TY COBB IS SHOWING WONDERFUL JUDGMENT

His Handling of the Detroit Baseball Team—Most Effective.

Two of the most important things which helped to make Ty Cobb the greatest ball player of all time were his hitting and his faculty of pulling the unexpected while on the path. Ty did not lead the American league in batting last season, but it looks as though one of his players, Harry Heilmann, will be at the top or thereabouts this season. Cobb is using the same judgment as manager that he did as base-runner, and to date his moves have proven effective, even if they were lucky. Writing of some unexpected moves that Cobb has made as a manager, H. G. Salsinger writes in the Detroit News as follows:

"Cobb's strategy has been given a successful test. Whether Tyne has carried an element of luck in his moves is open to discussion, but there can be no dispute on the result.

"In Cleveland last week Cobb took out Carl Holling with a runner on third and one out in the eighth inning. At the time the score was a tie at one run and two Cleveland left-handers were coming to bat. He substituted Hub Leonard, his best left-hander. Two outs followed after errors kicked a run across. Then, in the ninth inning, he used a substitute batter for Leonard and the pinch-batsman delivered a single that tied up the score. 'Suds' Sutherland, a right-hander, was then used by Cobb. He held Cleveland hitless and scoreless for two innings and also drove in the run that decided the result in Detroit's favor.

"Against St. Louis last Saturday Cobb lifted another game into the right side of the ledger by pinch-runners and pinch-batsmen. One run behind in the eighth Heilmann singled with one on and one out. Hale was sent in to run for Heilmann. Flagstead battled for Bobby Jones, who had singled in the third, walked and stole in the sixth. Flagstead singled Veach home with the tying run and Blue followed with a single that scored the winning run and an extra one. So Cobb's switches once more produced results.

"His most severe test came on Sunday. Oldham had outpitched Kolo, the Browns' new phenom, but an error had given St. Louis the only run scored in the game. In the seventh the first two Tigers at bat were retired. Ainsmith drove a sharp rounder at Lamb and the third sacker's high throw went by Slater to the stands, Ainsmith reaching second. Oldham was up. Oldham had hit a three-bagger on his previous time at bat. Since Oldham was pitching invincible ball and under the batting conditions described, it would have seemed good policy to let him bat, particularly with two out. But Cobb did nothing of the kind. He sent in Harry Heilmann, a right-handed batter against the right-handed Kolo. Heilmann was out of the lineup because of an injured hip and a deep spike wound. Heilmann delivered. His single tore by Gleason into right field, scoring Ainsmith with the tying run."

THE NEW AILMENT CALLED GOLF SPINE

And now comes the golf spine and bids fair to be as fashionable as appendicitis or gout. It is the latest form of athletic ailment and is to

golf what the Charley Horse is to baseball, and is the newest income-producer for the medicos, according to one of them, Dr. Homer E. Bailey of St. Louis.

According to Dr. Bailey there are two forms of golf spine. One results from swinging too hard at the club while the player is standing upright, thus straining the spine.

The other form of trouble comes from swinging the club while the player is leaning forward. This causes dislocation of the vertebrae. So in trying to make that hole-in-one, golfers should watch their step when they swing on the little white pill.

Ponies Play Saturday With Alexandria Bay

The senior baseball gets away to an early start this season when the first game is pulled off at the Cricket Field on Saturday with Alexandria Bay and Ponies as the principal actors. A good crowd ought to be out for this initial event.

Stanley Trotter deserves a pat on the back for the work which started things away so early this year. He made no rash promises but here we are with a senior game two or three weeks ahead of the time expected. Looks like a long and a good season.

RACING AND BOXING.

Kentucky Derby and Bantam Title Fight Draw Crowds.

Basing their estimates on reservation of past years, hotelkeepers of Louisville are of the opinion that the 1921 renewal of the Kentucky Derby at Churchill Downs Saturday will be witnessed by the largest crowd that ever saw a horse race in Kentucky. All rooms have been on the reserved list for months, the larger hotels report and a good percentage have been engaged for the past year.

The 12-round fight between Pal Moore, of Memphis, and Joe Lynch, Friday, on the eve of Derby day, also is expected to swell the number of visitors. The fight is for the bantamweight championship.

EVERY MAN ON TEAM BATTED LEFT HANDED

The Detroit Tigers presented an unusual batting line-up in their game with the White Sox at Detroit on Tuesday. Every man on the team batted left-handed against the four Chicago right-hand pitchers.

Young, Bush, and Blue hit from either side of the plate as occasion demands. Shorten was inserted in place of Heilmann and made the left-hand attack unanimous, the others being irregular southpaw hitters.

CANADIAN HOCKEYISTS MAY VISIT NORWAY

There is a proposal on foot to select a team of Canadian hockey players from all over eastern Canada and take them on an educational tour of Norway and Sweden. The Swedes are particularly keen on the Canadian game but the Winnipeg Falcons showed them how little they really knew about the game at Antwerp last spring. Now they want to learn "inside" hockey. The suggested tour will be strictly amateur. Traveling and hotel expenses only will be provided.

Brockville Team Enters
Brockville baseball enthusiasts have appointed delegates to attend a meeting in Cardinal for the purpose of entering a team in the Eastern Ontario Baseball Association, with Prescott, Cardinal, Morrisburg, Iroquois, Spencerville and Winchester. Brockville will also have a strong city league as usual, and if the early closing movement initiated by the merchants and manufacturers carries the scheduled games will be played in the twilight.

Carpentier Sails Saturday
"Jack Dempsey's style" is made to order for me," said Georges Carpentier at Paris. "I believe I will get to him for the count inside of three rounds."

Manager Descamps has booked passage on the French liner Savoie. He and his boxer will leave Paris early Saturday morning by the boat train to Havre. Special accommodations have been fitted up for him on the Savoie, which will enable him to continue his training throughout the voyage.

Another trouble with this country is that too many people devote all of their religion to going to church.
