ada, and Rene Viviani, of France, on mains were taken to the home of him by the government, he said, and the relations between the assembly and the council of the league, was planned for to-day's session.

Argentina's amendment to the covenant of the league, the rejection of which caused the delegation of that country to leave the assembly on Saturday morning, has also been referred by the assembly for consideration at its next meeting. The rejected resolution provided that all sovereign states, unless they remain outside of their own will, shall be recognized as members of the league. Honorio Pueyrredon, head of the Argentine mission, told the Associated Press that his delegation would leave for Paris on Wednesday or Thursday.

CANADA NEEDS TO FOSTER FOREIGN TRADE

This Will Solve Many of Our Difficulties, Banker Says.

Montreal, 6 .- Discussing falling prices and the remedy for them, Sir Vincent Meredith, president of the Bank of Montreal, in the course of an address to-day at the annual meeting of the shareholders, said an international scheme was necessary for the financing of foreign trade owing to dislocating of foreign exchange. Pending the adoption of such a scheme, Sir Vincent said Canada should act on its own initiative by establishing a corporation to foster | Made the Best Discovery toreign trade so as to keep its factorbusy and give emple bor. Sooner or later, he declared, such a corporation must be launched. adding, "If foreign trade can be revived it will solve many of our difficulties."

CAR TURNED OVER AND SLID DOWN GRADE Fifteen Passengers Injured on tive of Morrisburg. Train Line Running to Cartierville.

Montreal, Dec. 6 .- Fifteen passengers were injured shortly before one o'clock this morning, when a tram car, running to Cartierville. suburb of this city, jumped the metals, fell on its side and slid down was engaged to Princess Margaret a deep grade. An equal number of of Denmark, or that such an en passengers escaped with very slight gagement was to be announced soon. injuries, or none at all. The car, while sliding on its side, hit a heavy post and literally broke in two, the ends then crashing through a fence. It is incomprehensible how none of the passengers or the tram crew received fatal injuries. The motorman, who received a slight cut on the head, said that when coming down the grade the airbrake refused to work, and when he threw on the reverse the fuses blew out.

More Negotiations Over the Cabinet

Ottawa, Dec. 6 .- More negotiations are under way looking to increased representation from Quebec. The prime minister is out of town to-day. and it is understood, has the matte in hand. In political circles, it is not thought likely that L. J. Gauthier. the government, but there is every probability that a French-Canadian will be shortly taken into the cabinet. with some necessary shifting around of portfolios.

Sanctions Marriage Annulment, Montreal, Dec. 6 .- Returning to Montreal after ten years' absence, during which her husband made every effort to find her, the wife Charles Hamilton found her husband married to Daisy Mitchell. The latter immediately petitioned for an annulment and Justice Coderre, on Saturday, sanctioned the petition.

Greece to Keceive No More Financial

Athens, Dec. 6 .- Great Britain will extend no further financial aid to Greece in case former King Constantine returns to the throne, according to a note presented to the Greek government yesterday by Earl Granville, British minister here. The French minister also presented a note to the government demanding payment of outstanding loans. That the government could only do what people desire was the statement of Premier Rhallis, in announcing that he would reply in a few days to the two notes.

Returns from the plebiscite held yesterday indicate a majority of half a million in favor of the return of Constantine to the throne.
