Ten Million Acres Under Wheat. Ottawa, Dec. 1 .- An increase of 1.120,000 acres in the area planted in wheat in Australia is reported by the Canadian trade commissioner at Melbourne. The total acreage is placed at considerably more than 10,-000,000 acres, and a yield of 147,-000,000 bushels, or between thirteen and fourteen bushels to the wee, is expected. If this estimate is realized it will be the largest yield in Australia, with two exceptions, 1915-16 and 1916-17, when 179,000,000 and 152,000,000 bushels respectively, were marketed.

OLD MYSTERY SOLVED.

Trace of Hunter Lost in Woods in Michigan in 1903. Sault Ste. Marie, Mich., Dec. 1. Discovery of a note and watch in a

tree by Archie Barle, of Flint, Mich. while he was hunting in the wood near Hulbert, practically cleared up he mysterious disappearance of Ar thur Kahler, of Marquette, Mich., if The attention of Barle was arrest-

ed by flashes of light from a metal object. Investigation proved this to be a metal watch hanging from a tree with the note inside, which read

"I have been lost three days. I have shot three deer and placed the same note in every deer. (Signed) "Arth. Kahler." Kahler had long since been given up for dead.
