around early while our stock is complete. You'll surely regret it if you don't. Only a limited number of machines accepted on these easy terms.

RECORDS—Our service is the best in the city. Get the Habit—"For Records, Try Treadgold's First."

Store Hours: 8 a.m. to 8 p.m. Saturdays, 10.30 p.m. —SHOP EARLY—

### CHANGES IN O.H.A. RULES

#### Objection to Senior College Students Playing in O.H.A. Intermediate.

The thirty-first annual meeting of the Ontario Hockey Association will be held next Saturday at 10 o'clock at Toronto. It is expected that the business of the convention will be transacted by noon hour, so that the delegates can attend the final game for the Canadian football championship in the afternoon at the U. of T. Stadium.

The chief business for the convention will be the consideration of the amendments, and most of the suggestions offered are sponsored by the O.H.A. sub-committee consisting of R. M. Gover, the retiring president; Sheriff J. F. Paxton, treasurer, and W. A. Hewitt, secretary.

That a determined effort will be made this year by the association to eradicate the "hockey tourist" is evidenced by the introduction of the following amendment:

"That no player who has changed his residence since January 1st last be granted a certificate until he has satisfied the O.H.A. Executive Committee of the bona fides of such change, and that all such applications for certificates, with complete and definite information regarding the residence, together with an affidavit from each player conforming to the O.H.A. amateur rule as set out on page 121 of the rule book, must be in the hands of the secretary on or before Dec. 20th, so that each application may receive full and careful consideration by the Executive.

No application received after the date mentioned will be considered until January 20th, except in the case of junior players.

The clause in the O.H.A. amateur rule referred to is as follows:

**Hard and Fast Rule.**  
"An amateur is a person whose membership in any hockey club was not brought about, or does not continue because of mutual agreement or understanding whereby, by his becoming or continuing a member of any hockey club would be of peculiar benefit to him, either directly or indirectly, who has never, either directly or indirectly, received any payment as a member of any hockey club or any money consideration whatever for any services rendered as a player, except his actual travelling or hotel expenses, and who has not made any offer, which if it had been accepted would have made the recipient a professional."

Further tightening of the residence rule is desired by the recommendation that this amendment be adopted:

"A student leaving a town to attend a high school in another town cannot qualify under the student rule if there is a high school in his own town."

This means that a student must play for a team in his own town if there is a high school located there. This does not affect any of the preparatory schools, such as Trinity school, Ridley, U.C.C., St. Andrew's, U.T.S. and St. Michael's.

The Canadian Amateur Hockey Association is to be asked to adopt the O.H.A. residence rule, viz., August 1st.

**Advancement Barred.**  
Alvin Forier of New Hamburg has an amendment to the effect that "No player shall be eligible to play in the senior series who has taken part in intermediate scheduled match in the same season."

Another amendment in the same connection is as follows:

"Members of intercollegiate senior teams will not be eligible to play on O.H.A. intermediate teams. Managers of intercollegiate teams must file a list of players eligible for O.H.A. intermediate series before first game. If any such players are afterwards played in intercollegiate senior series, such winning games as they may have taken part in will be forfeited to their opponents."

According to the present rule when the home and home matches are played in the same city or town, the

ACTS PAINLESSLY—NEVER FAILS

Takes the sting right out—cleans 'em right off without pain. Thousands say it's the surest thing to rid the feet of callouses, sore foot lumps or corns. Don't suffer—that's foolish—buy a 25c bottle of Putnam's Painless Corn and Wart Extractor. It does the trick quickly and is invariably satisfactory. Sold by druggists everywhere.

home club is to take the net proceeds of the gate. There is an amendment to add the following: "Or an agreement may be made in advance between the clubs to divide all home and home gates on an equal basis."

Here is an amendment that will be welcomed by every club, official and player in the association:

"Each rink must be provided with a timekeeper's and penalty box centrally located and furnished with a bell or gong, including timekeepers, penalty timekeepers, penalized players, spare players and the managers and coaches of each team, and under no circumstances will the referee permit unauthorized persons to remain in such box. The home team will be held responsible for the proper carrying out of this rule."

Owing to the change in the rule regarding goalkeepers the following will be the new reading of the rules:

(1) The game is played on ice by teams of six men on each side, with a puck made of vulcanized rubber, one inch thick all through and three inches in diameter. The players to be designated as follows: Goalkeeper, right defence, left defence, centre, right wing, left wing. In addition to the players mentioned, each team may use two extra players as substitutes, but there shall not be more than six players a side on the ice at any time during the match.

A substitute goalkeeper shall also be allowed, but this substitute shall not play any other position but goal, and any substitution to be made only at the end of a period, except in case of injury, as hereinafter provided for.

In case of a penalty to a goalkeeper, he shall be replaced by one of the players who are on the ice at the time the penalty is inflicted.

All players shall be numbered with conspicuous figures, displayed on the back of their jerseys, the numbers to be assigned to the players upon their registration with the association, and to coincide with the numbers on the playing certificates.

