The First Step
 towards effective Fire Prevention in the store, factory or home, is the removal of hazardous conditions.

Two out of every three fires occur in dwellings, and are caused principally by carelessness and indifference.

With the high cost of building material, how can our increasing population be taken care of if more than half the number of houses that are built annually are destroyed by fire?

Remove accumulations of rubbish, litter, paper, boxes and odd furniture from attics, cellars and back yards. During the first week of May boys and girls of the province are going to inspect our homes.

Help them to PREVENT FIRES BY REMOVING THE CAUSE

J. L. Murray Elected.
 The bye-election at Renfrew to fill the vacancy in the council caused by the resignation of W. E. Smallfield, was fought out between J. L. Murray and A. L. Handford, Murray winning by 88 votes.

City Corporation Employees' Wages.
 The Kingston City corporation is paying from 35 to 45 cents an hour for laborers, according to ability, and these rates will likely continue all season. The men work nine hours a day.

Bad Hole in Pavement.
 On Thursday evening an automobile which attempted to cross a new excavation in the pavement near the corner of Princess- and Wellington streets, sank. The hole was filled up on Friday.

Is in Bad Shape.
 If the track allowance on the pavement between Barrie and Alfred streets is not repaired in the very near future, some persons may be injured. In some places the road has sunk three inches.

Some of His Holdings.
 The late Judge B. M. Britton had \$593,215 in Canada Victoria bonds; \$31,354 in City of Kingston bonds; \$250 stock in the W. Crothers & Co.

Stop The Waste!
 The dripping stand pipes used for street watering not only cause a serious loss of water but also damage through flooding to the roadbed along side which they are placed. The corner of West street and Park avenue is a striking example.

He is Improving.
 Arthur Moag has been in the Sydenham hospital, Kingston, for some time, and has had to undergo an operation. His condition has been causing his friends much anxiety, but today we are pleased to hear he is somewhat improved.—Smith's Falls News-Record.

A Centenarian Voter.
 The Smith's Falls Record-News is authority for the statement that Mrs. Ellen Daley, aged 104, was among those who voted "dry" at the Newbliss poll in Kitley township at the referendum. She was probably the oldest voter in Eastern Ontario.

Dandelions in Demand.
 Dandelions in this district promise to be a bumper crop. They are in great demand for beverage purposes, and there are lots of people who predict that sooner or later the once hated dandelion will be classed among the important products with a commercial value.

Cutting the Corners.
 There is trouble coming to a number of auto drivers if they continue to "cut the corners." A driver on Stuart street a few days ago came within an ace of turning his car over. He had a lady and a couple of children in the car with him, and had the car tipped over they would probably have been seriously hurt.

Ald. J. W. Litton Better.
 Ald. J. W. Litton, who accompanied by his wife and William McCartney and wife, went to Florida two months ago, is now convalescing

from an attack of typhoid fever which laid him very low. He was confined to his bed for over seven weeks and is now quite reduced in flesh. He expects to return to Kingston in the next few weeks.

Stolen Car Recovered.
 The Kingston police received a wire from Chief Ross, Ottawa, asking them to be on the lookout for an auto stolen in that city a few days ago, and a short time after receiving this telegram they received another telegram stating that the car had been recovered at Rockland.

Working on the Plans.
 Plans and specifications for the new club house for the Kingston Golf and Country club are now being looked over and work will be started on the erection of the building just as soon as the weather is favorable. The new club house will fill a long-felt want.

Died Very Suddenly.
 On Monday afternoon Mrs. Young, Wellington, died suddenly of heart failure. She was in the best of spirits throughout the day. A. A. Mordean drove her to the polling booth at Gilead, as her name was on the list there, and on her return she was visiting Mrs. A. A. Mordean, when she suddenly expired. Mrs. Young was well known, as she made her home with her daughter, Mrs. Norman Mordean.

Seven Carried, Three Defeated.
 Seven by-laws were carried by the ratepayers of Renfrew on Wednesday. Six of the by-laws were false \$51,155 to pay off money already spent. Three were defeated. These were: A by-law to borrow \$2,650 to erect a bridge over a ravine in Plaut Park section, in which there resides half a dozen small houses. A by-law to borrow \$5,000 for a grant to aid community sports and playgrounds in connection with the Agricultural Society and a by-law to borrow \$7,000 to complete the construction of the new fire hall.

His Back Has Not Bothered Him Since
WHY M. WASSIN KNOWS DODD'S KIDNEY PILLS ARE GOOD.

New Brunswick Man is Enthusiastic Over the Remedy That Brought Him Relief—Dodd's Kidney Pills.
 Sisson Ridge, Victoria Co., N. B. April 22nd (Special)—"I know Dodd's Kidney Pills are good."

These enthusiastic words come from Mr. Manzer Wassin, a well-known and highly respected resident here. "I had an awful lame back," Mr. Wassin continued. "I tried two good doctors and they could do nothing for me. So I tried Dodd's Kidney Pills, and before I had taken three boxes I was as well as ever. My back has not bothered me since. I cannot say too much for Dodd's Kidney Pills."

Dodd's Kidney Pills are purely a kidney remedy. They strengthen the kidneys and put them in condition to do their full work of straining the impurities, the seeds of disease, out of the blood.

If you have any of the symptoms of kidney disease ask your neighbors if Dodd's Kidney Pills are not the remedy you are looking for.
