Mrs. W. Hilyard Smith, St. John's Rectory, Portmouth, received for the first time in her new home on Tuesday afternoon when the charming fire-lit rooms of the comfortable old stone rectory were filled with visitors eager to bid her and her husband, who received with her, welcome to Kingston and to St. John's parish. Miss Ethel Woodrow, Sydenham, who is the guest of her sister, Mrs. Smith, assisted her in receiving. In the dining room with its blazing fire Mrs. W. Fitzgerald and Mrs. T. W. Savary poured tea at a table with a most artistic centre of jonquils, raising their golden heads from a jar of grey green pottery set in a cloud of billowy green tulle, caught with fern and a few fallen flowers. More jonquils and ferns were about the room lending an atmosphere of spring, very welcome to the visitors, as they came in from the frosty air. Miss Elizabeth Hendrigan, Miss Graham, Miss Dorothy and Miss Norma Woodrow and the small daughter of the house, Miss Phyllis Smith, were the tea room assistants.

Mrs. G. W. Mylks, William street, entertained at bridge on Tuesday afternoon in honor of Mrs. Douglas, New York, who is the guest of her daughter, Mrs. Garnet Lockett. Three tables were in play, those being fortunate enough to win the pretty prizes being Mrs. Garnet Lockett, Mrs. E. C. D. McCallum, and Mrs. Ernest Sparks. Lovely pink and white carnations were in the cosy living room, and golden daffodils, truly harbingers of spring, were on the dainty tea table, where Mrs. Lawrence Lockett made the tea, and Mrs. James Third cut the ices.

The meeting of the Badminton Club in the Armories on Saturday was largely attended. Among those present were Col. and Mrs. G. Hunter Ogilvie, Col. and Mrs. Norman Stuart Lesslie, Lt.-Col. and Mrs. W. H. P. Elkins, Lt.-Col. and Mrs. J. C. Stewart, Lt.-Col. and Mrs. Schmidtlin, Mrs. Valentine Stockwell, Prof. and Mrs. P. G. C. Campbell, Mr. and Mrs. Hugh Ryan, Prof. and Mrs. T. Callender, Prof. and Mrs. Keith Hicks, Major and Mrs. Leach, Mrs. Howard Penhale, Miss Amy McGill, Miss Aileen Rogers, Miss Mildred Jones, Miss Laura Kiborn, Miss Margaret Hemming, Miss Mary and Miss Helen Strange, Miss Aline Rutherford, Miss Kathleen and Miss Edith Carruthers, Col. Beaman, Capt. Preston, Capt. Lee and Mr. Thackery.

There was an additional attraction at the curling tea on Tuesday afternoon as district matches were being played by rinks from Belleville, Brockville and Napanee, and many of the members of the Women's Club watched the men's play, going up afterwards for a cup of tea. Mrs. R. J. Carson and Miss W. Gordon were in charge of the tea table, their assistants being Mrs. Harold Davis, Mrs. Arthur Nish and Miss A. Fowler. There were several tables of bridge in play, so the devotees of that popular game were not robbed of their sport by other attractions.

BEWARE OF BRONCHITIS

Bronchitis is generally caused by neglecting a cold, or exposure to wet and inclement weather. It begins with a tightness across the chest, difficulty in breathing, and a wheezing sound comes from the lungs. There is a raising of phlegm, especially the first thing in the morning. This is at first white, but later becomes of a greenish or yellowish color and is occasionally streaked with blood.

On the first sign of bronchitis you should check it immediately by using Dr. Wood's Norway Pine Syrup, thereby prevent it becoming chronic, and perhaps developing into some more serious lung trouble.

Mrs. Brice Culham, Sheffield, Ont., writes:—"In December, 1919, I was very sick with bronchitis, and had to stay in the house all winter. One day I saw Dr. Wood's Norway Pine Syrup advertised, so I got a small bottle which helped me very much; then got a 60c. size, and it completely relieved me. I cannot praise "Dr. Wood's" enough for what it did. Two of my neighbors are now using it for colds."

Don't accept a substitute for Dr. Wood's Norway Pine Syrup; the genuine is put up in a yellow wrapper, three pine-trees the trade mark; price 35c. and 60c.; manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

Workman Chopped Into Piece of Loaded Lead Pipe.

New York, Jan. 26.—One man was blown to bits and three others were hurt, two of them severely, in an explosion in the plant of the Columbia Smelting & Refining Company, 365 West street, when a laborer chopped into a piece of loaded lead pipe.

While detectives of the precinct, the homicide squad and the bomb squad worked on the case, the police made it a mystery. Whether the explosion was believed to be the result of a plot against the plant or the accidental result of a bomb having been sold to it along with other junk to be reclaimed, could not be learned in the face of the secrecy with which the authorities acted.
