Announcement

I beg to announce that I
have sold the business known as
Prouse's Drug Store to Mr.
M. R. McColl, who has been
identified with the store as
manager for some years.
During the past years the
people of Kingston have been
very generous in their support
of this store, and it has been
greatly appreciated.

I trust that Mr. McColl will
be given the same considera-
tion and that he may continue
to enjoy your patronage.

A Mouse in the Bread
The Ottawa Citizen has the fol-
lowing: "Man in Kingston came to
the health inspector and showed him
a loaf of bread with a mouse in it,
which he had purchased from a local

bakery. This should demonstrate
the fallacy that half a loaf is better
than no bread—in Kingston, any-
way."

MATHIEU'S SYRUP OF TAR & COD- LIVER OIL

CURES

Coughs, Colds, Grippe, Bronchitis,
Whooping Cough, Asthma, Etc.
MATHIEU'S SYRUP is a sovereign tonic combining
the curative properties of TAR and the strengthening
virtues of COD LIVER OIL.
Colds, when neglected or badly treated give rise to
consequences of such a grave character that you should
not risk using inferior preparations.
MATHIEU'S SYRUP is the only genuine remedy whose re-
putation has caused to crop up many imitations of doubtful value.

Visited Minden Lodge.
Minden Lodge, No. 253, A. F. &
A. M., received the district deputy
grand master, 14th Masonic district,
Right Worshipful Brother North-
more, Bath, on his official visit on
Tuesday evening. There was a very
large attendance of the brethren as
well as of representatives of the sis-
ter city lodges, and a large delega-
tion from Bath. The work was ex-
emplified by Worshipful Brother
George L. Van Horne and his offi-
cers in a manner that called forth
many compliments. Right Worship-
ful Brother Northmore replied to the
toast to "Grand Lodge," which was
proposed by Right Worshipful Broth-
er John Nicolle. Brothers Shaw,
P. H. Burke, J. deP. Wright respon-
ded to the toast to sister lodges and
Bros. McTear and Skinner for the
visitors. Other speakers were H.
Milne and J. Higgins. Harold Sin-
gletton and Allen Lemmon contrib-
uted to the pleasure of the occasion
by singing some very fine songs.

Must Not Wear Uniform
Strong protest is being made by
the military authorities against per-
sons in their civil occupations wear-
ing articles of uniform without au-
thority, and steps have been taken
to put a stop to this practice, which
is contrary to the statutes. Indeed,
only last year the Criminal Code
was amended to cover this matter,
and Chapter 43, section 10, reads as
follows:
"Any person who without lawful
authority wears any uniform of His
Majesty's Naval, Land or Air forces,
or any uniform which is so similar
to the uniform of the said forces as
to be likely to be mistaken therefor,
shall be liable on summary convic-
tion to a penalty not exceeding \$300
or to imprisonment to a term not
exceeding twelve months or to both
fine and imprisonment."
Instructions now sent out from
military headquarters direct atten-
tion to the fact that uniforms must
not be worn except for military pur-
poses and commanders of units are
directed to see that the order is
carried out.

MAY PROROGUE THURSDAY.

Manitoba House Discusses Ministers'
Increases.
Winnipeg, May 5.—By finally pass-
ing the supply bill, authorizing cur-
rent expenditure of 12,662,775, put-
ting fifteen bills through the final
stages, giving second reading to nu-
merous other bills and making good
progress with consideration of the
supplementary estimates, totalling
\$607,402, the legislature got through
a considerable amount of work to-
day. With such expedition was busi-
ness despatched that the opinion
was confidently expressed by mem-
bers at the close of the night session
that things would be in fine shape
for prorogation Thursday evening.
An item in the supplementary
estimates providing for increasing
the salaries of cabinet ministers from
\$5,000 to \$6,000 was discussed and
the item for \$1,000 increase in the
premier's salary was passed. It was
decided to make a test vote of this
item when the house went in concu-
rence on the supplementary esti-
mates, the decision, for or against,
to apply to all the items raising
ministers' salaries.

June 2nd. At a preliminary meeting
held in Ottawa the opinion was ex-
pressed that at the annual meeting it
would be well to change the constitu-
tion to provide double representation
for each office, including the execu-
tive committee and advisory council.
If this is carried out a man and a
woman will be elected for each of the
offices.
The Liberal women of Ottawa will
also be asked to take full charge of
the proceedings on the evening of
the annual meeting.
