

A Quick Relief for Headache

A headache is frequently caused by badly digested food; the gases and acids resulting therefrom are absorbed by the blood which in turn irritates the nerves and causes painful symptoms called headache, neuralgia, rheumatism, etc. 15 to 30 drops of Fisher's Syrup will correct faulty digestion and afford relief.

DON'T SUFFER WITH NEURALGIA

Use Soothing Musterole

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief. Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable.

SALEM.
Feb. 5.—In Belleville on Wednesday the death occurred of Arden L. Blakely, only son of Mr. and Mrs. H. Blakely, Coneseon. He had been ill only a week of pleural pneumonia. Deceased was born in Salem, and had spent his life here until about three or four years ago when he gave up farming and moved to Belleville, engaging in the insurance business. His work was attended with much success and his early passing is a great regret to a large circle of friends. He was nearly thirty-seven years of age, and besides his parents and one sister he leaves a wife, formerly Miss Edith Ward, Coneseon, three sons, Reginald, Ronald and Malcolm, and a daughter Mary. Much sympathy is extended to the bereaved ones in their great loss.

ARDEEN.
Feb. 7.—The funeral of the late Oakland Card, son of Mr. and Mrs. Hiram Card, of this place, who died at Chaumont, N.Y., on Jan. 28th, was held on Feb. 2nd. Interment was at Brownville, N.Y. The late Mr. Card was born in Arden where his early life was spent. About fourteen years ago he moved to Chaumont, N.Y. He married Miss Mildred Phelps, daughter of Benjamin Phelps, Brownville, on July 4th, 1914. He was a member of Chaumont Grange. The late Mr. Card had been in ill-health for the past three years. Surviving besides the widow and parents are three children, Inez, aged five years, Earl aged three, and Benjamin, aged two. One brother, Leonard, who lives in Laura, Sask., seven sisters, Misses Jennie and Olive at Arden; Marjorie, Cleveland, O.; Mrs. Fred Stander, British Columbia; Mrs. Daniel Fisher, Watertown, N.Y.; Mrs. Marcus McFarland, Depauville, N.Y. The father and mother were at the funeral returning home Friday, 4th. The sorrowing friends have the sympathy of this community in their bereavement. The late Mr. Card was a prosperous farmer at one time but owing to ill-health had to quit. He will be remembered by a great many in this locality.

Kenneth Leeder is enjoying a few holidays with friends in New York state. Frederick Moore spent Friday last in Brockville. EVENTS AT SYDENHAM High School "At Home"—Play Presented by the Dramatic Club.

Sydenham, Feb. 7.—On Friday evening the high school assembly hall presented a gay and most attractive appearance on the occasion of the annual "At Home," given by the staff and students. Many former students at the school, besides out-of-town guests, attended the function. Dancing commenced at eight o'clock, music being furnished by Allen's orchestra, Kingston. Light refreshments were served during the evening. The patronesses were Mrs. J. Duff, Miss Hunter, Miss Morrow and Miss Tovell. The committee in charge of the procedure looked well after their work, and added much to the enjoyment of the many who were present.

"The Young Village Doctor," the Sydenham Dramatic Club's play, was presented here last Wednesday evening in Wesley hall. The hall was crowded. The play was given in good form, and scarcely a hitch occurred during the whole performance. The cast of characters was well made, and this added to the effectiveness. Between acts music was furnished by the Novelty Six orchestra. The stage settings were well looked after, and the electric foot-lights showed off the actors to advantage. The concert was arranged by the Women's Institute.

There was considerable jubilation in the village on Wednesday evening when news reached here that the local hockey team had beaten Verona. The game was a crucial one, and the local boys did well to come out with flying colors. Regarding the talk of the ineffectiveness of one of the players the club feels fairly certain of its position, and does not believe it violated any rule.

Miss L. Foster left last Tuesday for her home in London, where she will take a rest to recover from her illness.

The condensery has added a new whistle to its establishment, which serves both as a warning to its employees, and as a guide for the timepiece in the village.

