Many a wife would like to go away and take a vacation only she knows that her fool-husband would feed the poor canary bird on dog biscuits and fill the poodle's plate with bird seed.

WHEN THE BAND GOES MARCHING BY--

—everybody stops to look and listen. Eager faces crowd every window. Footsteps just naturally fall into time. The kiddies are full of excitement. All of which shows how the power of music stirs the soul.

And you can have Music in your home every day—music that is enjoyed by every member of the family.

Have YOU got a Phonograph?— a Piano or Player Piano?

If you have, you wouldn't be without them for any price.

If you haven't, you are missing a source of pleasure, the value of which cannot be measured in money.

Visit our Music Room and ask to hear a Nordheimer or Steinway Piano, Aeolian Phonograph, or Columbia Grafonola or a Victor Victrola with your choice of Victor Records.

Payments arranged.

Meeting of Kingston Health Association—Resolution of Condolence Passed.

The Kingston Health Association, which established the Sir Oliver Mowat Memorial hospital for tubercular patients and which in October, 1916, leased the sanatorium to the Dominion government, met on Thursday in the Board of Trade rooms and re-organized. The officers selected were Dr. J. C. Connell as president, J. G. Elliott, honorary secretary-treasurer, and Miss E. A. Hunter as acting secretary.

Prior to proceeding to business the following resolution of condolence was adopted:

Moved by J. G. Elliott, seconded by G. V. Chown: That this association marks with sincere regret the death of its president, Angus J. Macdonell, who from the inception of the organization displayed zeal, enthusiasm and splendid business judgment in the work the association had undertaken. He watched with keen interest the development of the beneficial work of the sanatorium and was keen and earnest in projecting all plans for the work which had a real place in his mind and heart. As president he was a capable, energetic head. As a friend and associate of the governors he held a warm place in their affections and with sincere sorrow we have learned of his passing into the great beyond. The association offers heartfelt condolences to those bereaved.

During the interregnum the association has lost by death the following governors: Vice-President H. R. Duff, Dr. R. K. Kilborn, Messrs. R. Meek, R. J. McKelvey and Prof. Cowd. Sympathetic and fitting tributes were paid to the deceased.

After discussion the governors concurred in extending the lease of the hospital to the Dominion government until August 10th, 1923 and thereafter from year to year. A committee of Dr. J. C. Connell, W. F. Nickle, K.C., and J. G. Elliott was named to consider the future conduct of the institution and to take such action as is deemed desirable. It was felt that the institution was too large a character to be carried on as a local institution and endeavors will be made to have it maintained as a federal or provincial sanatorium. It would be a great loss to scrap such a fine equipment as the Dominion government has provided for the care of the soldierly suffering from tubercular complaints.

Those present at the meeting were Drs. J. C. Connell, D. E. Mundell, W. T. Connell, R. J. Gardiner, W. Gibson, E. C. D. Macallum, Messrs. G. Y. Chown, J. A. Minnes, S. Trotter and J. G. Elliott.

A CHINESE LADY APPEALS FOR FUNDS

For Hospital in Southern China — Attends Chinese Sunday School Banquet.

On Thursday evening the Chinese of the city who attend at Sydenham street Methodist bible school, entertained their teachers to a banquet in the lecture hall of the church. The party consisted of eighty-five, of whom thirty-five were Chinese.

The special feature of the evening was an address given by Miss Chew, M.A., a graduate of the University of California. This Chinese lady stated that her visit to the city was for the purpose of collecting funds for the erection of a hospital in southern China. Miss Chew has visited many places in the United States, and had been successful in collecting about \$100,000. She is now visiting the towns and cities in Canada. Since she came to Kingston on Wednesday, she had been successful in obtaining \$400 from the local Chinese.

Miss Chew said that one reason for collecting this money was that she thought it was her duty to do something for the country of her birth. Her brother, who entered the university the same time that she did, intended to graduate as a doctor but he was killed by an automobile in California.

Short addresses were given by Rev. W. T. G. Brown, E. P. Jenkins, R. F. Graham and A. Shaw. After the supper, a social time was spent.

The Chinese department of Sydenham street bible school, which is under the direction of R. H. Ward, is doing a great work.

Asks Separation.

The first Chinese woman of Canada to avail herself of the Dominion divorce law is Mrs. Wong Lai of Vancouver, who has petitioned the court for a legal separation from her husband.

Kingston Old Boys of Toronto Propose Visit Here Next Summer.

Following a recent meeting of Kingston Old Boys in the I.O.O.F. hall, College street, Toronto, a discussion was raised over the proposal to hold a motor trip to Kingston in the summer. This excited great interest, and every owner of an automobile will be asked to join a motor procession to the old limestone city. This will likely take place about Dominion Day. The arrangements for the trip will be discussed at the next meeting of the executive committee.

