### CAUGHT 20 CHINAMEN GAMBLING ON SUNDAY

And the Celestials Are Summoned Before the Police Magistrate.

As the result of a surprise visit pulled off Sunday night by Constable G. R. Hornbeck, of the provincial police force, and Constables Leslie Clark and Nicholas Timmerman, of the Kingston police force, twenty Chinamen will appear before Magistrate Farrell in the police court on Wednesday morning, charged with gambling on the Lord's Day.

The Celestials were having a nice little time in a laundry on Bagot street, when the officers disturbed the game by picking up the "pot", which amounted to \$25.50, and the gambling paraphernalia.

There was a lively time when the constables arrived on the scene. One Celestial attempted to make a get-away through a window. He got out on a slippery roof and came within an ace of having a bad fall. He was lined up with the nineteen others, but it is stated that six Chinamen made their escape.

### OBITUARY

The Late W. J. Sculland. W. J. Sculland, Clyde Forks, passed away in the General Hospital on Sunday after an illness of one month. He was brought to the hospital on March 18th for treatment for an injury to his hip and gangrene set in. The remains were taken to S. S. Corbett's undertaking parlors and his son reached the city to-day to make arrangements for the funeral. The deceased was about sixty years of age.

Attended by Large Audience. Two good sized audiences greeted the production of "Queen Zephra," at the Grand Opera House on Saturday. The play, which was put on by Kingston talent, was exceptionally good and those who took part are deserving of great credit. The play will be repeated at the Grand Opera House on Thursday evening next.

The Late William Knox. On Sunday morning at 6.30 o'clock, death came with startling suddenness to William Knox, one of Kingston's oldest and most respected citizens. The deceased retired on Saturday night in his usual good health, after a happy evening spent in the cheerful company of his daughters and sons, two of whom were home for a short visit.

His quiet, genial, kindly disposition won for him the respect and esteem of a wide circle of warm friends, to whom his sudden death came as a great shock, and is the occasion for expressions of deep regret and sympathy with the bereaved family. The late Mr. Knox was in the 66th year, and was born in Kingston, where he resided all his life. For many years he was a most valued employee of the Canadian Pacific Railway by whom he was superannuated years ago with a substantial recognition of his long and valuable service.

In religion, the deceased was a Presbyterian and a member of Zion church. His wife, a daughter of the late Mrs. Grimson, died six years ago. Surviving him are four daughters, Mrs. E. Evans, Watertown, N.Y.; Mrs. C. Crozier, Mrs. F. Emmons and Miss Florence, Kingston; and seven sons, Thomas, John, George, Stanley and Bert, Kingston; Samuel, Cataract; William, Port Dalhousie; four sisters, Mrs. L. J. Williams, Miss Bella Knox, Kingston; Mrs. Gim-mill, Victoria, B.C.; Mrs. Carroll, Brooklyn, N.Y.; and three brothers, James Knox, Trenton; Robert, Brooklyn, N.Y., and George, Cleveland, Ohio.

THE MARKET IS DULL  
What Prices Prevailed in Regard to Some Stocks.

In their weekly comment on the unlisted market A. J. Pattison, Jr., & Company, Toronto, say that while consistent buying by small investors still continues the market displays a dull atmosphere with prices narrow and changes of such small amount that little interest was taken. Industrial conditions generally have had a tendency to frighten the public from this class of security but with prices as they are it would appear that the market has discounted much worse conditions than will be realized. Imperial Oil remained steady throughout the week at 106 to 110. All stock brought out by the recent rise in price was absorbed quick—in fact the buying of this issue on every movement would point to considerably higher figures in the near future. British American Oil continues dull selling at 31 early in the week with a recovery to 31 3/4 later. Goodyear Tire Preferred improved to 47 to 52 on steady buying by those apparently wishing to average their holdings. Robert Simpson Preferred is in demand at 79 to 82 with but little stock offering at these figures. Dunlop Tire Preferred remained stationary at 85 to 92 with a steady demand for stock, little of which was forthcoming. Inquiries continue to be made for Canadian Westinghouse which appears to be so well held that it seldom is offered in the local market. Sterling Coal Common was inactive at 22 to 24 1/2, small lots changing hands between these figures. North Star Preferred sold at 3.50 and the Common at 5.00. Nova Scotia Steel six per cent. debentures were dealt in at the current price, 75 to 80.

### EXHIBITION WAS GIVEN

By Little Girls Attending the Child Welfare Station.

The class of little girls who have been attending the Saturday Sewing class at the Child Welfare station in their own near vicinity; held an interesting exhibition on Saturday afternoon in the large game room at the Y.M.C.A., under the auspices of the Victorian Nurses' committee, which organized and maintained this useful class, which has been well attended during the past winter at the Child Welfare station.

Thirty to forty of the little girls of that district have made good progress under their able teacher, Mrs. Miller, who has brought them on very successfully from the first beginning to quite successful attempts to convert scraps of suitable material into neat and dainty garments for the dolls, which all womanly little girls delight to dress after their own fancy. By encouraging this natural desire, Mrs. Miller has made the sewing lesson rather a pleasure than a task, and in consequence the small pupils were able to display a number of pretty articles of dolls' wear, as a result of instruction in this most useful art of plain sewing.

Another useful part of the little girls' education has been carried on at the same time, through the generous kindness of Miss Jessie Elliott, Winchester, Ont., who, while pursuing her own studies at Queen's University, has most kindly given the children a course of physical exercises. The visitors enjoyed very much the sight of the progress the girls had made in the exercises, and extend thanks and best wishes for Miss Elliott's happiness in her new sphere of work at Kingland, Sask. Her kindly manner, winning frankness and faithful work, which have made her so useful in Kingston, will doubtless continue to promote her success.

### THE GANANOQUE MILK PLANT IS BURNED

Gananoque, April 18—The Eastern Ontario Milk Products Company, which began operation here about two weeks ago in the manufacture of powdered milk, and other milk products, suffered a loss this morning shortly after three o'clock by fire, which did damage to their plant and stock to the extent of in the neighborhood of \$5,000. The fire did considerable damage to a building on the south side, burning up through the roof. A large quantity of manufactured powdered milk was destroyed. Fortunately the fire was put out in time to save the company from shutting down business. They will be able to carry on, although somewhat handicapped for a few days.

### IN MEMORIAM.

In loving memory of Ruth Lorraine, youngest daughter of Mr. and Mrs. Thos. W. Burch, who died April 15th, 1920, aged 8 years, 9 months.  
This lovely bud so young and fair, called hence by early doom, but I trust she will now sweet a flower in Heaven could bloom.  
For sin could harm or sorrow fade, death came with friendly care, the opening bud to Heaven conveyed, and from its blossom there, sadly missed by parents, sister and brothers.

### IN MEMORIAM.

In loving memory of our dear mother, Mrs. Robert Hamilton, who departed April 18th, 1921.  
Yes, dear mother, more and more each day we miss thee,  
Friends may think the wound is healed, but they little know the sorrow that lies within our hearts concealed.

Then dear Father may we labor, live that when our life is o'er, we may all go home to mother, On the golden shore from the family.
