Sydenham Street Won. Sydenham Street Methodist church won the opening game of the S.S. A.A.A. Girls' Basketball League at the Y.M.C.A., on Tuesday evening, when they defeated a team from the First Baptist church, by a score of 29 to 9. At half time the Methodists were only leading by a couple of points, but good work on the part of the winners brought up the score. This is the first time a basketball league has been conducted in connection with the Sunday schools of the city, and, judging by the attendance at the game, the league will be very popular. The largest crowd of the season was on hand. The game last evening was played under two rules, as one team was accustomed to playing girls' rules, while the other team has played boys' rules. For the winners, Miss Lockhart carried off the honors, when she scored no leas than seven baskets in the last half. Miss Stewart was the best player on the Baptist team. The teams lined up as follows:
