

Prominent Western Man Praises Tanlac

G. W. Logan, Peabody, Kansas.

"Tanlac has completely restored my health and I feel finer than in years," was the straightforward statement made recently by Mr. George W. Logan, of Peabody, Kansas, one of the most prominent stock-dealers in the Middle West.

"It has not only made a new man of me but I have actually gained thirty-five pounds in weight and feel as well as I ever did in my life. I am telling all of my friends about Tanlac but they can see for themselves what it has done in my case."

"When I began taking Tanlac I was in an awfully run-down condition. I was away off in weight, felt weak and nervous all of the time and couldn't take any interest in my work or anything else. My main trouble was indigestion. Nothing

UNVEILING AT ST. JAMES' Of a Memorial Window and Tablet to Fallen Members of Church.

The dedication and unveiling of a memorial window and tablet erected to the memory of members of St. James' church, who lost their lives in the great war, took place on Sunday morning. The service was conducted by Rev. T. W. Savary, assisted by Rev. Archdeacon Dobbs, and the sermon was preached by Lt.-Col. Rev. Canon A. P. Shatford, rector of the Church of St. James' the Apostle, Montreal.

The dedication was performed by Archdeacon Dobbs, and Gen. W. B. King, C.M.G., D.S.O., general officer commanding military district, No. 3, unveiled the window and tablet. The church was crowded and reserved seats were occupied by Major H. C. Nickle, Gen. King, Lt.-Col. W. B. Browne, D.A.A. and Q.M.G., Lt.-Col. A. M. Gordon, Major G. Greer, R.A.M.C., Lieut. W. G. Baylie, A.D.C., members of the Board of Education, and members of the families of the deceased soldiers who gave their lives for country and empire.

The service was most impressive and special music was rendered by the choir under the direction of Mrs. A. R. B. Williamson, organist and choir director. At the Union Jack dropped aside showing the beautiful window and the brass tablet the names of the churches' heroes were read, and the "Last Post" was sounded by trumpeters of the R.C.H.A. This was followed by the hymn "For All the Saints." The other hymns were "Hail to the Lord's Anointed," "Soldiers of Christ Arise," "Till He Come," and "Saviour Blessed Saviour." During the offertory the anthem "Behold I Show You a Mystery" was beautifully rendered, Mr. Tompkins, tenor, taking the solo.

Taking for his text St. Paul IV: 7, "I have fought a good fight, I have finished my course, I have kept the faith," Canon Shatford showed the true significance of the ceremony and the inspiration it ought to convey to all present. St. Paul summed up his whole life in this text which was no outburst of triumph. There was no sense of defeat or failure. He had troubles and fears but he had no doubts. The speaker saw no more fitting subject for consideration in the dedication of the memorial window and tablet to those who had fought a good fight and kept the faith. "This is no time for tears, but a time for joy, a time for glory and inspiration from the words of St. Paul in his last hours, because they kept the faith that was committed to their care," said he. Their names live for evermore through the window and tablet decay and disappear. Their deeds are written on high. Of the three essentials in a good fight, the motive comes first and there never was so good and lofty a cause. Never did I hear any man in the Canadian army doubt the righteousness of the cause. We are told that an Englishman's word is his bond, and because England kept her word and stood behind it we can say that these men fought a good fight. Secondly they fought an honorable fight, not in the spirit of vengeance but with clean sword; and thirdly the purpose was achieved though it took five years to do it. They made no concessions or compromise. The Canadians persevered and won. They stuck it to the last, never retreated or lost a gun, never halted till victory was won. While these men died young, they finished what they set out to do. A man may finish his life while the sun is high in the heavens, but it is better to put all your energy into one act than to live a long life. Being dead they yet speak. There is no joy like completing a task and we count these men's lives by their deeds. We are all stewards with a trust to discharge, but are we all doing it? The future of our empire is a mighty heritage, and if there was one thing more than anything else kept our men loyal it was the confidence reposed in them. We can write over their names: "They kept the faith." They went loyally on through all and made the name of Canada and the Empire more glorious than ever. They are a challenge to us, and the responsibility rests upon us to

make their work perfect. If we do not do this, their struggle and sacrifice was all in vain. Let every Canadian be lifted up by their work for the vision must not be lost.

Now is the time to purchase that car for next year, for many good reasons, which we can not only explain, but are in a position to guarantee.

For example: we guarantee the price of every new car that is delivered or even ordered, against any decrease in price as far as July, 1921, and in the event of a decrease we further guarantee to refund the difference between the present and new price.

Further, we have the best value in the used car line that has ever been offered in this city. Cars were never so reasonable as they are at the present moment. And you will find that the prices have become settled already, and that the purchaser of a real good reliable car this fall will be ahead in the Spring of the year even if he takes into consideration the fact that the car must be wintered. Let us have a talk with you on the matter and think it over. We have the value and it is the best in the city.

Cars Are Only as Sound as the Firm Making Them

"To-day, more than ever before, the prospective automobile purchaser should consider carefully the financial stability and probable permanency of the company whose product he buys." "The Reo Motor Car Company requests you to examine, through your banker, the most rigid examination of its financial standing."

There are three good reasons for this. One is parts service,—for once a car ceases to have an organization behind it, through failure or other causes, the possibility of obtaining needed parts is small. Again, a owner driving a car whose maker has failed, is invariably conscious of the fact, and knows that his friends are conscious of it. In the third place, once a car loses its maker its re-sale value is practically gone.

Before you buy a car be just as sure of the financial soundness of its maker as you would be sure of the soundness of the title to any property you might purchase. When you buy a Reo you are not only getting a superior car, but you are getting parts service, owner satisfaction, and re-sale value in the years to come.

Were there two cars in every way of equal merit, so far as construction and design were concerned, but one of which was backed by a firm of known financial strength, while the maker of the other occupied a less firm position, the former would have a value to an owner at least fifty per cent. greater than the latter.

To Be Troubled With Constipation

THE CAUSE OF MANY ILLS.

If you do not feel well and go to your family physician, one of the first things he will do is ask you to hold out your tongue. The reason for this is that the condition of the tongue shows the condition of the stomach and bowels.

If you allow your bowels to become constipated you will have bilious attacks, sick headaches, coated tongue, foul breath, heartburn, water brash, etc., and those troublesome piles, which cause so much annoyance and misery.

Keep your bowels moving regularly and you won't be sick.

In Milburn's Laxa-Liver Pills you will find just the remedy you require for this purpose. They are purely vegetable and do not gripe, weaken or sicken.

Mr. Jas. S. Harris, Box 934, Halifax, N.S., writes:—"For two years I suffered with constipation. I could not get any thing to cure me, and hardly anything would give me even temporary relief. One day my uncle induced me to try Milburn's Laxa-Liver Pills, and even brought me a vial. I tried them without much faith, but I soon found they were doing me good; and after using the second vial I was relieved of my trouble."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
