#### Stanley Trotter Retires From Active Part in Local Baseball.

After years of work and service in baseball circles in Kingston, "Stan" Trotter has announced that he is going to take a rest and that he is through with baseball in any official capacity. For a long time Mr. Trotter has devoted the best part of his summers to organizing clubs, arranging for games, looking after the finances, and generally boosting baseball in Kingston. Now he thinks he would like to take a little rest and see some baseball as a fan who understands the game, rather than as a hurrying, worried-to-death manager or secretary, who has no time to watch what is taking place on the field.

"Stan" Trotter's retirement from local baseball circles will mean a big loss to that sport in Kingston. It was through his efforts that the class of baseball shown here was greatly improved, and it was also largely due to him that Kingston fans had two and sometimes three good senior games each week last year. His retirement will be heard with regret.

If there is to be any senior baseball in the city this summer, it is high time that some officials were elected and clubs organized. Already Mr. Trotter has received several communications from teams desiring games here, among them being the Ottawa Senators, who were popular here last year. The Pones met last night, but so far they are the only ones who have made a move.

### CHARGE WOMEN FULL PRICE FOR RACES.

Women have always enjoyed one advantage over men at the New York race-tracks. They have been able to buy admission badges for one-half the price paid by the sterner sex.

This advantage will be enjoyed no longer. Further, than that, the cost of thoroughbred racing is going up. Badges of admission will be \$3.50 plus the war tax of 35 cents, and women must pay the full price.

In the old days the admission at the tracks was \$2 for men and \$1 for women. In recent years, however, the prices have been \$3 for men and \$1.50 for women, plus, of course, the war tax. The advance for men is now only 50 cents, but for women it will be \$2, quite a jump, to say the least.

Half price for women at tracks in that state have come to be a tradition. It was instituted long ago in an effort, no doubt, to popularize the sport, but just why it has been maintained has long been a mystery.

### HORSES AS HOBBY

Strenuous opposition met the proposal to incorporate the Winnipeg Driving Club and permit betting at races conducted under the auspices of the association when the Manitoba legislature private bills committee considered the measure. Representatives of organizations opposing, declared betting was degrading and had evil tendencies.

The proposal was for betting along the lines of the pari-mutuel system, 7 per cent, to go to the club for purses. Alexander Stewart of the driving club said the reason for applying for a charter was not to make money.

The provincial minister of agriculture, Hon. H. H. Malcolm, said the bill would encourage the young men to take up horse breeding instead of automobiles. The hearing was not concluded.

### GREATLY IMPRESSED BY SEVEN-MAN STYLE

"We are greatly impressed with the seven-man hockey as played on the coast," declared the secretary of the Ottawa Hockey Club, in an interview.

"It is a much superior game than we had thought in our six man operations," he said. "The playing of rover back on the defence, leaving three men on the attack, undoubtedly speeds up the game. In the east there is too much of this two man attack that we started, and which has now been adopted by most of the other clubs."

"Of course, we still think our game has many features that are superior to those of the seven-man style, but your game is in many respects just as good as ours, and in some ways offers greater opportunities for making closer contests without handicapping the forward division."

### Frontenac Regiment Team Defeats Machine Brigade

The Frontenac Regiment defeated the 4th Machine Brigade in a fast game of indoor baseball at the Armouries Tuesday evening by a score of 20 to 14. There was a large number of supporters of the two teams and the enthusiasm reached a high pitch when the Frontenacs gained the lead, especially as they were previously defeated by the machine gunners. The line-up of the Frontenacs was R. Cornelius c. A. Clarke p. G. Cornelius 1b. P. Cornelius ss. L. Doye 2b. J. Tanner 3b. G. Merritt 1f. T. Garrity cf. H. McQueen rf. Umpire Nicholson.

### WON'T INDICT DUNN FOR SUNDAY BALL

The grand jury has refused to indict Jack Dunn, manager of the Baltimore Internationals, on charges of working on Sunday, in a baseball game at Oriole Park on April 3rd. Efforts are being made by various Sunday observance organizations to suppress ball playing here on that day, but thus far without success.
