Cause of Early Old Age

The celebrated Dr. Michenoff, an authority on early old age, says that it is "caused by poisons generated in the intestine. When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 30 drops of "Seigel's Syrup" after meals makes your digestion sound."

Kingston and Vicinity

It Will Pay You To Call.
Our range of ready to wear suits in mens' and boys' are of the very latest and at reasonable prices. Prevost, Brock street.

Holiday Traffic Brisk.
The railway companies reported a brisk traffic over the holiday. A very large number of students went to their home for the Easter holidays.

Closing of the Schools.
The collegiate and public schools closed Thursday afternoon for the Easter holidays and the "kiddies" are very happy as they will not have to take up their studies until April 4th.

Died in Toronto.
The death occurred on Tuesday at the residence of his daughter in Toronto of Rev. William P. Dyer, formerly principal of Albert College, Belleville, for twenty-nine years, in his sixty-eight year, after a lingering illness.

Fire at Joyceville.
A small fire occurred at the home of Frederick Keilar, at Joyceville, on Wednesday, but the damage is reported to have been light. Overheated stoves caused the blaze. The loss was adjusted by W. H. Godwin & Son.

Their Second Luncheon.
The luncheon held on Thursday by the Rotary Club of Kingston marked the second to be held by the club since its organization a short time ago. The club is making rapid strides and is bound to be heard from in the near future as a strong force for good in the city.

Made Road Grants.
The roads and bridges committee of the Lennox and Addington council recommended and the council approved that special grants be made as follows for road purposes: Amherst Island \$300, Napanee \$600, Bath \$300, Newburgh \$300, Kalendar, Anglesea and Effingham \$300, Denbigh, Abinger and Ashby \$300.

Shows Friendly Spirit.
Members of the Kingston Rotary Club will mingle with members of the Kiwanis Club at the latter's dinner to be held on Tuesday night, an invitation having been extended to them. This shows a kindly spirit between the two clubs. Both clubs are working for the welfare of Kingston and her people and there is plenty of room for two such clubs.

St. George's Mission Hall.
The last of the series of children's services, conducted weekly during Lent in St. George's Mission hall, was held Wednesday evening, when Rev. W. E. Kidd, who has been in charge of all these services, gave an impressive sermon on "The Passion" illustrated by lantern slides. The attendance of 119 adults and children shows that the services have been much appreciated and that Rev. Mr. Kidd in his untiring interest in the work of the mission is rendering a very necessary and laudable service in this section of the city.

At Sydenham Hospital.
Last Monday evening the Young Women's Missionary Auxiliary of St. Andrew's church, of which Miss Fairlie is president, gave a concert and treat to the patients of Sydenham Military Hospital. The recreation hall was filled with a most appreciative audience of soldiers and nurses. The programme arranged by the committee of which Miss Elder and Miss Hopkirk are convenors, was greatly enjoyed, the patients showing their appreciation by continued encores which the performers willingly responded to.

Looking for Positions.
During the past week the local office of the Ontario Government labor bureau has been filled with men from out of town, who heard that the lake and river steamers were getting ready for the season, came to the city thinking that they could secure work. As far as possible the local men get the pick of the positions. So far this season there has been very little work, and the prospects do not appear to be very bright in the near future.

Cement Tenders.
The lowest tender for cement received by the Board of Works this year was \$3.95. This season, when a substantial reduction in prices was generally looked for, the city authorities were disappointed when the

price was found to be 75 cents higher. The price last year was \$3.19 1/2, less eighty cents per barrel for bags returned. The same deduction is allowed on this year's price, but the latter is looked on as beyond all reason, in view of the present unstable condition of the markets.

Married on Thursday.
The parsonage of Queen Street Methodist church was the scene of a quiet but pretty wedding on Thursday, when Ernest LeRoy Amey, general merchant and auctioneer, Verona, was united in marriage by Rev. W. S. Lennon, B.A., B.D., with Miss Jean Rogers Grant, of the same place, who was given away by her brother, J. A. Grant, Engharath. A small party of friends of both parties witnessed the ceremony. The happy couple left immediately on a wedding tour to Toronto, Wallaceburg, and other western points previous to taking up their residence in Verona.

Advocate Series of Talks.
That women should take part in local politics is recommended by a committee to the Belleville chamber of commerce. Their finding is as follows: "We would suggest that prior to elections some women's organization of the city should arrange a series of talks for women on citizenship in order that they may be brought to a realization of a voter's responsibility. Probably this would awaken a greater interest in municipal affairs and thus overcome the present situation, where we find instances of over 50 per cent. of the voters not casting their ballots."

Inspection of Company.
"A" company, Frontenac Regiment, will be inspected on the evening of Wednesday, the 30th inst., by Brig-Gen.
