**SUCCESS IN YOUTH**  
 By CHARLES GRANT MILLER  
 (Copyright, 1921. All Rights Reserved by United Feature Syndicate.)

Kerosene, gas and electricity giving bright light at night, and con-  
 tributing to unlimited reading and study in the hours after supper, along  
 with quick and cheap communication and transportation, afford the  
 boy of 15 to-day a wider vision and broader knowledge of world affairs  
 than his grandfather could attain at 50.

And this is called the period of the young man. But it is well to  
 remember that almost every age in history has been the period of the young  
 man.

Jesus ended His work in His crucifixion at 33.  
 At 33 Napoleon was emperor of France; Wolfe scaled the Heights  
 of Abraham at Quebec; Stephenson had made his first locomotive; Edison  
 had made many important inventions; Gray wrote his "Elegy," Poe his  
 "Raven" and Thomas Jefferson the Declaration of Independence.  
 At 32 Rubens painted his "Descent from the Cross"; Schiller pub-  
 lished his "Thirty Years' War," and Story became Chief Justice of the  
 United States Supreme Court.  
 At 31 Rennie built the London Bridge; Christopher Wrens started  
 rebuilding St. Paul's, London, and Maurice of Saxony had secured  
 religious liberty for the Protestants in Germany.  
 At 30 Charlemagne had made himself master of the French and  
 German empires; Cortez had conquered Mexico; and John Howard Payne  
 had sung his deathless song, "Home, Sweet Home."  
 At 28 Raphael painted the "Sistine Madonna"; Thomas Moore wrote  
 "Lalla Rookh" and Pollock his "Course of Time."  
 At 27 Whitney invented the cotton gin.  
 At 26 Howe invented the sewing machine; Benjamin Franklin had  
 written "Poor Richard"; Dickens produced his "Oliver Twist" and Han-  
 nibal had attained command of the Carthaginian army.  
 At 21 Alexander was at the head of his army.  
 At 19 George Washington was a major.  
 At 18 Mendelssohn had produced his "Midsummer Night's Dream"  
 and Bryant "Thanatopsis."

These are but a few shining instances showing that it has always  
 been the day of young men.  
 But never in any previous age did the young man have as good a  
 chance as he has in this.

and Mrs. Hodgins, will take place  
 quietly at the home of the bride's  
 parents, Ottawa, on Wednesday af-  
 ternoon, April 20th.

**Mr. Richey a Nonagenarian.**  
 William Metcalf Richey, Smith's  
 Falls, on Friday last, rounded out  
 ninety years of life. He was born  
 on April 8th, 1831, in Perth; re-  
 moving from that place to Smith's  
 Falls in 1866, and continuing to re-  
 side there ever since. Mr. Richey  
 was long engaged in lumbering on  
 the Mississippi and the Madawaska  
 rivers, and took rafts of square tim-  
 ber to Quebec. He quit lumbering to  
 take a lockmastership on the Rideau  
 canal in Smith's Falls, holding the

**Purchased a Farm.**  
 Sherman Chase has purchased  
 from W. K. Beech, Vancouver, the  
 farm on the north shore of Geisecon  
 Lake, formerly owned by the late  
 P. V. Beech. Mr. and Mrs. Chase  
 will not take possession at once, but  
 will remain on the Davenport farm for  
 this season, which they have occu-  
 pied for several years. Their friends  
 regret their anticipated removal but  
 are pleased to know that they are  
 remaining in the vicinity of  
 Geisecon Lake.

**Lad A Real Good Time.**  
 Mrs. Aylesworth Cole, Milford,  
 was the hostess of a very jolly birth-  
 day party in honor of her daughter,  
 Miss Helen Cole. The rooms were  
 prettily decorated with evergreens  
 and flowers. The evening was spent  
 in games, music and dancing, after  
 which the guests returned to the  
 dining room where a dainty luncheon  
 was served. In the wee small hours  
 of the morning the young guests re-  
 turned to their various homes in Pic-  
 ton, Green Point and Milford.

**Had Thrilling Experience.**  
 Ormand W. Roblin had a thrilling  
 experience when the steamer Govern-  
 or was rammed by a freighter and  
 sunk in the Strait of Juan de Fuca.  
 Mr. Roblin was on his way to Picton  
 to visit his parents, Mr. and Mrs.  
 Adolphus Roblin, Green Point. He  
 boarded the steamer at San Francis-  
 co for Seattle. Roblin was among  
 the last to leave the ship though up  
 at the time of the crash and among  
 the first to know the ship was doom-  
 ed to go under.

