CARPENTIER OPTIMISTIC OVER TITLE BATTLE

Will Quit Ring if He is Beaten by Champion—Now in Holland.

Georges Carpentier, champion heavy-weight pugilist of Europe, in an interview in the Amsterdam Telegraph regarding his coming fight with the world's champion, Jack Dempsey, expressed optimism over the outcome. He said it would be a hard fight but that the result was not for him to predict. "I'm rather inclined to be optimistic," Carpentier said, "even if it were to occur tomorrow." He had nothing to offer regarding definite arrangements as to where the fight is to be held. "Whether I retire from the boxing game depends upon the result of the match with Dempsey," Carpentier said. "If I am beaten I will retire; if not, I probably shall go on fighting for some time." One of the main reasons for his coming to Holland, Carpentier said, was to visit the land of his wife's birth, revealing that Madame Carpentier was born in The Hague. In an exhibition match Saturday night with the Belgian boxer, Leanaers, Carpentier astonished the Dutch sportsmen by his cleverness. "He is even better than we expected," said one of them. "He can land five blows where another man lands one." Carpentier said he might meet Frank Moran of Pittsburgh before his fight with Dempsey.

TO BUILD NEW ARENA

Kitchener and Waterloo Will Raise \$200,000.

At an important meeting of the provisional directors of the Twin City Arena Company, Kitchener, it was decided to take immediate steps to conduct a campaign for subscriptions to erect an arena and artificial ice plant for the two towns. An effort will be made to raise the sum of \$200,000 in sums ranging from \$50 to \$2,000. The charter will be applied for at once, and the prospectus issued. Preparations are being made to conduct the campaign during the first week in February.

The necessity of an artificial ice plant had been impressed upon the local followers of hockey, in view of the fact that the Kitchener O.H.A. seniors are the only team in the group dependent upon natural ice. The Kitchener-Granite game was all that was needed to arouse interest in the enterprise, and the directors of the new arena company are confident that Kitchener and Waterloo will have an arena second to none in the province a year hence.

TORONTO BOXING BOUTS.

The G.W.V.A. Seek Entries From Places in Provinces.

J. V. Conroy, secretary of the G.W.V.A., Toronto district, writes as follows to the Whig:

"In an effort to encourage Canadian talent the G.W.V.A. Toronto district and York county command have arranged for a competition for 135 lb. boys in their next boxing bouts which will be held in the arenas, Toronto, Friday, January 21st, and the following conditions will apply:

"Weight 135 lbs. (give or take 2 lbs.) 6 p.m. Limited to eight contestants, who will receive \$20, qualifying and appearance, \$25 to the four winners of the first three round bouts, \$25 to the winners of the semi final and \$50 to the winner and \$25 to the runner up of the competition. The least that any boy will receive will be \$20, the runner up \$35 and the winner \$120.

We already have a few good boys and are willing to consider applications from eligible boys in the province, who should apply to J. V. CONROY, Secretary.

PRINCE ON BOXING

Visit to Tournament of Northampton Territorials.

The Prince of Wales attended a boxing tournament organized by the 4th (Territorial) Battalion of the Northampton Regiment at Northampton, and during the interval he made a speech, in which he paid a tribute to the splendid work the 4th Battalion did in the east. He said he remembered visiting one of the battalion outposts on Easter Monday, 1918. "I feel," he said, "I am somewhat of a Northampton man myself, for I have my hunting headquarters four miles away, I am very glad to see you are all so keen on boxing, one of the finest British sports and very characteristic of us Britishers. I always feel it promotes comradeship and fair play, and you ex-service men know what comradeship is, its value, and how it helped us to win the war. Comradeship is as necessary now we are trying to settle down to peace conditions; we all of us want to pull together, every section of the community."

A programme which the prince signed was sold for 350 guineas for charity.

WEARING OF U.S. FLAG IN BOXING RING STOPPED

The wearing of the American flag by boxers appearing in bouts in this state is prohibited in a ruling announced at Boston by the state boxing commission.

The ruling was made at the request of the American Legion who objected to the use of the national emblem as part of ring costume. The commission also requested that boxers refrain from making religious signs in the ring.

Canadiens, Hamilton and St. Patrick's will not permit Ottawa to use Sprague Cleghorn in the National Hockey League race.
