

Historical Events in Nova Scotia

(1) The Officer Quarters at Fort Anne, Annapolis Royal, Nova Scotia. This is now a museum where many interesting historical relics are kept.
(2) Fort Anne is divided into two sections; this is the connecting archway.

The Nova Scotia Historical Society and its offshoot, the Historical Association of Annapolis Royal are making combined efforts to bring about a fitting commemoration of three interesting historic events this year at Annapolis Royal, the ancient capital of the province. In 1904 the tercentenary of the founding of this place, under its former name of "Port Royal," was celebrated with great éclat—probably 10,000 people attending—and a monument to de Monts, the founder, in a commanding position in the grounds of Fort Anne, stands as a permanent memorial of that occasion.

Now it is proposed to celebrate and erect a memorial of the tercentenary of the birth of the Province. It was in 1621, the country then being claimed by the British by virtue of Argall's conquest of Acadia in 1613, that James I. of England, VI. of Scotland, granted to Sir William Alexander (afterwards Earl of Stirling), a charter to make of this territory a New Scotland in America, that as there was a New England

and a New France there might also be a New Scotland in the New World. This business was finally arranged and the King's Letter, authorizing it issued on the 5th August, 1621, and the date of the tercentenary celebration will in all likelihood be the 5th August this year, and the scene of it the old Fort of Annapolis, now called Fort Anne, where a bronze tablet will be erected as a memorial.

At the same time and place the legal profession will celebrate the bi-centenary of British Civil Courts in Canada and put up a tablet in memory of the establishment of the first of such courts, which sat within the walls of Fort Anne in 1721.

A tablet will also be presented and dedicated bearing the following inscription:

"This tablet erected A.D. 1921 under the auspices of the Historical Association of Annapolis Royal commemorates the one hundredth anniversary of the arrival in this Town of Thomas Chandler Halliburton who lived here eight years and began in this place his great career in law, literature and public life."

Thus there will be a tercentenary, a bi-centenary and a centenary celebration, all on one day, in the old stronghold of Port Royal, whose ramparts, bastions and outworks are still in a wonderful state of preservation, and form the centre of attraction for thousands of visitors every year.

The committees in charge of the arrangements have hopes that the Governor-General will be present to unveil the tablets, which will be formally presented by representatives respectively of the province, the legal profession and the local Historical Association, and will be received for the nation by the Minister of the Interior or some one representing him, and committed to the care of the Superintendent of Fort Anne, which is now a National Park, under the management of the Interior Department of the Federal Government.

It will be a memorable occasion and no doubt will attract a host of visitors.

The full programme, we are assured, will be given to the public at an early date.

RHEUMATIC PAINS HAVE DISAPPEARED

As a Result of Treating the Trouble Through the Blood.

The chief symptom of rheumatism is pain. The most successful treatment is the one that most quickly rouses and banishes the pain. Many rheumatic people suffer pains that could be avoided by blinding up the blood; when rheumatism is associated with this blood it cannot be corrected until the blood is built up.

Mr. Ed. Hall, Main-st. Dieu, N. S., suffered from rheumatism for years, but was more fortunate than many victims of the disease for he found a remedy that so built up his entire system that he is now free from rheumatism. Mr. Hall says: "I was taken down with rheumatism, and at times was under the treatment of several of the best doctors in Cape Breton, but they held out no hope for my recovery from the trouble. I was confined to bed for three years and a helpless cripple from the trouble. I could not move, and had to be turned in sheets. My legs and fingers were drawn out of shape, and sores developed on my body as the result of my long confinement to bed. I was in this serious condition when a friend advised the use of Dr. Williams' Pink Pills and I began taking them. The first benefit I felt from the pills was an improved appetite, and then I began to feel stronger, and was finally able to get out of bed and go about on crutches. I continued taking the pills for months, slowly but surely getting new strength, and finally I was able to lay the crutches aside. I will always be lame, as the result of my long stay in bed, my left foot has shortened somewhat, but otherwise I am feeling fine and able to do my work as Fishery Overseer. I may add that when the rheumatism came on I weighed 140 pounds, and when I began going about on crutches I only weighed 87 pounds, and now I am at normal weight. There are many here who know and can vouch for the truth of these statements."

You can get these pills through any dealer in medicine, or by mail, post paid, at 50 cents a box or six boxes for \$3.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

After an illness extending over some months, David Pattie Patterson, senior member of the firm of Patterson-Hoos, Carleton Place, and the third son of the late William Patterson, passed away on Friday at the Rosemond Memorial Hospital at Almonte. Mr. Patterson was but forty-four years of age.

Mrs. M. L. Percival, Frankville, is suffering a good deal from the burns which she received recently, but is gaining slowly.

