## GANANOQUE

Jan. 13.—The first hockey game of the local league schedule was played at the rink in the rear of the town park on Tuesday evening, and drew out a large crowd. The contestants were the Catholic Literary and Athletic Club Team (winners of the cup for 1920) and the Methodist Knights of Honor team. Victory perched on the banners of the C.L.A.C. team by a score of 2 to 1. Major Frank Mooney refereed.

The works of the St. Lawrence Steel and Wire Company was closed down on Monday and Tuesday out of respect for Dr. E. L. Atkinson, who has been at the head of that concern for a number of years. It is understood that Preman Cowan will assume the management of that company, and his place with the Steel Company of Canada will be taken by John Johnston, Montreal.

In lieu of the regular mid-week service in Grace church the local branch of the Women's Christian Temperance Union were in charge and drew out quite a large attendance. ### WORKING UP CASE

Gin and Scotch Whiskey Found in a Pigpen.

Smith's Falls News: Frank Mussel, Smith's Falls, very much excited, called up Chief Phillips by telephone on Thursday evening last. His message was to the effect that contraband goods had been found in his pigpen, placed there under some litter by some person or persons unknown. Mrs. Mussel was first to discover the goods, which were wet goods—gin and Scotch—and, telling her husband upon his return home, his first impulse was to take an axe and do a lot of smashing. But his wife restrained him. She advised him to inform the police. Chief Phillips hurried across the river to Merrick street and found forty-one bottles, also plain evidence that the pigs had broken one or two of the

bottles in moving about. There were two cases of gin complete—twelve bottles in each case—and another case containing six bottles of gin. The rest of the bottles contained Scotch, these being in bags. The hunting of evidence at once began and considerable has been found, all of which with perhaps a little more will be submitted at a session of police court on Saturday of this week.
