Blessing of Good Health. Carleton Place Herald. That young man who thinks he is poor because he has no bank account little understands the value of God's free gift of health and strength, little appreciates the fact that the brightest and best of the country are self-made, and come to the notice of the world from just such beginnings.

The Average Orchard. Bowmanville News. The average orchard doesn't receive fair treatment. Trees don't suck their vitality from the air but from the ground. The farmer knows very well that if he sows wheat on the same ground for several years consecutively the soil becomes impoverished of the ingredients that are necessary to grow wheat.
