FULL REHEARSAL GIVEN

Of the R.M.C. Assault-at-Arms at the Armouries.

A full rehearsal of the assault-at-arms was given at the armouries on Tuesday afternoon by the cadets of the Royal Military College, and the events were witnessed by Major-General Macdonell and a number of visitors.

There will be no boxing. This was definitely announced, because many people do not like to view fist fights. The programme as at present arranged assures all comers of a royal entertainment.

Lieut. S. C. Cutbush and Sergt.-Majors Husher and Batt have trained the cadets until they now have them at an exceedingly high point of efficiency and their work on Wednesday was creditable to themselves and their instructors. The items of the programme include a grand parade, which opens the entertainment. Practically every cadet in the college had a part to do. Then come elaborate exercises on the parallel bars, bayonet fighting, sword swinging, tug-of-war, lance drill, sword drill, army wrestling, vaulting horse, and many others that call for great athletic ability. The programme ends with a series of magnificent tableaux in which all of the cadets take part. All of these events took place just as they will be carried out on Friday and produced repeated applause. The R.C.H.A. band played during each exercise.

Preparations have been made for seating a very large audience. Tiers of seats will surround the centre square in which the feats will be carried out, and the gallery will also be seated. The armouries hall is warm and comfortable, and persons attending the great show will appreciate the very great trouble to which the management have gone.

COMPANY'S REQUEST WAS MISUNDERSTOOD

With Regard to Street Signs — To Again Apply to Council.

At a meeting of the Board of Works Wednesday afternoon, a request was made by the E. L. Ruddy Company for a reconsideration of the motion passed by the city council refusing permission to it to erect signs at certain places in the city. It was pointed out to the board, which recommended two weeks ago that the company's request be acceded to, that the council had misunderstood the question. The company was not asking to put up additional signs, but to replace some old ones. The board members decided to recommend to council that a representative of the company be permitted to state his case next Monday evening.

It was decided to accept the plan of G. A. Bateman for the laying out of North Macdonnell street. This matter has been held in abeyance for nearly two years. Ald. Graham presided at the meeting and also present were Aids. Cooper, O'Connor and Smith.

Concert at Zion Church.

A splendid concert was given in Zion church by the young people on Wednesday evening. Dr. D. A. Volume was chairman, and the programme revealed individual talent of a very high order. The attendance was large, for the occasion was the raising of money to carry out the redecoration of the church, and a good sum was raised to start with. The soloists were Mrs. Evans, Mrs. J. Crawford, Mrs. Pound, Mrs. Horton; piano monologue, Miss Goodfellow; male quartette from Bethel church, and the ladies' quartette from Cooke's church. A number of violin selections were given by Mr. Mackie and recitations by Mr. Kelly.

Make Extensive Repairs.

During the past few years very little money has been spent in making repairs to the Steamer Wolfe Islander, with the result that this year the island township council finds that some thousands of dollars will have to be expended before the boat is in first-class condition. As soon as the ice clears out of the harbor, the Wolfe Islander will have to go into Davis dry dock for some hull repairs.

Harbor Ice Breaking Up.

The heavy wind, which was blowing from the south on Wednesday, broke some of the ice in the harbor, and on Wednesday night and Thursday morning there was quite a bit of open water. Marine men state that if the wind would shift around to the south, it would not be many hours before a great portion of the ice was driven out of the harbor.

ARE AFTER THE SYSTEM

Sydenham Wants to Have Hydro-Electric Service.

Sydenham, March 8.—A large crowd from here attended the Wolfe Island-Verona hockey game at the covered rink, Kingston, on Monday night. S. W. Alexander has moved into the building adjoining Joseph Brawley's house. At the township council meeting on Monday, a widely-signed petition was presented, calling for an extension of the Hydro-electric system here. The petition was favorably received, and was forwarded to the authorities in Toronto. The matter is being generally discussed at present. Edward Barker has moved into William Griffith's house.

For four nights last week, Wednesday to Saturday inclusive, a travelling company conducted a show each night in the township hall Mr. Otten, formerly of Rentree and Kingston, has been engaged by Frank Anglin, as the electrician for the village. John Rutledge, Queen's, spent the week-end with his parents here. Mrs. S. W. Alexander is visiting her parents in Smith's Falls. Misses Dorothy and Norma Woodruff were week-end visitors here with their parents. Mrs. M. A. Hogan was taken with a sudden attack of sickness on Friday night, but she rallied and is recovering. STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every crevice of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffing, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.
