Put on More Insurance!

The sum that would have appeared adequate to protect the home ten years ago is wholly inadequate to-day.

If, in those days, \$1,000 was carried, to-day it should be made \$2,000, while it should be increased to Ten and Ten to Twenty thousand to maintain the protection at the same point that it reached 10 years ago.

Let me suggest a plan for an additional amount.

Children Manifested True Christmas Spirit

Six little boys, belonging to the Union Jack Club of the Orphans' Home, were possessed of the true Christmas spirit. With their own money, they purchased small baskets of candy, and making a visit to the Home for the Aged on Tuesday, they presented a basket of the candy to every inmate in the institution, and it is needless to say how the old folk appreciated the kindness of the children.
