Many Have Taken License.
Up until the present time the local
issuer of motor licenses has issued
about seven hundred 1921 licenses.
It is expected that there will be a big
rush for licenses now that the mild
weather has arrived.

Harlem.

Automobile owners had better get
their 1921 licenses or else they will
be summoned before the police magis-
trate. The chief of police has in-
structed the constables to stop all
motor cars that do not carry the 1921
license.

NOTICES ABOUT TRAPPING

**Each Wolfe Islander Must
Keep to His Own
Marsh.**

Wolfe Island, Feb. 23.—Absence
of snow has made it very difficult
for the farmers to haul their produce
and it necessitated a great deal of
laborious work in transit, as both
sleigh and wagon are used to reach
the market, the ice not being of suf-
ficient strength to attach the horses
to the load. Therefore a light sleigh
was hooked ahead with team attach-
ed. It is only those who are accus-
tomed to travelling on ice who would
attempt to haul a load on it at any
time this winter. Several narrow es-
capes have occurred but not any ser-
ious ones until the drowning of Mr.
Hough's team last week.
Repairs are being rushed on the
steamer Wolfe Islander. An extra
gang of men have been placed at
work upon her to get her in readi-
ness in anticipation of an early open-
ing of navigation. Islanders are
pleased to note that the council in
their good judgment have re-engag-
ed the captain and engineer at an in-
crease in salary. Henry Hogan, as-
sessor, has about completed his
work.
Dr. Doyle, Tweed, made a short

Build Summer Homes.
Sarsfield McGuire is stated to have
sold his property in Seymour town-
ship, situated about two miles from
Healey Falls, to Messrs. Mann and
McClure, Toronto, for \$5,000. The
new proprietors, it is stated, will er-
ect a number of summer cottages up-
on the property.

Perth Man Has Contract.
The property at Lombardy known
as the O'Reilly Hotel has been pur-
chased by the South Elmsley council
to be made into a township hall and
work of alterations is rapidly
proceeding with M. Rabb, Perth, as
the contractor. It is proposed to have
a grand opening entertainment after
Lent.

Mothers—Be Careful.
Much of the trouble in weaning
the baby is developed by the use of
a cheap and unsanitary nipple. The
Nobility nipple is sterilized and is
sanitary, transparent, and non-col-
lable. It is put up in a separate
box with a red band on each nipple.
You will meet with the doctor's ap-
proval if baby uses a Nobility nipple.

Had to Destroy Herd.
W. E. Tummon, Crookston, Hunt-
ington township, has for some time
been noted as a breeder of thorough-
bred Ayrshire cattle. Recently it
was suspected that some of his cattle
was suffering from tuberculosis and
twelve were sent to Guelph to be test-
ed for this disease. There it was as-
certained the animals were affected
to such an extent that they were de-
stroyed. All were high class animals.

To Erect Memorial Hall.
A memorial hall will be erected at
Warkworth to mark the sacrifice of
the men from Percy township who
gave their lives in the war. Percy
township council, at its last meeting,
elected a committee, consisting of
Geo. Bowen, Rev. Mr. McGillivray,
Father Ferguson and H. L. Walker,
to act with the council in connection
with the erection of the memorial.

Died in Detroit, Mich.
On Feb. 22rd there passed away
at Detroit, Mich., a former resident
of Gananoque in the person of Mrs.
Hiram Windover. She was a daugh-
ter of the late John McFadden, Pitts-

burgh township. She was twice mar-
ried, her first husband being the late
E. H. Latimer, Jr., by whom she had
two sons, Earl, Watertown, N.Y.,
and Edward in Detroit. Her second
husband and a son also reside in
Detroit.
Calvary Church Active.
Those who attended Calvary
Congregational church on Sunday
enjoyed two very fine sermons. Rev.
A. F. Brown, the pastor, occupied the
pulpit at both services. In the even-
ing Mr. Brown took as his text James
1:26 "If any man among you seem to
be religious and bridleth not his ton-
gue but deceiveth his heart, his reli-
gion is vain." He brought
out the power of the tongue for both
evil and good. Calvary has the large-
est Sunday school proportionately
than any other church in the city.
Sunday the attendance was 130, the
average being 125. The pastor and
the members of this church are doing
a big work in the north end of the
city.

**YOU CAN RELIEVE
A COLD IN A NIGHT**

Home Remedy in Capsule Form
Which Does the Work.

People who are accustomed to the
idea that a cold must "run its
course" may be surprised at the
above statement, but its truth is
vouched for by a selling record of
many years in all parts of Canada.
You need not fear a cold or its after-
effects if you have a box of Grip-Fix
in the house.
Grip-Fix contains just the ingredi-
ents physicians use for treating a
cold. It comes in capsule form and,
taken at the start of the cold, rarely
fails to give relief in a single night.
If the case is one of grippe, the con-
tinuance of the treatment for 24 to
36 hours will be effective.
No person need be afraid to use
Grip-Fix. It contains only ingredi-
ents such as are approved by physi-
cians, and are generally used by
them in such cases. These ingredi-
ents are printed on each box cover.
Be prepared in case colds come.
Have a box of Grip-Fix in the house.
All druggists have it, 35c. per box.

**BOILS SO BAD
HAD TO
GIVE UP WORK**
From the days of Job, up to the
present time, boils have been one of
the afflictions of the human race.
All the poultices and lancing you
may do will not prevent them from
breaking out again.
Boils are simply caused by the bad
blood bursting out; and the bad
blood must be made pure before the
boils will disappear.
Burdock Blood Bitters, which has
been on the market for over forty
years, is well known as the greatest
blood medicine procurable.
It purifies the blood by removing
every particle of foul matter from the
system, and when this is done the
boils vanish, and you should never
be troubled again.
Mr. James Fahey, Newport Island,
Que., writes:—"I was troubled with
boils on my back and neck, so bad
that I was obliged to give up work.
I tried several remedies, but got no
relief. Finally I went to a doctor,
and he treated me for several weeks,
and all without benefit. At last a
friend told me of Burdock Blood Bit-
ters, so I decided to give it a trial. I
got three bottles, but before I had
taken two the boils were all gone. It
is eight months now, and I have had
no return of the old trouble, and have
never felt so well."

DEATH OF STELLA LADY
The Late Miss Mary Ann Speers,
Aged Eighty-Seven.
Stella, Feb. 23.—The Islanders are

houses are being filled.
There passed to rest at her old
home on the bay shore on Thursday
morning, February 17th, one of the
township's oldest and respected resi-
dents in the person of Miss Mary

Mr. and Mrs. Alex. Speers. Deceased

member of St. Paul's church. She
was eighty-seven years of age. One

W. McCree, thence to Glenwood
