ON THE HUMAN SIDE OF GREATNESS.

By Edgar A. Guest.

My boy and I were walking yesterday
And met a great man known to
worldly fame.
He smiled upon the lad and asked
his name.
Talked of the sports the youngster
loves to play,
And stroked his head in my familiar
way.
And wished his son had such a
sturdy frame;
Listened to all the young lads had to
say
As though from their rich pearls
of wisdom, came.

When he had said good-bye and wandered on,
I saw the boy's eyes follow him,
and then,
"Oh, dad!" he cried, "he's just like
Uncle John
And you and Mr. Brown and other
men!"
For such a truth 'twere well worth
going far.
He'd learned how human great men
really are.

PILES
Are Generally Caused by CONSTIPATION.

There are few, if any, complaints more common than hemorrhoids, or piles, as they are commonly called, and scarcely any which cause more trouble, annoyance and misery.

Ninety per cent. are troubled with them at some time or other, owing to allowing the bowels to become in a constipated condition.

Piles are classed under three headings, i.e., itching, bleeding and protruding, and the excruciating pains which accompany them cause misery which is beyond description.

Ointments and suppositories may help and relieve for a while, but to get rid of them, it is necessary to have a free, easy and natural motion of the bowels, at least once or twice a day, and by doing this the cause will be quickly removed.

Milburn's Laxa-Liver Pills regulate the flow of bile to act properly on the liver and bowels, thus removing the constipation and all its allied troubles.

They contain no calomel or drastic mineral ingredients, being purely vegetable. They are small and easy to take, and do not gripe, weaken or sicken.

Milburn's Laxa-Liver Pills are 25c. a vial at all druggists or dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Divide the Pot.
A wager added zest at a charity drive luncheon to speculation as to what figure would be reached by the day's subscriptions. A group of committee chairmen, seated at one of the tables on the platform, each had jotted down on a piece of paper his particular estimate. Also each had contributed 25 cents for the pot to go to the man making the nearest guess.

Along that table, gathering up the emptied dishes, came a waiter. A black hand reached past and fingers schooled in tip-taking cleared the saucer of the assembled quarters.

"Thankee, suh, thankee," said the owner of the pocket into whose ample folds the occasion, but catching the humor of the situation, he effected a compromise whereby the negro waiter and the winner divided the pot between them.

Even when a man falls at everybody else he can always become an efficiency expert and tell other men how things should be done.