A social evening for the young people of the Methodist church was held in Wesley hall on Friday night. The attendance was good, and every one voted the evening a success. Games in which all could indulge were played for several hours with great enjoyment. Refreshments were served toward the close, to which justice was happily done. The evening's entertainment was brought to a conclusion by the singing of "Auld Lang Syne" and "God Save The King."

Two runaway accidents occurred on Friday afternoon, but nothing serious resulted from either of them. One team of horses started from the grist mill with the wagon full of bags, and came up the street till they reached the Union hotel, when they turned up Wheatley street, and did not stop till halted by some boys at the public school. The other happened near the railway station, and in this the sleigh was damaged to some extent.

Mr. Garvin, Belleville, was a recent visitor with his parents here. Mrs. E. B. Lytle spent a few days with her sister, Mrs. (Dr.) Tovell, last week.

Among the week-end visitors here were: Miss Ruth Read, Queen's, Kingston, with Miss Aloysia Hogan, Kingston, with her parents; Frank Roche, Wolfe Island, with his mother; Miss Marion Clow, Ottawa, with her parents.

A number from here attended the hockey match at Harrowsmith Saturday afternoon, where Verona turned out the winner.

Mr. and Mrs. Quinn, Burridge, are visiting with the latter's mother, Mrs. Freeman. Quarterly sacramental service was observed in Grace Methodist church on Sunday morning, and was characterized by a very large attendance. A reception service was also held, and twenty-two united in membership with the church.

BEWARE OF BRONCHITIS

Bronchitis is generally caused by neglecting a cold, or exposure to wet and inclement weather. It begins with a tightness across the chest, difficulty in breathing, and a wheezing sound comes from the lungs. There is a raising of phlegm, especially the first thing in the morning. This is at first white, but later becomes of a greenish or yellowish color and is occasionally streaked with blood.

On the first sign of bronchitis you should check it immediately by using Dr. Wood's Norway Pine Syrup, thereby prevent it becoming chronic, and perhaps developing into some more serious lung trouble.

Mrs. Brice Culham, Sheffield, Ont., writes:—"In December, 1919, I was very sick with bronchitis, and had to stay in the house all winter. One day I saw Dr. Wood's Norway Pine Syrup advertised, so I got a small bottle which helped me very much; I then got a 60c. size, and it completely relieved me. I cannot praise 'Dr. Wood's' enough for what it did. Two of my neighbors are now using it for colds."

Don't accept a substitute for Dr. Wood's Norway Pine Syrup; the genuine is put up in a yellow wrapper; three pine trees the trade mark; three pine trees the trade mark; manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Discovered an Honest Thief.
St. Louis, Iowa, Feb. 8.—F. D. Hays, railroad yardmaster, who was held up and robbed of \$12 the other night, declares that he has discovered an honest thief. He found the following note at his office: "I'm the fellow who robbed you. I was broke and out of a job and my wife and kids were going hungry. But I got a job here and as soon as I get a little money ahead I will return what I stole from you."

Hays said if he knew who the man was he'd give him "another \$12 for being so honest."

Lots of men wouldn't know what to do with their money if they should ever get out of debt. The love that never grows less is the love for money.

PUT STOMACH IN FINE CONDITION

Says Indigestion Results From an Excess of Hydrochloric Acid.

Undigested food lathered in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sour in the stomach much like garbage sours in a can, forming acid fluids and gases which inflame the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

INVERARY JEAN BAND.

Inverary, Feb. 5.—Miss Effie Hunter, Miss Gertrude Gibson and Miss Vera Calvers are visiting friends in Kingston. The offering for the China famine sufferers came to \$61.17. The members of the dramatic club are getting up the play "Miss Burby's Boarders," to be given probably this month.

If you are driving within a mile or so of Inverary and hear music you cannot locate, if it is good and strong and you are not sure about its sweetness, you may decide it is the Inverary jazz-band practicing. It will be heard from later in its full efficiency.

After putting up a bluff a man is sure to stumble over it.
