"FRUIT-A-TIVES" Made Her Well, Strong and Vigorous

MADAME ARTHUR BEAUCHER

805 Cartier St., Montreal. "I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headache, and was unable to sleep at night. I was getting so thin that I was frightened and saw several physicians who, however, did not seem able to help me.

At last a friend advised me to take 'Fruit-a-tives'. I did so and soon I felt some relief. I continued with 'Fruit-a-tives' and in a short time, the Constipation was banished, I felt no more pains or headache or the disagreeable sensations that follow dyspepsia. Now I am well, strong and vigorous."

Madame ARTHUR BEAUCHER. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or from Fruit-a-tives Limited, Ottawa, Ont.

THE FATEFUL YEARS FOR EVERY WOMAN

How To Overcome Troubles That Afflict Women Only. So far as a woman's health is concerned, probably the most fateful years in her life are those between 45 and 50. Many women enter this period under depressing conditions, through overstrain in household cares, or a neglected condition of the blood, and so they suffer heavily.

Among the commonest symptoms at this time are headaches, pains in the back and sides, feverish palpitation, dizziness and depression. It is well to know that these variations of health can be relieved by home treatment. What women stand in need of all their life, but never more so than in middle age, is rich, red blood. As a tonic for the blood and nerves, Dr. Williams' Pink Pills are always useful, but especially will they help women at this time. Among those who have found benefit through the use of Dr. Williams' Pink Pills is Mrs. J. A. McDougall, Rhodena, N. S., who says: "I was greatly troubled with nervousness, palpitation of the heart, dizziness, and a generally run down condition. It was only with difficulty that I had been taking medicine for some time I did not improve. Finally a friend advised Dr. Williams' Pink Pills, and I got a supply and began taking them. The result more than met my expectations, and I am feeling better than I have done for years, sleep well, eat well, and do my housework much more easily. In my case the pills certainly did what you claim for them."

Dr. Williams' Pink Pills are sold by all dealers in medicine, or you can get them by mail at 50c. a box or six boxes for \$2.50, from the Dr. Williams' Medicine Co., Brockville, Ont.

If you have Catarrhal Deafness or are hard of hearing or have head noises go to your druggist and get 1 ounce of Parment (double strength) and add to it 1/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial—adv.
