On two occasions the elections have been on New Year's day and both times there have been decreased votes. People enjoy the holiday and are not inclined to either give their time to work around the polls or even in voting. EAT LESS AND TAKE SALTS FOR KIDNEYS Take a Glass of Salts If Your Back Hurts or Bladder Bothers. The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy spells, nervousness, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing at any time.

him that he will throw his entire machinery out of order by denying himself the very means of sustaining strength. A better plan, far better, is to follow a meal with a Stuard's Dyspepsia Tablet. It aids digestion, applies the stomach with an alkaline effect and thus prevents or relieves the distresses of gassiness, sour stomach, lumpy feeling in throat, biliousness, indigestion and other such misery due to dyspepsia. Get a 60 cent box at any drug store and be fortified, no matter what you eat or drink.
