W. F. NICKLE HEADS LIVE STOCK MEN

Ask Ontario Government to Secure Reduction in Freight Rates.

Toronto, Feb. 11.—Representing the live stock interests of Eastern Canada, a deputation headed by W. F. Nickle, K.C., Kingston, waited upon the Drury cabinet to-day to draw the attention of the government to the high freight rates which, in view of falling prices and increasing costs, are seriously handicapping the live stock business. The prime minister gave the deputation a sympathetic hearing, and the cabinet will likely give support if the live stock men make application for a reduction of freight rates as applied to live stock.

Toronto, Feb. 11.—Premier E. C. Drury in the capacity of a private citizen came out boldly yesterday and said he would do all he could to secure an affirmative vote on the referendum, April 18th, on the question of stopping the importation of intoxicating liquors into the Province. The Premier took the position it would be improper for him to take a stand on this question as Leader of the Government, it having been referred to the people.

Canadian Bootlegger Falls for U.S. "Bull"

Ogdensburg, N.Y., Feb. 11.—A story received here from St. Catharines, Ont., is to the effect that a Canadian who took across the river a boatload of liquor valued at \$5,000, upon reaching his landing place on the American side, was obliged to yield his cargo to an official-looking individual, who covered him with a gun and "confiscated" the load. It later developed that the confiscating was nothing more than a holdup by a bandit bootlegger, not in the ring with which the Canadian was co-operating.
