A very smart dance was given in the staff rooms of the Canadian Bank of Commerce, on King street, on Friday evening, by the staffs of both the Kingston branches. Mrs. R. T. Brynner, wearing a handsome gown of black satin and lace, and Mrs. J. Harold Clark, frocked in blue satin veiled in black net, received the guests, who included representatives from every bank in the city. Dancing went on in the large room, which was beautifully decked with spikes of pink snap-dragon, and at midnight supper was served in the cosy supper room, where red and gold, the Bank of Commerce colors, adorned the table, carried out in golden tulle and fragrant red stocks in silver vases. The dance was an exceedingly bright affair and much enjoyed by the fifty or sixty guests.

Mrs. T. D. R. Hemming and Mrs. James Cappon entertained at luncheon at the Country Club on Thursday in honor of Mrs. George K. MacLeod, St. John, N.B. The table was charmingly artistic with begonias in quaint baskets and pansies in silver vases. The guests were, Lady Macdonell, Mrs. W. B. Shuttleworth King, Mrs. MacLeod, Mrs. J. Bell Carruthers, Mrs. Douglas Young, Mrs. Constantine, Mrs. Frank Strange, Mrs. Campbell, Mrs. J. L. Whiting, Mrs.

She Suffered for Twenty-two Years

NOW SHE PRAISES DODD'S KIDNEY PILLS.

Madame Georges St. Laurent Advises All Who Have Bright's Disease to Use Dodd's Kidney Pills and Get Satisfaction.

St. Joachim, Gaspé Co., Que., Apr. 28th (Special).—Dame Georges St. Laurent files, a well-known resident here, never tires of singing the praises of Dodd's Kidney Pills.

"For twenty-two years," Dame St. Laurent states, "I suffered from Bright's disease. I spent a lot of money and tried many remedies without getting any lasting benefit. To-day I am a different woman and I give Dodd's Kidney Pills the credit. 'I recommend everyone suffering from Bright's disease to use Dodd's Kidney Pills. They will get satisfaction.'"

Bright's disease is one of the most serious forms of kidney disease. It has been successfully treated with Dodd's Kidney Pills, as Madame St. Laurent's case shows. But the better way is to guard against such diseases as rheumatism, dropsy, diabetes and Bright's disease by using Dodd's Kidney Pills when the kidney's first get out of order.

Ask your neighbors if Dodd's Kidney Pills are not the greatest of all kidney remedies.

Help Save the Home!

To Principals and Teachers, Scholars and Parents:—

We will send "Home Inspection Blanks" to the teaching staff throughout Ontario for distribution among their pupils.

As patriotic Canadians your sympathetic co-operation is sought in the important work of conserving the lives and property of our people from destruction by fire.

The inspection is planned to take place throughout the province during the week of May 2nd. The primary object of this inspection is to draw attention to hazardous conditions in the homes and have the fire menace removed or corrected by the householders. The housing problem makes the protection of dwellings of paramount importance.

CLEAN UP. Prevent fires by removing the cause.
