To Meet May 17th and 18th.
The annual Methodist meeting will
be held in Sydenham Street Church
on May 18th. The ministerial ses-
sion will convene the day previous.

Coming to Re-Union.
Dr. Ambrose E. Ilett, of 928 State
street, Watertown, N.Y., will attend
the annual re-union of alumni of
Queen's University. He is a graduate
of 1894.

Gentlemen Read This.
Last week we bought from one of
the leading wholesale houses 25 doz-
en of Tooke's colored shirts, regular
price, \$2.50 to \$4.00, sizes 14 to
16½ which we will put on sale for
\$1.75 each. Prevost, Brock street.

Coal Contracts Awarded.
It is understood that the contract
for coal for the penitentiary has been
awarded to James Richardson &
Sons, Ltd., and that for the asylum
to J. F. Sowards. The work of fill-
ing up the bunkers will proceed at
once.

To Build a Boat.
Capt. Frank Phelps will lay the
keel to a large boat which he will
build for Claude Cole, of Cape Vin-
cent, N.Y. The boat will be 65 feet
long, 16 feet wide and 6 feet deep,
and will be used as a fish tug.

Help The Babies.
Buy a tag. Help the babies in the
Infants' Home. Many workers will
make this appeal to you on Satur-
day, May 7th. Don't turn a deaf ear
to the taggers, but do your best for
the helpless babies. Remember the
date, Saturday, May 7th.

The Menace Remains.
Citizens are asking what the parks
committee is going to do this summer
about the sanitary conditions at the
city parks. When council last year
authorized the installation of proper
equipment why is it that the menace
to health is permitted to remain?

The Shrink in Prices.
The cheese on the Campbellford
board sold on Thursday at 21 cents.
At Kingston twenty-one cents was re-
fused and one buyer offered 22 1-2
cents on the street but this was like-
wise refused. Another buyer inti-

imated that he would give 22 cents
but his offer was not taken. These
prices it is declared will not be pos-
sible next week.

A Correction in Price.
In the College Book Store's advt.
last evening the price of Robert W.
Service's new book, "Ballads of a
Bohemian," was quoted as \$1.00,
whereas it should have read \$1.50.
The error was a typographical one,
and the Whig takes this first oppor-
tunity of pointing out the mistake.
The price quoted was far below the
wholesale price of the new and popu-
lar-volume of verse.

Penitentiary Enquiry.
W. F. Nickle, K.C., commissioner,
who is presiding at the investigation
into the conditions and management
of the female ward of the Portsmouth
penitentiary, adjourned the hearing
on Wednesday and has made an in-
terim report to the minister of jus-
tice. It is expected that the inquiry
will be resumed upon Mr. Nickle's
return to the city today.

Writing Paper Prices Drop.
Canadian paper manufacturers an-
nounce a further decrease of from 19
per cent. to 20 per cent. in the price
of printing and writing papers. In
many cases this will represent a to-
tal decrease of from 30 per cent. to
40 per cent. from the high prices of
last year.
This further decline in prices cov-
ers all grades of what are known as
bond and superfine linen papers.

Died in Toronto.
Mrs. Christopher Richards, an old
resident of Leeds county, died on
Monday at the home of her daughter,
Mrs. F. W. Tisdale, 216 Rusholme
road, Toronto, in her seventy-eighth
year. Mrs. Richards, before her
marriage, was Miss Adelaide McCrea,
a daughter of Col. Hiram McCrea,
who farmed near Frankville. She
married Christopher Richards, who
operated a general store at Frank-
ville, and in 1896 they moved to To-
ronto. Mr. Richards was for many
years engaged in the insurance busi-
ness in Toronto, retiring a few years
ago.

Napanee Girl's Appointment.
Succeeding Miss Mabel C. Jamie-

son, who is shortly relinquishing the
position of general secretary of the
Young Women's Christian Associa-
tion, Montreal, the appointment of
Miss Nellie Brisco, Napanee, is an-
nounced. Miss Brisco has had con-
siderable experience as a social work-
er, particularly in community work
in the United States, her last ap-
pointment being that of community
secretary for the Civic League at
Reading, Pa. Prior to that, she was
a worker with the Fostick Commis-
sion in Portland. It is expected that
Miss Brisco will assume her new du-
ties on June 1st.

Cheese Due For a Fall.
Cheese is evidently due for a sub-
stantial fall from the war prices that
prevailed all last year, despite the
fact that the starting price this sea-
son was 24 5-16 cents. This is shown
by what is taking place just over the
border in New York state. On Tues-
day, cheese was bought in the North-
ern New York markets at 14 cents a
pound according to a report from
Watertown on that day. Dealers re-
ported that there is no market even
at that price. A year ago cheese was
selling at the factories there for 28
to 30 cents.

Found Dead in Bed.
John Blakely, a farmer, Chap-
man's Corners, was found dead in
bed by Mrs. Blakely, when she
awakened Wednesday morning. He
had been in his usual state of health
of late and Tuesday evening
seemed to be well. He had, however,
been feeble for some time on account
of his great age of ninety-five years.
Death was due to heart trouble. Mr.
Blakely was a prominent Orange-
man in his earlier life and will be
buried under Orange auspices at
Thomasburg. He was a member of
the Methodist church.