**Killed on the Railway.**  
 Mrs. Hannah Sheehan, daughter  
 of the late Mr. and Mrs. John P.  
 Finucane, Renfrew, was killed by a  
 train while crossing the track in her  
 home town, Sullivan, Missouri, on  
 March 26th. Death was instantaneous.  
 Deceased, who was a sister of  
 Mrs. A. H. Hough, Renfrew, was  
 born in Renfrew on May 29, 1849,  
 and was therefore seventy-two years  
 old at the time of her tragic death.

**Mrs. G. Gordon Passed Away**  
 The death occurred on Tuesday in  
 London, Ont., of Mrs. George Gordon,  
 a life-long resident of Trenton, who  
 went to London last autumn to her  
 niece, Mrs. George Mactheth. Mrs.  
 Gordon, who was 93 years of age,  
 had enjoyed splendid health until a  
 few weeks ago, when she had a  
 stroke and never recovered from it.  
 Her body reached Trenton on Friday  
 and she was laid to rest in St.  
 George's Cemetery beside her hus-  
 band, who pre-deceased her about 15  
 years ago.

**Crystal Springs Club.**  
 On Friday evening, April 15th, the  
 U.F.W.O. Club of Crystal Springs  
 held a successful progressive euchre  
 party. About seventy-five people  
 were present and there were twelve  
 tables. Mrs. Morris, president of the  
 club, secured the ladies prize, while  
 Wilson Marsh won the gentlemen's  
 prize. The consolation prizes were  
 given to Marjorie McGee and Wil-  
 liam Patterson. Refreshments were

served about 11.30 o'clock, after  
 which the young people enjoyed  
 dancing till one o'clock. The enjoy-  
 able evening came to a close by the  
 singing of "God Save The King."

**Ninety-Nine Years Old.**  
 One of Cornwall's most venerable  
 citizens, Alexander McNaughton, ex-  
 public school inspector, celebrated  
 the ninety-ninth anniversary of his  
 birth, on Thursday, having been  
 born in the parish of Killin, in Perth-  
 shire, Scotland, on April 14th, 1822.  
 Mr. McNaughton's great age has in  
 no way affected his keenness of inter-  
 est or spryness of activity and he  
 is seen at the post office every day  
 as regular as clockwork, calling for  
 his daily newspaper and other mail,  
 and few are more actively interest-  
 ed in current events than he. He  
 still steps out quite vigorously, and  
 might easily pass for a good many  
 years younger.

**Shipments of Cheese.**  
 Last week the first shipments of  
 cheese went forward to Brockville  
 and Montreal. Sunbury factory, and  
 John Keenan were the early produc-  
 ers this year. Mr. Keenan sold on  
 the street at Brockville at 23 3/4  
 cents and Model got the same price.  
 From present indications there will  
 not be a return to last year's panic,  
 and although prices will be much be-  
 low those of last year, experienced  
 salesmen are of the opinion that the  
 market will be firm. The island fac-  
 tories will have offerings next week  
 when the Frontenac board opens.

**Soldiers Complain**  
 Three returned soldiers, bed-  
 patients at the Sydenham hospital, said  
 they were denied the right to vote  
 on the referendum Monday. Upon  
 being rejected at poll No. 25, Victo-  
 ria ward, they went to the headquar-  
 ters of the Citizens' Liberty League  
 to ascertain what could be done.  
 Their story was as follows:

"On Saturday, the last day of  
 registration, Judge Lavell came out  
 to the Sydenham hospital and per-  
 sonally registered all of the bed-  
 patients to the number of sixteen. We  
 were of that number. He adminis-  
 tered to us the oath and instructed  
 us to vote at Poll No. 25, Victoria  
 Ward. We went to that poll and  
 were rejected. The three patients  
 were H. W. Demsky, H. F. Timleck  
 and A. E. Glashby. All of these  
 men served in the Canadian army in  
 France and came back home as casu-  
 alties, having suffered wounds in  
 several actions.

Judge Lavall was located, and  
 when confronted with the soldiers,  
 remembered registering them, but  
 could not account for the absence of  
 their names from the voters' lists.

**Watchful Waiting.**  
 Diner—"Now, waiter, what do you  
 mean by keeping me waiting so  
 long? I've been waiting here nearly  
 half an hour."  
 Waiter—"Lor' bless you, sir; I've  
 been waiting here nearly ten years."