**Nine Players to a Team.**  
(16) In addition to the extra goalkeeper referred to in Rule 1, two extra players may act as substitutes on each team during a match (making nine players altogether), and a change of players may be made at any time by the substitute or substitutes, reporting to the referee, when that official has stopped the play, but must not get on the ice while play is in progress; such substitute or substitutes must be all ready to play, and must take his or their position without delaying the game. The player for whom the substitution is made must also leave the ice promptly when the substitute appears. In case of injury to the goalkeeper, or from any accident be allowed, but he must play in goal and in no other position. The substitute goal tender can only be used at the end of a period, or in case of injury, as aforesaid. Should any player be injured during the match, break a skate, or from any accident be compelled to leave the ice, his side shall immediately put on a substitute to equalize the teams, and the match proceed until such time as the player so compelled to retire because of the accident is ready to return. Should more than two players of one team (exclusive of the goalkeeper) be compelled to retire because of accident, the opposing side shall drop a man to equalize the teams. No player shall resume play until he has received permission from the referee to go on. In event of any dispute the matter shall at once be decided by the referee.

**Penalty for Violation.**  
A most important amendment is the introduction of a penalty for accidental or designed violation of the foregoing rule. It is as follows:

"Referee to be instructed to penalize a team violating the substitution rule in any manner by ruling the offending player or players off for not less than two minutes' actual playing time."

Another amendment provides as follows: "When in the referee's opinion a neutral penalty timekeeper is not available, the referee may appoint a representative of each club to act as penalty timekeepers."

**JUNIOR S.S. A.A.A. BASKETBALL OPENING GAME PLAYED**

The Junior S.S. A.A.A. basketball series opened at the Y.M.C.A. on Saturday evening when Sydenham and Queen street Methodists were matched in the opening game. Sydenham street, winner of the D. A. Shaw trophy last year, won the game by a score of 43 to 22. The half time score was 33 to 8. For the winners, the Crawford brothers were the stars. The success of the winners was mainly due to the ability to play combination. Hugel and Anderson, the other members of the team, played a real good game. For the Queen street boys, McBroom and Edgar starred. On account of Sydenham street Methodist only having four members of their team present, the game was played with four men on each side. The other Sydenham player was ill.

This season there are only two teams in the junior series so it had

been decided that seven games shall be played and the winner of four games will be declared the holder of the D. A. Shaw trophy. The teams: Sydenham—Joe Crawford, Crawford, Hugel and Anderson. Queen—Edgar, Lawrence McCutcheon, King and McBroom. Officials—"Jim" Sutherland and C. Burns.

### Argonauts Qualify To Meet Varsity

On Saturday Toronto Argonauts, by defeating the Toronto O.R.F.U. team, qualified to meet Varsity in the Canadian rugby final championship match next Saturday. In the replay of the second half of the semi-finals, Argos started with a two point margin. Toronto tied it, and then Garrett dropped a field goal, which gave the sculliers the victory by 5 to 2.

"Benny" Leonard, world's light-weight boxing champion, beat Joe Welling in fourteen rounds.

A Cochrane district deputation has asked for separate judicial area.

### Advice to Dyspeptics Well Worth Following

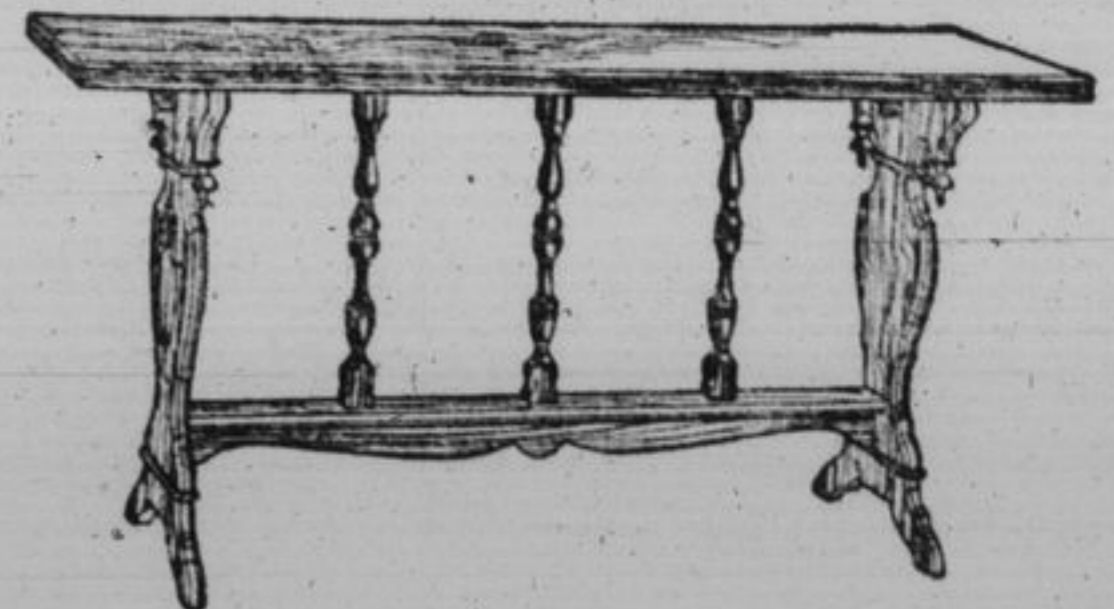

In the case of dyspepsia, the appetite is variable. Sometimes it is ravenous, again it is often very poor. For this condition there is but one sure remedy—Dr. Hamilton's Pills—which cure quickly and thoroughly.

Sufferers find marked benefit in a day, and as time goes on improvement continues. No other medicine will strengthen the stomach and digestive organs like Dr. Hamilton's Pills. They supply the materials and assistance necessary to convert everything eaten into nourishment, into muscle, fibre, and energy with which to build up the run-down system.

Why not cure your dyspepsia now? Get Dr. Hamilton's Pills today, 25c. per box at all dealers.
