WOLFE ISLAND TO HAVE A STRONG HOCKEY TEAM

The Wolfe Islanders expect to put a team on the ice this winter that will make all the other county hockey teams step. A meeting was held recently and "Bill" Davis was elected manager. A regulation size rink has been erected by the boys and they expect to be in great shape for the opening game of the Edwards' trophy series. It is understood that the management intends to hand over the Edwards' trophy to the trustees of the league.

CURLERS AWAITING ICE

A Club Bouspiel is Scheduled for 8th of January.

The members of the Kingston curling club are looking forward to a good season. This year the games are a little late in starting, but the curlers will make up for lost time, as soon as the cold weather lasts long enough for the ice-makers to get the sheets of ice in good order. The five sheets of ice were in good order, but the mild weather for the past week turned the rink into a puddle of water.

T. M. Asselstine, president, P. D. Lyman, secretary-treasurer, and the ice-makers, have been busy for some time getting things in working order. On New Year's Day the booklet, which contains the list of players and also the schedules, was handed out. This booklet contains some valuable information.

The list of skis who won the club championship for the past seventeen years are as follows: W. Leslie, C. W. Drury, W. B. Dalton, T. Slater, W. R. Sills, A. Strachan, E. H. Browner, T. M. Asselstine, R. N. F. McFarlane, the late W. R. Sills, F. Waugh, J. F. Macdonald, and L. Sleeth.

Skips W. Leslie, E. H. Bowser and J. F. Macdonald won the club championship two years in succession. The Whig trophy was won by rinks skipped by the following: J. F. Macdonald, R. N. F. McFarlane, George Hanson, M. P. Reid, W. H. Reid and F. Lumb.

The honorary members of the club are: Rev. D. M. Gordon, C. D. MacFarland, W. Leslie, L. L. Henderson, E. Lyons, Dr. John Watson, J. B. Walkem, K. C. A. Strachan, Dr. A. P. Knight and C. F. Smith.

The entries for the singles competition will close on January 8th. The winners in the single competition in 1920 were W. J. Drysdale, first prize, and A. W. McLean, second prize. The entries in the doubles competition must be in the hands of the secretary by January 15th. The winners in 1920 were J. J. Baker and W. R. Lyons.

The Ogilvie shield competition will be run off as in the past. The dates of play are January 12th, January 26th, February 9th and February 22nd. H. A. Toftfield will be in charge of this event.

The following is the schedule of events at the rink: January 8th—Club bouspiel and entries for singles. January 10th—C.O.C.L., Kingston at Napanee (4 rinks). January 12th—Points competition.

January 15th—Club bouspiel. Entries for doubles. January 18th—Tankard primary at Napanee.

January 21st—C.O.C.L. Brockville at Napanee in the afternoon and Brockville at Kingston in the evening.

Jan. 22nd—Club bouspiel. Jan. 25th—District cup at Kingston.

Jan. 26th—Points competition. Jan. 28th—C.O.C.L. Napanee at Kingston, and Kingston junior at Belleville.

Jan. 29th—Club bouspiel. Feb. 4th—C.O.C.L. Kingston at Brockville, Belleville juniors at Kingston.

Feb. 5th—Club bouspiel. Feb. 9th—Points competition. Feb. 11th—Napanee at Brockville.

Feb. 12th—Club bouspiel. Feb. 19th—Club bouspiel. Feb. 21st—Final C.O.C.L. at Kingston.

Feb. 22nd—Points competition. In connection with the club there is a thriving ladies' branch with a membership of about fifty. Two sheets of ice are available for the ladies each morning and one sheet each Tuesday afternoon of each week.

The scheduled games, which were to have been played on Monday and Thursday evening of this week, have been called off on account of lack of ice.

Nailing a Canard. W. A. Hewitt, secretary of the Ontario Hockey Association, has sent word to the Quebec branch of the Canadian Amateur Hockey Association there was no truth in the rumor that reinstatements would be made by the O.H.A. after January 20th. Secretary Hewitt stated that any player suspended or barred by the association would remain suspended for this winter at least.

ABANDONS HOPE OF GETTING CLEGGHORN BACK

The Ottawa Hockey Club will send its strongest team to Hamilton on Thursday for its first appearance there against the Tigers. The National Hockey League race is really much tighter than the standing of the clubs would indicate, as the Ottawas have had three out of their first four games at home. Canadiens have been forced to play three out of four on the road, and are the only team that has not won one game away.