Miss Gladys M. Stanzel, daughter of R. M. Stanzel, Carleton Place, was united in marriage with Arthur E. McKee.

Sydney Crummy, Frankville, has purchased a farm in the vicinity of Row's Corners.

VERY NEGLIGENT COUNCIL

Makes No Repairs to Road—Newboro Hockey Club's Good Season.

Newboro, March 17.—The road in the township of Smith Crosby, between Crosby and Newboro, is in a desperate condition, and autos are meeting with many accidents and are compelled to park in Mr. Basac's field. The state of affairs has existed in this particular section for a number of years, and the Smith Crosby council up to the present has taken no steps to have repairs made on the road.

J. H. Lyons, recently appointed lock master here, has leased his blacksmith shop to D. Houghton. It will be turned into a garage and will be in charge of Mr. French, of Buffalo, N.Y.

G. J. Tobin, agent for the C.N.R. here for the past eight years, has been transferred to the north country and will be stationed at Gogama. Mr. Tobin has given the best of satisfaction to the public, and carries with him to his new field of labor the best wishes of a large circle of friends. W. J. Wilson, of Gananoque, was in town on Monday. Robert Polk, Kingston, is a business visitor here.

All farmers in this section have tapped their bushes and report there will be the average amount of sugar and syrup made this year.

Mrs. H. DeLong, Elgin, who has been seriously ill at the home of her parents, Mr. and Mrs. E. G. Leech, for some time, is improving. C. W. Hoffman, Toronto, who spent the past week here in charge of the Union Bank during the temporary absence of E. L. Frost, manager, returned to Toronto on Monday.

G. S. Bolton, Toronto, and a former Newboro boy, paid this place a business visit on Saturday. George Bell, a foreman on the bridge and building gang of the C.N.R., who has been off duty with his men for the past month, was himself called back to work on Monday. Mrs. W. H. Whaley spent the week-end at Meriville, the guest of her son, Kenneth Whaley, of the staff of the Union Bank of that place.

Mr. and Mrs. Ford Moulton, of Brockville, are in town guests of J. H. and Mrs. Scott, of the Hotel Rideau. Herb. Phillips, fishery overseer of Smith's Falls, is in town in connection with his duties.

The Newboro hockey club held a meeting on Tuesday evening to wind up the season's business, the boys had a record winter's sport. Besides retailing the championship of the Leeds county hockey league they have on hand a substantial balance in the treasury for next season's start.

They have produced many a wordless play. But they have never been able to produce a talkless audience.

Nothing Else is Aspirin

Warning! Unless you see the name "Bayer" on tablets, you are not getting Aspirin at all.

Accept only an "unbroken package" of "Bayer Tablets of Aspirin," which contains directions and dose worked out by physicians during 21 years and proved safe by millions for Headache, Earache, Toothache, Neuralgia, Colds, Rheumatism, Neuritis, Lumbago, and pain generally. Made in Canada.

Handy tin boxes of 12 tablets cost but a few cents—Larger packages. Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Manufacture of Salicylic Acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

Military Progress.
Brig.-Gen. W. B. King, G.O.C., M.D. No. 3, made an inspection tour of his district this week in connection with the re-organization of the militia units authorized under the new system. Major W. J. McManus has rendered very valuable service in this work to the officers of the new establishments. He organized two new units, got them started and opened and carried on two schools of instruction for N.C.O.'s. Fine progress has been made at Brockville and Napanee, but Kingston, of course, holds the leading place in the district. This was shown last week when the Princess of Wales Own Regiment was inspected. But for the length of time since authorization, the Frontenac Regiment has made the greatest progress and holds the record for percentage on parade, an enviable record.

Mrs. W. E. Foster died in Florida on Wednesday. She was a sister of Mrs. (Dr.) H. A. Veomans and El. Richardson, Belleville. She formerly lived in Napanee.

Blood-Cleansing, Appetite-Making Strength-Giving

Are the Effects You Naturally Want from Your Spring Medicine? And Hood's Sarsaparilla satisfies these needs as nothing else can. This marvellous restorative tonic and blood purifier has been recognized for nearly fifty years as the best spring medicine for restoring the blood and circulation to their natural richness and vitality. Hood's Sarsaparilla is more than food, because it creates an appetite and promotes assimilation of all food taken, thus securing 100 per cent. of nourishment. This contributes to make rich red blood, which carries vitality to all parts of the body and gives the strength and nerve force that nature demands day by day. Take Hood's Sarsaparilla, small dose after each meal, and you will soon note how much refreshed you are, how good your food tastes, and how cheerfully you do your work. Hood's Pills relieve headache, biliousness, constipation.

Hood's Sarsaparilla

PURIFIES, VITALIZES AND ENRICHES THE BLOOD.
