A Kidney Remedy

Kidney troubles are frequently caused by badly digested food which overtaxes these organs to eliminate the irritant acids formed. Roads Are Bad.
The stage drivers reported the county roads in very bad shape. In some places the roads are so soft that the car wheels sink for a considerable distance. One stage got caught in the mud on Wednesday night.

Sugar Up in Price.
It is stated that sugar has taken a jump in price during the past week. It had been expected for some time that this advance would be announced. About a year ago sugar was selling at 26 cents a pound.

Has Been Taken Home.
The many friends of Miss Myrtle A. Sidley will be pleased to know that she has recovered from her recent serious illness of typhoid fever, and has been removed from the Hotel Dieu Hospital to her home.

Repairs Much Needed.
It is to be hoped that the Board of Works department will this spring make the necessary repairs to the track allowance on the pavement between Barrie and Alfred street on Princess street. Since the track allowance was put down, the underground work sank, leaving large holes in the

roadway. It is very important that the repairs be made.

The Lads Would Agree.
The Ottawa Citizen of Thursday has the following: "Kingston wants to hold an Old Boys' week in 1923 to celebrate the 250th anniversary of the town. How would it do to include a Get Away Day for the lads out in Portsmouth?"

Will Be Ready Next Week.
It is expected that the steamer Missisquoi will be ready to make the first trip to Cape Vincent, N.Y., some day next week. This year the marine men did not expect the season to open so soon, and for that reason they did not have the repairs ready.

Knee In Bad Shape.
"Biff" Gratton, the crack centre player of the Queen's intermediate intercollegiate hockey team, is suffering considerable pain with his knee which was injured in the Varsity-Queen's final game. He is suffering from water on the knee.

Grates Will Be Flushed.
The Board of Works will commence the work of flushing the street grates in the course of a few days. Last fall the grates were not cleaned out as usual, so it is expected that it will take longer to clean them out this spring.

Many Need Work.
During the past few weeks the local representative of the Ontario-Labor employment bureau has been besieged with men who were in need of work. It is expected that as soon as the work on the new highway commences many will get positions.

Tag Day For Dogs.
April 1st has been placed on the provincial legislature calendar as "All Dog Tag Day" when it is decreed that a canine, any breed, sex or color, must have a pendant on its neck in the form of a tag. This law applies to towns, villages and townships alike. Any canine found without the licensed neck-wear after that date leaves itself a lawful target for gun-

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys At Once When Back Hurts or Bladder Bothers.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
