KIWANIS CLUB FORMED HERE

At a Banquet Held in City Hall Saturday Evening.

A new fraternity was born in Kingston on Saturday evening when the Kiwanis Club was formed. The ceremony took place at a banquet given in the city hall, which was attended by a very large delegation of members and officers from the Montreal club, the parent body, Ottawa, Toronto, London, Hamilton, Brantford and other places. The club is composed entirely of business and professional men, and while it is essentially a "boosters" club, with the word "service" as the motto, it is designed to create and foster a great spirit of fellowship, and members are required to address each other of all occasions by the christian or nick-name, failure to do so inviting censure.

Frank J. Hoag, the president, occupied the chair at the head table, at which were seated Governor "Eddie" Lesperance, Montreal; Mayor F. Plante, Ottawa; Mayor H. C. Nickle; President Taylor, Montreal; Corlies Keyes, Ottawa; Mitchell, London; Major-Gen. Sir A. C. Macdonell, Dr. J. W. Edwards, M.P., Lt.-Col. R. J. Gardner, Rev. Dr. R. J. Wilson; Lt. Governor Colebrook, Toronto; President Mitchell, London; W. E. Houghton, Ottawa; Lt. Governor Homer Hale, Hamilton, and Fred Cornell, district treasurer.

A splendid dinner was served by Reid and Hambrook, caterers, and the music was furnished by the Kingston orchestra. L. A. Gask, baritone, sang, and the Windsor choruses were sung during the course of the dinner. While the veteran Kiwanians added to the evening's enjoyment by startling features that were novel and hilarious.

The Visitors Welcomed.

President Hoag extended a very warm welcome to the visitors and then resigned the chair to Governor Lesperance, who gave a practical demonstration of the manner in which a Kiwanis club meeting should be conducted. He introduced distinguished Kiwanians in the persons of Samuel Cummings, international secretary, George Hodgson, past president, Toronto, Allan Micklejohn, vice-president, Montreal. Percy Borland proposed the toast, the Silent Boost.

After Mayor Nickle extended the city's greeting to the visitors, Governor Lesperance proceeded to call the roll whereupon each member rose in his place pronounced his name and gave his business or profession. Great amusement was caused by the failure of many to speak loud enough to be heard or give their christian names for they are called to order and fined twenty-five or fifty cents, at the discretion of the chairman, who explained that the Kiwanis Club required a benevolent fund. A considerable sum was obtained in this manner for the first requisite of a Kiwanian is prompt obedience. It is also a rule that no two men following similar occupations shall sit together at table and the Kingston chief of police and chief of the Mounted police, Ottawa, were both fined fifty cents.

Ideals of Kiwanis.

Trustee Hayes, London, spoke on the ideals of Kiwanis, and then Father Frawley in a very solemn manner presented the Kiwanis commandments, important among them

To Be Troubled With Constipation

THE CAUSE OF MANY ILLS. If you do not feel well and go to your family physician, one of the first things he will do is ask you to hold out your tongue. The reason for this is that the condition of the tongue shows the condition of the stomach and bowels.

If you allow your bowels to become constipated you will have bilious attacks, sick headaches, coated tongue, foul breath, heartburn, water brash, etc., and those troublesome piles, which cause so much annoyance and misery.

Keep your bowels moving regularly and you won't be sick. In Milburn's Laxa-Liver Pills you will find just the remedy you require for this purpose. They are purely vegetable and do not gripe, weaken or sicken.

Mr. Jas. S. Harris, Box 934, Halifax, N.S., writes: "For two years I suffered with constipation. I could not get any thing to cure me, and hardly anything would give me even temporary relief. One day my uncle induced me to try Milburn's Laxa-Liver Pills, and even brought me a vial. I tried them without much faith, but I soon found they were doing me good, and after using the second vial I was relieved of my trouble."

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

being "Thou shalt put no other club above Kiwanis." Lt.-Gov. Bert Colebrook, ex-president of the Toronto Club, spoke on social work in which he showed that the Kiwanis Club entered into everything worth while and was anxious to promote everything to help the individual man. The public affairs committee has important work to do. Kiwanis ideals and aims were given in Greek by George Ganatakos, in Italian by Hank Tosie, and in French by Adolph Dechaux, Montreal.

Kiwanian R. J. Wilson spoke on the present opportunities for the club. "We have to go forward," said the speaker, "for those who labored in the past are all dead."

Fred Cornell spoke on the spirit of Kiwanis. As international secretary he showed the wonderful growth of the institution since its inception four years ago. In two years there were formed 134 clubs with 14,000 members, last year there were 300 clubs with 30,000 members and this year there are 375 clubs with 40,000 members. It is an international organization. He pointed out the need for every club to reach out into new districts.

Gov. Lesperance advised that a member who was absent from three successive meetings be dropped from the club.

Give \$350 to Poor.

An interesting feature of the proceedings was the practical demonstration of the spirit of Kiwanis by the donation of a cheque for \$350 to Mayor Nickle to be spent on the old, poor, and those unable to work. The presentation was made by Kiwanian R. J. Wilson to Gov. Lesperance, who in turn presented it to Mayor Nickle. Mayor Nickle said he would hand it over to Mrs. John Wright, president of the Kingston Poor Relief Society. He thanked the Kingston club for such a splendid gift, and told of his experience while representing the Patriotic Fund in Kingston.

DeWolfe Reid, Montreal, who spoke on the spirit of Kiwanis said, "It is expounded in works of helpfulness, co-operation and toleration; helpfulness in town, city, country and empire; toleration of all creeds and religions and co-operation with each other in all things so that we can stand four square. The international convention takes place in Cleveland next June, and there you will learn what the spirit and aspirations of the Kiwanis clubs really are."

Trustee W. E. Houghton, Ottawa, spoke on advertising, the roll call, and the "silent toast." Joe Bars, superintendent of the boys' farm, Shawville, Que., told of the raising of \$20,000 in six days by the Kiwanians of Montreal, after he had placed the need for new buildings before them. He said that the world is learning the great truth of the brotherhood of man and the parenthood of God and the care of the weak by the strong, and the leaders of this country must recognize the fact that paternal government will solve all social differences of the next few years. We must therefore teach a more intense patriotism.

Have Fort Henry Maintained.

He visited Fort Henry and felt that it ought to be the duty of the Kingston Kiwanis Club to prevent the destruction of such a wonderful historical landmark, which ought to be an inspiration to succeeding generations of Canadians. "We must teach the masses patriotism to Canada," declared the speaker in conclusion. He was loudly applauded.

Mr. Robertson, Hamilton, spoke on attendance. Percy Clarkson, Montreal, presented the Kingston club with a beautiful pair of white rabbits. Lt.-Gov. Homer Hale spoke on "How the members may be of service to the community."

The charter issued by the Montreal Club was presented to President Hoag by Gov. Lesperance, who gave a most inspiring address on the ideals that ought to govern the officers of a club, their duty as members and citizens. President Taylor welcomed President Hoag and the Kingston members into the Kiwanis brotherhood, in a very warm manner.

The Brantford club presented the Kiwanis shield; the Ottawa club the president's medal and bogt for told feet, at which stage the president was christened by a shower of sawdust.

Neil Polson, Jr., presented the gravel, and indicted some of the objects that might engage the attention of the Kingston club. Edward Ransby, Winnipeg district organizer, was given a rousing greeting, but said that the Kingston members did all the canvassing for members, and his work was very light.

The officers of the Kingston club are, President, Frank J. Hoag; first vice-president, B. N. Steacy; second vice-president, Rev. R. J. Wilson; secretary-treasurer, George Brownlee.
