**Coming to the Grand.**  
On Monday, Dec. 13th, Ernie Marks and his company of advanced repertoire and vaudeville players will present their great comedy drama, "The Price," and sure is a hearty laugh and a delightful play from start to finish. The play has been a great success for several seasons, because it's chock full of fun, brimming over with good humor, and a story that grips the attention. There is entertainment galore in "The Price," with its music, clean, bright comedy, and scenes and situations of thrilling excitement and touches of pathos, all so true that it seems like a page torn from Nature's book, a great play for the children. Popular prices prevail. For an evening of enjoyment go to the Grand Opera House on the opening of the Ernie Marks Stock Co., supporting the clever actress, Kettle Marks. This clever company of entertainers come to the Grand Opera House for the entire week of Dec. 13th, with a change of play nightly and six big new vaudeville specialties between acts.—Advt.

**At The Strand.**  
"Big Happiness" contains a theme so real and vital that it will find a responsive chord in everyone who sees it," said Colin Campbell the noted director on the eve of the completion of this Robert Cole super-special showing Dustin Farnum, the "man-of-man" of the screen in his first great picture for this company. The picture will be seen at the Strand Theatre, Monday, Tuesday and Wednesday.

"Since the beginning of time existence has meant physical and mental struggle," Mr. Campbell added. "In 'Big Happiness' there is the tremendous struggle of three persons, twin brothers—unlike except in face and form—and a girl, who lives, in destiny form—and a girl, whose lives, destiny has interwoven in a strange manner. The girl married to one brother—to save her father from financial disgrace—hands herself unwittingly the victim of her husband's lust for gold, which causes him to ask his brother to take his place on the night of their marriage. The brother, an adventurous spirit, with real finesse of character that is not at first perceptible, does not realize the seriousness of the situation and consents to the unusual scheme. Gradually these two, the brother and the wife, fall desperately in love with each other. Taunted by the knowledge of his falseness, the brother is about to make a clean breast of it, when word reaches him that the girl's husband is dead. But his happiness is short lived for the husband returns, ill with fever. Then comes a dramatic climax. "I doubt if Dustin Farnum had a role which called for greater dramatic work and in 'Big Happiness' he reaches a height which will set him down as one of the finest screen artists of the day. 'Big Happiness' is a tremendous drama, big, alive, and human."—Advt.

**At Griffin's.**  
To-night will be the last opportunity to see the distinguished actor, William Faversham in "The Man Who Lost Himself." "The Man Who Lost Himself" tells the story of a man who assumes the personality of another, and the difficult situation he encounters calls indeed for superb acting, but in the hands of Wm. Faversham the role is complete. Some unique photography is shown, particularly when both men appear on the screen at the same time, and shake hands with each other. As Wm. Faversham plays both roles he is literally shaking hands with himself. A splendid cast supports the gifted star, headed by Mrs. De Wolfe Hopper, who gives a splendid interpretation of the dissolute lord's wife. The balance of our programme is also well worth seeing, and consists of the 5th episode of "Pirate Gold," in which the hero is complete with some totally unexpected adventures, and provides much amusement for the audience. Those master pictures of nature known as Prizmas are a delight to the eye, as they are revealed on the screen in exactly the same order as seen by Nature. This programme will be given a final showing tonight.—Advt.

### Y.M.C.A. MEMBERSHIP CAMPAIGN

Fifty-Seven New Members Have Been Enrolled.  
In the first half of the Y.M.C.A. membership campaign, some fifty-seven members have been enrolled, indicating that at least the teams have gotten off to a good start, and if the experience of other years counts for anything, the next few days will show very much better results. The team standing by points is as follows: "Stuts", 11; "McLaughlin", 70; "Palge", 27; "Chevrolet", 16; "Ford", 13; "Staff", 10; "Saxon", 8; "Packard", 9; "Essex", 6; "Rolls Royce", 5; "Reo", 4; "Franklin", 1. The lead maintained by the "Stuts" is due practically to the splendid efforts of Van Mills, whose individual score at the present is 23 members. The other individual membership scores are Earl Moncrieff, 12; F. Vokes, 3; Tait Gibson, 3; Harry Edgar, 3; Staff, 3; W. Bruce, 2; F. Nicholson, 2; D. Grimason, 1; M. Abramsky, 1; J. Sandwith, 1; J. Tweddell, 1; Wallie Newman, 1; B. Hall, 1.