It is hoped that the Kingston Automobile Club may take up the scheme at this end, and co-operate in every way possible to make the visit of the Old Boys one of complete enjoyment. G. Russell Donaldson, Toronto, is taking an active part in promoting the automobile trip, and he expects that one hundred cars or more will be required to bring the visitors down. The trip over the "Kingston road," as the new highway is now called, will be one of the most delightful as the roadbed is in fine shape. It is expected that the cars will leave Toronto at 8 a.m., have a picnic lunch at some beautiful spot on the road, and reach Kingston about 5.30 p.m.

LATE MRS. MARY J. SCOTT.

Was Born in Kingston Township in 1847.

Mrs. Mary J. Scott, widow of the late George Scott, passed away at her home on January 18th.

Deceased was born in the township of Kingston, near Portsmouth, in 1847. She was the daughter of the late Marmaduke Willborn.

In 1873 deceased was united in marriage to George Scott, of the Bath Road. They were blessed with ten children, five boys and five girls. In 1881 Mr. and Mrs. Scott, with their family, moved to Ernestown to the old Johnston farm, three miles southwest of Camden East, where part of the family still reside.

In 1887 Mr. Scott passed away. Mrs. Scott was left alone to fight life's battles with eight children. She was ever bright and cheerful and struggled bravely in the noblest of earthly vocations—that of a mother and home-maker. She was a woman of unusual ability and sound judgment, honest and upright in all her dealings. Her kindly interest extended beyond her home. She was always ready with a helping hand in times of need or distress.

In religion she was a member of the Methodist church from childhood, but through infirmities and cares for many years was prevented from regular attendance at the sanctuary.

Mrs. Scott's passing away has left a great grief in her home which can never be healed and a sorrow in the community.

One brother, eleven grandchildren and six children survive. Three daughters and one son predeceased her. Harry is located at Ladour, B.C., Fred and Mrs. Whitely reside in Montreal. Lillia a trained nurse, Percy and George at home.

The funeral service was conducted by deceased's pastor, Rev. Mr. Latimer, at her home. The remains were placed in Riverside vault, Napanea, and will be taken to Cataract in the spring and placed beside her father, who predeceased her thirty-three years ago.

VISITED HIS OLD HOME HERE

H. C. Gage is Now Located at Craig Kyle, Alta.

H. C. Gage, Craig Kyle, Alta., has left the city for Paisley, Ont., after three weeks' visit with his father, Richard Gage, who is eighty-seven years old. He also visited his brothers, D. B. and J. R. B., of this city.

It is twelve years since Mr. Gage left Kingston and he noticed many changes and improvements in the limestone city. He is employed in farming in the west, having bought one whole section containing 640 acres. His son, George, helps to till the land, which averaged twenty-seven bushels of wheat to the acre last year, with fifty bushels of oats.

Mr. Gage states that the cattle in the west run in the open all winter and feed on the large oat stacks which cover a half acre of land. The cows burrow under the straw when it is cold and warm and healthy. They work with five and seven horses on the seed drill and plow. Mr. Gage and a neighbor have bought a threshing outfit and thresh their own grain. They do not go in for very much dairying, principally raising fat cattle for the meat market.

Mr. Gage is a harness maker by trade, but prefers farming in the west. On his trip home he will visit at Toronto, Paisley, and Winnipeg, where he will visit his brothers. He expects to arrive at Craig Kyle about the last of February. While here he was able to obtain a splendid snapshot of the big German guns to give Capt. McCrimmon, who helped to capture it. Capt. McCrimmon resides at Craig Kyle and is a close friend of the former Kingstonian.

TWICE TOLD TALES

News of Kingston

TEN YEARS AGO.

Walter Telfer, proprietor of the British-American Hotel, is suing Dan's Bulletin, of Toronto for \$50,000 damages. Dan's printed a statement that the hotel was bankrupt but corrected the statement later.

At a sale on the farm of Robert Shannon, Sunbury, registered cows brought \$265 and grade cows as high as \$91.

Richard Waldren, dry goods merchant, fell outside his own home this morning and broke a bone in his wrist.

Hon. Adam Beck will submit a power proposition to Kingston in a week's time.

Work is expected to commence in the spring on the new dormitory at the Royal Military College.

Would Not Have Helped Any. Mrs. Jarkinson was much perturbed to learn that her nine-year-old hopeful had been engaged in a pitched battle with the bad boy down the street. Therefore, she summoned Horace for an accounting. "When," she demanded, "that awful boy threw stones at you, why didn't you come to me and tell me instead of throwing back at him?" "Tell you, mother!" said the boy, with unfeigned astonishment. "Why, what good would that have done? You couldn't hit a barn door."

Baby Bombs.

"Baby" incendiary bombs, which British aircraft used during the war, were so small that a Handley-Page aeroplane could carry 4,000 of them. In six weeks 85,000 of these bombs were dropped on German industrial towns.
