Save Your Eyes

The Child

It has been proved that 90 per cent. of backward children have defective eyesight—our own records show that children after having their eye defects corrected—advance much faster in school.

THE ORAKSHAN CLUB

"When we voted to sustain the Ontario Temperance act, we did so upon the understanding that it was to be revised and made a little less severe," said the president of the Orakshan Club. "We voted for the general principle of the act, but we didn't vote to send men to jail for months because their appetite leaned to liquor instead of something else. A week ago a citizen was sent to jail for three months because he refused to betray a confidence. Somebody had supplied him with liquor and he played the honorable part in refusing to divulge the name of the party who quenched his thirst. For being honorable, he must go to jail. That's your O.T.A. for you."

"Yes, it's a wonderful act," said the doctor. "Down here in Kingston the police authorities think they are bound to carry out every clause of this Tory government measure, just as old Shylock demanded that his bond should be fully met with a pound of flesh, but up in Toronto the magistrates ignore much of the act. They haven't time to enquire into where a man got his liquor. With them it is just 'ten dollars and costs' for every drunk, and that is sufficient. Why send a fellow to jail just because someone outside his own household supplied him with grog?"

"Well if Toronto passes up this rotten clause, why can't we do the same in Kingston?" asked Hank. "I must take this matter up with my old friend Butch. What good is all this preaching about loving your neighbor when the prohibition crank insists upon soaking some poor unfortunate. The O.T.A. is certainly hard on the poor man who likes a drop."

"All you have to do is to elect 'Bob' Bushell to parliament and he'll fix it up," said the old printer. "Bob" will give the people games of chance at the fairs, and that's what they want. They might just as well get trimmed at an out-of-door fair, as at a church bazaar, for in principle there's no difference."

"Now you're talking," declared the customs official. "This 'temperance' talk gives you a pain, and it took Dean Starr to explode the fake from his pulpit down at St. George's. No one has come back at him either. Self-control is temperance and you can't get away from it. The very liquor act is wrongly named."

The president remarked that while one section of the people went to the extreme in their demand for liquor prohibition, another section went to the extreme in regard to prohibition and divorce. One is as bad as the other, he claimed, for the views of each are interperate. "But," said he, "it is amusing to see one side favoring divorce and fighting liquor and the other side fighting divorce and preaching liberty of action in regard to booze. The latter stand in regard to both things is the correct one in my view."

GOOD HEALTH CAN BE YOURS

If Your Blood Supply Is Kept Rich and Red.

It is a waste of time and money to fight merely the signs of disease, in the long run you are probably worse off than when you started. What is far more important is that you should intelligently examine the various symptoms and trace the cause. When you remove the cause, health will be yours. For example, anaemic people often endure months of suffering while treating its symptoms, such as indigestion, shortness of breath, palpitation of the heart and exhaustion after any small effort.

The apparent stomach and heart troubles are generally nothing more than the result of an insufficient supply of pure blood. This anaemic state may have followed some previous illness, or an attack of influenza; or it may have arisen from overwork, worry or too little fresh air. To obtain good health the simple and proper course is to build up the blood, but to do this you must select a reliable remedy with a reputation such as Dr. Williams' Pink Pills. These pills enrich the blood which carries nourishment to all the organs of the body and enables them to do the work nature expects of them. Thousands of men and women have proved this for themselves. One of these is Mrs. T. Flynn, R. R. No. 1, Erinville, Ont., who says: "Last spring I got into a badly run down condition. I had no energy; work left me exhausted, and the least exertion would make my heart palpitate violently. I had often read of Dr. Williams' Pink Pills, and decided to give them a trial and got a half dozen boxes. I had not been taking the pills long when I felt a decided improvement in my condition and by the time I had used the six boxes I could do my housework with ease. I can strongly recommend Dr. Williams' Pink Pills to all weak people."

You can get these pills through any dealer in medicine, or by mail postpaid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

"I would like to see a vote of the people on this divorce question," said the merchant. "I believe the large majority would vote for establishing divorce courts in order to have the cases properly tried. I fall to see how these courts would increase divorce. So far as the religious side of it is concerned, surely the sin does not lie in the divorce decree."

"Oh, well, if they are going to block us in buying good liquor and having a judicial divorce hearing, the city council has decided to give

HELD A SOCIAL EVENING

To Mark Reopening of U.F.W.O. at Crystal Springs.

On Wednesday evening, March 2nd, the U. F. W. O., with the cooperation of the U.F.O., of Crystal Springs' Club, held a re-opening entertainment in the club-rooms. During the past six weeks the rooms have been enlarged and remodelled under the able direction of Sherman Wartman. The club feels very grateful to Mr. Wartman for his kindness. The members, their families and friends enjoyed the social evening, and intend holding entertainments twice a month, on Friday evenings. The president of the U.F.O., A. Day, acted as chairman in a genial manner. The programme was opened by everyone singing "O Canada." Then Mrs. J. Vair, Glenburnie, gave a vocal solo, which was much appreciated. Miss Paterson gave a piano solo. J. L. F. Sproule, Westbrook, delivered a most interesting and instructive address on "Our governmental, federal, provincial and municipal." This was followed by Miss