The committee was pleased to receive a cheque from the Nurses' Alumnae paying for the memberships of three worthy boys. Among the others who paid for deserving boys was the Sydenham Street Methodist, Y.P.S.C. E. The membership committee are looking for others to purchase "The Gift With A Lift" for other boys who cannot afford the small fee charged for annual membership. The campaign will continue until Tuesday night next at 9 o'clock when the team winners will be declared. A large number of renewal memberships are expected in the interval.

### SATURDAY'S MARKET

Butter a Little Lower—Some Eggs \$1 a Dozen.

There was a market of the average winter size, Saturday morning, with fresh meats and fowl of all kinds as the predominating stocks. Chickens were marked at \$1.75 to \$2.50 per pair. Beef carcass was quoted at \$18 and \$22 per hundred, with hinds alone at \$27 and \$27. Dressed pork remained at last Saturday's quotations of 15c and 20c a pound. Lamb varied from 22c to 35c.

Potatoes were more plentiful than last Saturday. The price stuck around \$1.75 and \$2 a bag. Apples remained the same as last week with a slight increase in the cooking line on an account of the fact that not so many were offered for sale.

As usual, butter and eggs were the main centres of interest. There was a fairly good showing of both in the covered market. One seller asked a dollar a dozen for his henfruit while his fair competitor was selling out her stock at eighty cents. Butter was a little more reasonable. The first prices heard were 53c and 60c a pound, but as the time passed on several places were quoting at 55c and one as low as 53c.

The usual array of cabbages, celery, flavoring herbs, and homemade cooking was prominent at reasonable prices.

### A SPLENDID BAZAAR

Was Held by the Ladies of Trinity Church.

(From Our Own Correspondent)  
Napanee, Dec. 10.—The ladies of Trinity church held their annual bazaar and lunch on Friday. The sale of fancy and useful articles was very satisfying, and was well attended. A very appetizing lunch was served from twelve till two, and tea from six to eight. The ladies are to be congratulated on the success of the day as about \$800 was realized for the schemes of the church.

On Thursday evening fire was discovered in W. D. Widmer's house, Piety Hill. The firemen made a quick run and it was found the fire was about the chimney on the kitchen, and it was quickly extinguished. Several hours later the firemen were called again and discovered some fire about the roof. But very little damage was done.

Miss Lena Graham is home from Utica, N.Y., to spend the Christmas holidays with her mother, Mrs. C. A. Graham. Mrs. B. F. Davy is spending a week in Toronto. Miss Marjorie Meyers, daughter of Robert Meyers, Bridge street, has been accepted as a nurse-in-training at the Roosevelt training school in New York. Mrs. Vrooman, a guest of J. W. Metzler, had the misfortune to fall and break her arm one day last week.

**Does Real Farming Pay?**  
Swift Current, Sask., Dec. 11.—Does real farming pay? Axel Nelson, of Pennant, is a firm believer that it does. Last year Mr. Nelson bought a quarter-section of land two and a half miles south of Pennant, for which he paid \$3,200. He cropped the land this year and sold 1,500 bushels of wheat some time ago at \$2.60 a bushel, realizing \$3,900 from wheat, or \$700 more than he paid for the land, and that is not all, as Mr. Nelson still has 800 bushels of wheat and 1,000 bushels of oats left from this season's crop.

**Closed A \$40,000 Deal.**  
Saskatoon, Sask., Dec. 11.—H. Gauvin, inventor of the insulated wall construction which has been successfully used in Saskatoon in connection with electrical heating, is now in Ottawa, and has closed a \$40,000 deal for the Ontario rights of his patents. Toronto and Ottawa parties will exploit the insulated wall construction on a large scale, especially along housing scheme lines, according to information received here.

**Sweet Innocence!**  
Newedd—"I'm afraid we're going to find it hard to get coal."  
Mrs. Newedd—"Oh, dear! I do wish they'd plant larger crops in the coal fields."

On Saturday morning Anthony Rankin, M.P.P. for Frontenac, when asked what the government highway commission had done about the new highway, which extends from Kingston through Westbrooke, stated that he thought the commission would likely call for tenders for a hot top (asphalt top) in the very near future.

Tisbury flax mill, the only factory in operation in the town, was destroyed by fire attributed to spontaneous combustion.
