A headache is frequently caused by badly digested food; the gases and acids resulting therefrom are absorbed by the blood which in turn irritates the nerves and causes painful symptoms called headache, neuralgia, rheumatism, etc. 15 to 30 drops of Hober Seigel's Syrup will correct faulty digestion and afford relief.

AT CAMDEN EAST

Ladies Aid Tea Meeting—S. Brian Injured in Runaway.
Camden East, Jan. 25.—The death of Mrs. Mary Scott, Ernestown, occurred on Tuesday morning, January 18th, in her 73rd year. She was well known in this community and was a member of the Methodist church here. She leaves to mourn the loss of a loving mother, four sons and two daughters. A number from here attended the funeral service, which was held at her home on Thursday last. Rev. Mr. Latimer had charge of the service.

The W.C.T.U. met at the home of Mrs. J. W. Perry on Tuesday evening last. The meeting was addressed by Mrs. T. A. Dunwoody, Newburgh.

THE "FLU" Dare Not Return

The "Flu" will certainly get a warm reception this winter if it dares show its ugly head in our peaceful midst, for the people are confident now that they can deal it such a smashing blow it will never survive. In every village, town and city in Canada, families are fortifying themselves with the greatest "Flu" ammunition known to science—Buckley's Bronchitis Mixture. Colds, coughs, etc.—the advance guards of Flu—are met with withering fire, and relief from these troubles is sure every time. One hundred thousand Canadians are only too willing to testify to the great healing power this remedy contains. It has conquered coughs of 35 years' standing. It cannot fail to do for you what it has done for others. You have everything to gain and nothing to lose, as it is sold under a money-back guarantee to banish coughs, colds, bronchitis, bronchial asthma and prevent you from getting the "Flu." It is not a syrup, but a scientific mixture, 30 times stronger than any other cough cure. One dose gives instant relief. Price, 75 cents. Take no substitute. None genuine without my signature. Ask your druggist.

Open Water Dangerous.
A citizen calls attention to the stretch of open water being made by the tug Thomson in front of the wharves, and asks why some danger sign has not been placed around it to warn people going to or coming from Wolfe Island. This area broken up by the tug freezes over each night, and is a positive danger spot.

Miss Grace Ponton Dead.
Miss Grace Ponton passed away Monday morning at Sidney Cottage, Belleville, the old homestead of the family of Hutton and Ponton, since 1830. An honored and active member of St. Andrews church, she will be missed by members of all churches to whom her smile and gracious words were always welcome. She is survived by her two brothers, Col. W. N. Ponton and Douglas Ponton.

Mrs. Joseph T. Towriss Dead.
Mrs. Joseph T. Towriss, a former resident of Glen Buell, died Saturday at the residence of her son-in-law, C. F. Fawcett, Tweed, Ont., after a short illness, aged eighty-two years. Besides her husband she is survived by two daughters and three sons.

Use Up the Fund.
A Perth man, George F. Crowe, writes to one of the newspapers there suggesting that the present juncture, with so much unemployment prevalent, would be an opportune time for the distribution among those entitled thereto of the 130th Battalion funds. Indeed he holds that distribution should have commenced in the autumn. Mr. Crowe declares that "members" of the 130th of Perth and district are continually asking about the fund, but apparently get no satisfaction.

How Horse Was Rescued.
Reference was made in the Whig on Tuesday about a horse which broke through the ice in the harbor, being rescued. It appears that on Monday noon the horse, owned by the Kingston Milling Company, walked out of the stable, of its own accord, and ran along Ontario street, and on reaching Barrack street, turned on to the ice, and broke through near the Montreal Transportation Company's elevator. The horse swam alongside the tug Thomson. A line was secured by Mrs. T. A. Dunwoody, Newburgh.

S. Brian met with an accident near Enterprise, while passing a tractor where the road was narrow. The horse took fright and he was thrown from his cutter into the wheel of the tractor, cutting his head and face.

Mr. and Mrs. Bert Amey, Deseronto, were the guests of his parents, Mr. and Mrs. Joseph Amey, for a few days. Wellesley Patterson and son, Willy, Saskatchewan, are visiting at J. W. Stewart's, and with other friends. Mrs. John Skinner, who has been ill for a few days, is better again. Mrs. King returned home to Toronto on Friday. Mrs. Charles Histed spent a few days with her son, Herbert Histed, and family, Deseronto. Miss Martha Johnston is on the sick list. Mr. and Mrs. A. Gordanier, Eiginburg, spent a few days with friends in the village. Mr. and Mrs. A. Dickson entertained friends on Friday evening.

The Ladies' Aid tea meeting, held in the hall on Friday evening, was a decided success, despite the bad condition of the roads. Rev. Mr. Stewart, Harrowsmith, acted as chairman. Rev. Mr. Everson, Yarker, gave a fine address. Sim. Storms and daughter, Marjorie, Wilton, delighted the audience with duets. Miss Stewart, elocutionist, gave splendid selections. Mr. Thomson also gave two musical selections, and last, but not least, the choir rendered some choruses.

The many friends of Mrs. Fred Walker are glad to hear she is improving. Mrs. Lucas and daughter have returned home. The library board met at the home of R. W. Longmore on Monday evening.

Revival Services Begun

Was Lost in Lanark County.
W. G. Jones, Beachburg, Renfrew county, had a unique experience the other day when he received a small parcel in the Beachburg post office. The parcel contained a folding wallet with no name or address but on the outer wrapper was the name and address of the sender. Mr. Jones at once recognized the wallet as the one he had lost sixteen years ago when he was then living at Balderson, Ont. The wallet was then presented to him by a young lady who is now Mr. Jones' wife. Shortly after receiving same he lost it and never heard any more about it during the past sixteen years until it was returned to him by a gentleman in Wollesley, Sask.

Rose Brothers' Re-Union.
An event quite out of the ordinary occurred Sunday, Jan. 24th, in Deloraine, Manitoba, when all the Rose Brothers, four in number, came into Union church together, the first time since they were boys or young men in old historic Switzerville, Lennox county, the oldest Methodist church then in use, and where the first Methodist conference was held. There they always went with their father and mother, Mr. and Mrs. Archibald Rose, and filled up the family pew, brought up to attend regularly the services of God's House, from which they have never departed. Robert A. Seattle, Wash.; James M. Deloraine; Nelson D. Napinka, Man., and Geo. A. Deloraine. They are all past middle life, in fairly good health, and looking young for their years, although hard working, men of integrity and not easily turned aside from what they felt to be right. They have been for years officials of the church they love.

Eat Enough A Safe Rule

Have No Fear of Sour Stomach, Gasiness, or Distresses Due to Indigestion or Dyspepsia.

From the daily food the system must have a diversified supply of materials or parts of the digestive

machinery will quit for lack of work. Therefore, to cut down food or go on a starvation diet calls for a degree of selective knowledge that very few men possess. The best plan is to eat anything you like, and as much of a variety as possible. Follow meals with a Stuart's Dyspepsia Tablet and you supply the stomach with an alkaline effect which enables digestion to go on without gasiness, rumblings, water brash, biliousness, coated tongue, abnormal thirst, and the feeling of drowsiness after eating. Get a 50 cent box of Stuart's Dyspepsia Tablets at any drug store, and you will realize why so many physicians have recommended them for indigestion and dyspepsia.
