Mrs. Miller, whose maiden name was Elizabeth McKee, was born in Westport. They were united in marriage at the parsonage, Playfair, by Rev. Mr. Corby, April 4th, 1871. "At Forty-Five"

"YES, at my age I suppose I should expect a change in my condition. But I am so nervous and irritable, so easily excited and worried, that I cannot understand what is wrong."
"I know just how you feel, my dear, for I have gone through exactly what you are experiencing now."
"But you are not nervous."
"No, not now, but I was in a far worse condition than you are, when a friend advised the use of Dr. Chase's Nerve Food. I need not tell you more, for you know how well I have been for the last few years."
Mrs. H. Alchorn, 23 Gerald St., Charlottetown, P. E. I., writes: "Dr. Chase's

Nerve Food was recommended to me by an aunt who used it while passing through the change of life and was completely built up by its use. From my experience as a wife and mother I find that the majority of users are women, especially women passing through the change of life; next by young mothers to regain strength after baby comes, and also by mothers for their young daughters entering their womanhood. While it is good for all classes of humanity, I am sure it is especially so for women, as they seem to be troubled most by nervous diseases."
Dr. Chase's Nerve Food, 50 cents a box. All dealers or Edmondson, Bates & Co., Ltd., Toronto.
