Ko Return Of The Trouble Since Taking "Fruit-a-tives"

103 CHURCH ST., MONTHEAL. "I was a great sufferer from Rheumatism for over 16 years. I consulted specialists; took medicine; used lotions; but nothing did me good.

Then I began to use "Fruit-a-tives", and in 15 days the pain was easier and the Rheumatism much better. Gradually, "Fruit-a-tives" overcame my Rheumalism; and now, for five years, I have had no return of the trouble. I cordially recommend this fruit medicine to all sufferers."

Rheumatism

In the Spring of 1893 I was attacked by Muscular and Sub-Acuto Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy and doctor after doctor, but such relief as I received was only temporary. Finally, I found a treatment that cured me completely and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with rheumatism, some of them 70 to 80 years old, and results were the same as in my own case.

I want every sufferer from such forms of rheumatic trouble to try this marvelous healing power. Don't and address and I will zend it free to try. After you have used it and it has proven itself to be that long-looked-for means of getting rid of your rheumatism, you may send the price of it, one dollar, but understand, I do not want your money uniess you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when relief is thus offered you free. Don't delay. Write to-day. Mark H. Jackson, No. 953G Durston Bldg., Syracuse N. Y. Mr. Jackson is responsible. Above