In view of the obstinate stand of the players and the attitude of the other clubs, the Ottawas have about abandoned the hope of getting Clegg-horn or Broadbent back, but will have a good team, nevertheless for their game at Hamilton, Thursday, as they will have Benedict, Boucher and Gerard on the defense, and Nighbor, Darragh and Dennyson on the forward line, with Bruce and McKell for relief purposes.

Can't Buck the O.H.A. Hamilton Spectator: Rumor has it that the players on the senior O.H.A. teams in Toronto are dissatisfied with the ruling that stipulates that they must play for the same team next season as this, or else give a good reason for changing. One of the members of the Aura Lee team has an idea that a new league with Hamilton, Kitchener, Granites and Aura Lee composing the senior series and Welland, Niagara Falls, Dunnville and Kitchener having teams in the intermediate series would prove a winner. It might, but then bucking the O.H.A. is something that has been tried many times in the past, and each trial has resulted in failure.

RAY MARCHAND TELLS OF U.S. HOCKEY BOOM

Ray Marchand, who played goal for Toronto some seasons ago, and who was a substitute goaler for Canadians, has returned to Montreal. Marchand has been playing in New York and coached some of the amateur players of that city as well as the Kingston players. Marchand says that there is a great boom in amateur hockey in New York city as well as other cities in the United States, and that amateur sport is being conducted on the strictest lines.

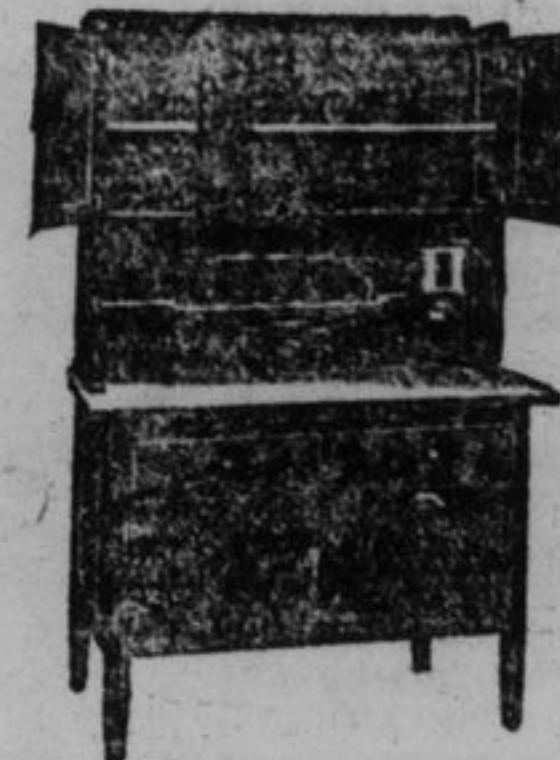

Sydenham Hockey Club Organizes. The annual meeting of the Sydenham hockey club was held on Monday evening. C. R. Wartman was elected chairman. It was decided upon to enter a team in the Inter-county League competition. The following officers were appointed: President, F. Anglin; vice-president, J. H. Sedgewick; secretary-treasurer, James Garvin; manager, S. W. Alexander; assistant manager, James Garvin; management committee, Clifford Rutledge, Dr. P. R. Sargent, U. F. Blakeslee, H. A. Buck, Edward Wood.

HOCKEY NOTES. The penalty box at the Kingston covered rink is to be moved to the centre of the rink this week, and will thus be much handier for both players and officials. Fred McLean, formerly of the National Hockey League, has been definitely chosen as coach of the University of New Brunswick hockey squad, and will take charge of the volunteers when they have their first practice. Toronto Globe: "Jim" Sutherland, coach of the Queen's University and Frontenac teams, was an interested spectator at the Granite-Argonaut game last night. Between periods he found time to state that Queen's seniors will be strong this season. The arrow is believed to be the most ancient of weapons.

MACDONALD'S CUT BRIER

MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities—Macdonald's has always been recognized as the smoke.

MACDONALD'S CUT "BRIER"—the same tobacco in new form—maintains every Macdonald tradition since 1858, and gives to smokers—more tobacco for the money.
