Varsity Juniors Have 4-Goal Lead

In the first of the games for the intercollegiate junior-hockey championship, Varsity III defeated Queen's III in Toronto on Saturday by 5 goals to 1, and will therefore come to Kingston for the final game with a lead of four goals.

In the first period Varsity counted after three minutes play, when Plaxton, with a long shot from the wing, bulged the net. Grey tallied the second goal with a drive from short range. Varsity 2, Queen's 0.

In the second period, after receiving a pass from Walters, Grey notched another goal, and Johnson scored for Queen's. Munro also boosted the Varsity score on a lone rush. Varsity 4, Queen's 1.

In the third period Varsity got the only goal through Fisher. Sensational goal-keeping by both Quinn and Sullivan kept down the score. The Line-up:

Varsity III	Goal	Queen's III
Sullivan	Left defence.	Quinn
Munro	Right defence.	Reynolds
Walters	Centre.	Emery
Grey	R. wing.	McDonald
Fisher	L. wing.	Johnson
Plaxton	Sub.	Nichol
Smith	Whitlock	
Taylor	McWilliams	
James	Germond	
Referee—Davis, McGill.		

Joseph Gray, Kaladar, has sold sawmill and extensive timber limits to Mr. Shaw, Toronto, for a nice little consideration.

Wolfe Island Wins From Cataraqi, 4-2

The Wolfe Island hockey team defeated Cataraqi in an exhibition game at the covered rink on Saturday afternoon by a score of 4 to 2. At the end of the first period the score was 1 to 0 in favor of Cataraqi, but the Wolfe Island boys registered twice in the second twenty minutes. The winners had the better of the argument. Dick Spoor at center ice was too fast for the Cataraqi forwards. He was able to get down the ice many times and got right in on Simpson, the Cataraqi goal tender. Were it not for the fact that Simpson played a wonderful game the score would have been larger. Eddie Elliott, who figured on the defence for the Cataraqi team. It is some years since he has played hockey, so he was naturally a little out of the tricks of the game. A number of times he rushed the ice and it looked as though he was going to score.

The Wolfe Island team played a better game than they played against Sydenham. The players tried to work some combination and were able to get away with it. Spoor skates too fast for the other forwards to keep up with him.

In the first period the Cataraqi score was made by Shewell, who rushed down the side and shot a hot one on the net. In the second period Spoor and Davis did the scoring for Wolfe Island team. Spoor made the first score in the second twenty minutes. Shewell made the second counter for his team. Before the bell rang for the finish O. Davis made the score four to two in favor of Wolfe Island. The teams:

Wolfe Island	Goal.	Cataraqi.
Ryan	Defence.	Simpson
H. Davis	Centre.	Elliott
Offord	Centre.	Cooke
Spoor	Wing.	Barry
C. Davis	Wing.	Shewell
Friend	Spare	Cliff
O. Davis	Greer	
Kenney	Hogan

To Adopt O.H.A. System.

Hamilton Herald:—The N.H.L. is going to adopt the O.H.A. penalty system next winter. That's something to be thankful for. The present system is a huge joke and the league officials are at last learning that a change is absolutely necessary. Referee Cooper Smeaton, of Montreal, who was here last night to handle the Hamilton-St. Pat's game, is authority for the statement that the N.H.L. authorities have practically made up their mind to change over and make the game worth while. With the O.H.A. penalty system in vogue there'll be no room for the chaps who are always anxious to hand out a butt-end, or do some other "dirty" trick.
