A. C. BILLMAN, of Indiana, who says Tanlac is unquestionably the greatest medicine he ever heard of.

"Tanlac is unquestionably the greatest medicine I ever heard of. After I had practically given up all hope of ever being well again, it put me right back on my feet, and I am feeling one hundred per cent better than I have for twenty years.

"For several months I suffered from a serious stomach disorder. I had no appetite and couldn't eat enough to keep up my strength.

"I was losing in weight and my friends would often ask me: 'What is wrong with you? Why are you looking so thin?'

"I also suffered terribly with pains across the small of my back and over my kidneys. It was almost impossible for me to get out of bed in the morning, as my back would pain me so I would almost fall over when I would first stand up in the morning.

"The first bottle of Tanlac didn't help me much, but I made up my mind to give it a fair trial. After starting on the second bottle I began to feel better.

"My back and kidneys don't bother me any more and I can sleep like a log now. Tanlac has just simply made a new man of me, and any one living in this county can tell you the same thing, as everybody knows me and knows the shape I was in."

The above statement was made recently by A. C. Billman, of Ligonier, Ind. Mr. Billman has lived in Nobis County all his life and is a well-known and highly-respected citizen of that county.

Tanlac is sold in Kingston by A. P. Chown, in Mountain Grove by James Macdonald, and by the leading druggists in every town.—Adv.

LANSLOWNE NEWS BUDGET

Cheese Case Dismissed—The Village Has a Good Cemetery Vault.

Lansdowne, March 4.—The death occurred on Sunday evening of Mrs. N. W. Webster, widow of the late N. W. Webster, after a long illness. Deceased was in her 60th year and was a daughter of the late Ephraim Peck, and was a lifelong resident and very highly esteemed for her christian character.

It was a great shock to the Lansdowne friends of Mrs. Mamie Johnston to learn of her accident on the Friday morning train at Kingston. Mrs. Johnston, whose husband the late L. D. Johnston, was manager of the Rural Telephone Company at his death, resided here several years.

The marriage took place Tuesday at the Methodist church, daughter of Miss Mary Esther Warren, daughter of Benjamin Warren to Raymond Chauncey White. The happy couple left on the afternoon train for eastern points, and will reside on the farm recently purchased by Mr. White, from his father-in-law.

Mrs. George Peck was taken ill very suddenly on Friday and is still suffering greatly. The young son of Gabriel McDonald is seriously ill with pneumonia. Benedict Tody, who was operated on for appendicitis in Hotel Dieu, Kingston, on Friday, is reported to be doing well.

Born to Mr. and Mrs. E. T. Rogers, a daughter. Mrs. Robert Moxley, Brockville, is visiting friends here. Three government engineers arrived today to enquire into the question of a public wharf at Rockport where some trouble has recently arisen through the efforts of a resident to control all the wharf privileges.

Mrs. Charles Fredenburg, Toronto, attended the funeral of her sister-in-law, the late Mrs. Webster. Quite a number attended a law suit in Gananogue today between D. Donovan and Charles Ralph, president of the Deer Hick cheese factory. It was a brief case as the judge threw it out of court, without costs.

Haig & Burns have purchased from Jas. Heaslip the plot on Main street, next to E. E. Johnston's store. They intend erecting a fine building for tin-smithing and plumbing work.

Miss Ena Bigford has returned from a visit to Mrs. George Porter, Montreal. Mrs. A. N. Burtch, Brockville was a recent guest of Mrs. E. E. Johnston.

Miss C. Ralph suffered a fracture of the arm recently by a fall on the ice. Born at Pembroke, on Saturday, Feb. 19th, to Mr. and Mrs. Frank Weaver, a daughter. Mrs. Weaver was formerly Miss Lulu Sheppard.

There has recently been completed on the grounds of the Lansdowne cemetery, a vault of good design. The trustees have spared no expense to it to make it a "tong, sanitary and respectable depository for the dead."

Mr. and Mrs. Stanley Haffie have returned from their honeymoon, and a reception was tendered them at the home of his father on Thursday evening.

Dr. Campbell is ill with grippe. The young son of Mr. and Mrs. Wil-

Wedding at Lyndhurst. Lyndhurst, March 2.—Sleighing is nearly all gone again, but the people took advantage of the snow while it was here and hauled a good supply of logs to the mill. Fourteen fam- ilies are moving this spring. Willmer Fife and Miss M. Danby were mar- ried this morning in St. Luke's church and Frank Chase and Miss H. Sloan were married this afternoon at the bride's home.

More Reasons for Reo Organization Some factories are run by financiers and absentee officers and directors. That's one way. The REO way is DIFFERENT. Management, financial, sales, engineering, purchasing and factory super- vision are all in the hands of directors who are on the job every day. None have served less than 15 years. They live for REO.

STANDARDIZATION Sell a Speed Wagon and you immediately acquire a passenger car prospect. It works both ways. Thousands of families standardize on REO'S for business or personal use.

FIDELITY There must be something to a line that the same dealers sell year after year. REO dealers stay in the organization; their policy is fair and just and the product is right.

UNITY Automobile factories that are offspring of a parent company prosper only to the extent that they are the favorite child or the one which this blanket policy fits. REO is complete within itself— it is not tempered to fit the plans of associate or subsidiary plants.

STABILITY Shifting types, changing models and uncertain sales policy are profit killers for the dealer and depreciate value for the owners. REO builds a dependable six-cylinder coupe, sedan, touring car and roadster on one chassis, only one speed wagon chassis with a wide selection of bodies. REO transportation—passenger or freight—is safe and dependable and means slow depreciation.
