REPORTS ARE ENCOURAGING

At Annual Meeting of Cooke's Church—Increase in Contributions.

The annual meeting of Cooke's Presbyterian Church was held in the school room of the church on Wednesday evening, with the pastor, Rev. Taylor Dale presiding. The meeting was very largely attended, and was most enthusiastic. Most encouraging reports were presented by the church treasurer, and by the various organizations of the church.

There was a substantial increase in the contributions by weekly envelope, the consistent regular use of which was urged by the managers. Like all other organizations, the church does not escape the influence of the high prices, and the costs of operating show a steady increase. The contributions for missions and other benevolent purposes were most gratifying. Altogether over \$9,000 was raised by the congregation during the year.

The report of the session shows a slight gain in membership, notwithstanding the removal from the city of a number of families connected with the church. One member of the trustee board passed away during the year, in the person of Capt. William Simmons. C. C. Simmons, his son, was elected to succeed him. The retiring managers were Messrs. R. B. Percival, Thomas Donnelly and R. M. Douglas, and all were re-elected for a term of three years.

A very hearty vote of thanks was tendered Rev. Taylor Dale, chairman, the managing board, the choir and the several societies for their splendid work.

MILK DEPOT MEETING HAS BEEN CALLED

The Ottawa Promoters to Meet the Milk Producers' Association.

Negotiations are proceeding toward the establishment of a Kingston dairy that will be a central milk depot and pasteurizing plant capable of handling all of the milk produced in the townships near the city. The gentlemen principally interested in promoting the enterprise are Edward Clarke and Roy Clarke, father and son, and A. L. Stackhouse, director of the Produce Dairy, Ottawa. These gentlemen promoted the Ottawa Dairy that has grown to a great success, as well as the Vancouver, B.C. Dairy. They have all been successful, and it is reported that the Ottawa Dairy alone has shown receipts of \$100,000 a month. After visiting the city last week to look over the situation, they desired to meet the milk producers in order to discuss the question of supply for a local company, and interviewed J. L. F. Sproule, president of the Kingston and District Milk Producers' Association, with the result that a meeting has been called by Mr. Sproule for Saturday, when the promoters will be present.

RETAILERS RETURN

From Attending the Big Convention at Brockville.

The members of the Kingston Retail Merchants' Association, who attended the convention at Brockville this week, returned home on Wednesday. W. Y. Mills, one of the prominent members, stated that the discussions that took place were of great interest, but the question that created the most interest was taxation, and the resolution passed called upon the government to impose any revenue taxes upon goods at the point of manufacture or entry into Canada. In this way the tax will go direct to the government as an excise tax, and while the retailer will pay the wholesaler and importer in the course of distribution, he is not put to the worry and expense of making collections for the government. This view received strong support.

The Belleville, Kingston and Smith's Falls delegates invited the association to hold the next convention in these respective places, but the matter was left to the executive committee to decide.

ENTERTAINED WELL

Principal and Mrs. Taylor Gave Dinner and Tea.

Principal and Mrs. Bruce Taylor entertained at dinner on Wednesday evening in honor of the Hon. E. C. and Mrs. Drury, when the other guests were Brig-Gen. King, Brig-Gen. Ross, Anthony Rankin, M.P.P., H. C. Nickle, W. F. Nickle, J. L. F. Sproule (president Frontenac U.F.O.), Robert Bushell, Dean Skelton, Dr. J. E. Reynolds (principal Guelph Agricultural College), and J. M. Campbell.

Mrs. Taylor entertained at the tea hour on Wednesday in honor of Hon. E. C. and Mrs. Drury. Mrs. Skelton and Mrs. Arthur Clark made the tea and the party went over afterwards to convocation in Grant Hall. The guests included Sir Archibald and Lady Macdonell, Brig-Gen. and the Hon. Mrs. Shuttleworth King, Mrs. W. F. Nickle, Mrs. Anthony Rankin, Mrs. G. Y. Chown, Mrs. MacNeill, Mrs. J. C. Connell, Mrs. H. C. Nickle and Col. Brown.

Mrs. Bruce Taylor left for New York to-day to spend several weeks with Miss Leslie Taylor.

Lecture at St. George's Mission.

The St. George's mission hall was well filled on Wednesday evening, when William Waldron, in a most interesting talk, illustrated with lantern slides, carried his audience with him through noted places in France and Italy. Mr. Waldron's intimate knowledge of these countries, as a result of his frequent visits there, added much interest to his descriptions, and made his lecture highly educational as well as entertaining.

Rev. W. E. Kidd, in thanking Mr. Waldron for the pleasure given to this growing congregation, expressed the hope that a series of similar lectures would be given here during the winter.
