A FLOURISHING CHURCH

Queen Street Methodist Congregation Has Closed a Most Successful Year.

The members and adherents of Queen Street Methodist church met Tuesday evening in their annual congregational gathering for the reception of reports. The pastor, Rev. W. S. Lennon, presided, and, after devotional exercises, called for the presentation of reports by the various organizations of the church. These were interspersed with solos by Mrs. J. Evans and Mrs. J. Crawford, and recitations by Miss Pringle. The report of the Ladies' Aid Society showed a very prosperous year's work involving the raising of \$1,152.57, notwithstanding which the generous society has now only \$25 in its treasury. The Woman's Missionary Society and its protegee, the Mission Band, reported \$463 raised by them for missions. A pleasing growth in the membership of the Sunday school was also reported by the secretary, and an increase in the school's contribution to missions, which amount this year to \$189. The Epworth League reported forty-five members and a budget of \$220, of which \$61 went to missions. The treasurer of the general account reported that the church began the year with a deficit of \$245 and was closing it with a reduced deficit of \$175, notwithstanding the fact that the payments for pastor's salary, connexional funds, etc., were much in excess of former years. The congregation was delighted to learn that the church's contributions to missions this year, not including those of the W.M.S., amounted to \$1,193, but it was still more manifestly pleased when Capt. Crawford, treasurer of the re-building fund, reported that the total receipts for the fund amounted to date to \$30,492, of which \$30,442 had been expended. The unpaid obligations were now only \$2,000, of which \$1,000 was approximately covered by subscriptions not yet collected, but which it was hoped would be paid shortly. The remaining debt of \$1,000 was a debt within the family, the amount being due to the Ladies' Guild of the church.

On motion of Chief Armstrong, seconded by George A. Bateman, the gathering expressed its gratification at this result and its thanks to the treasurer for the very efficient way in which he had handled this outstanding financial interest of the church. After further interesting reports from the choir and the treasurer of the benevolent fund, the pastor reported an increase of sixty-six in membership during the year, this making the total now 523, while the adherents of the church represented over 450 families. He also reported the performance of thirty-three baptisms and of seventeen marriage ceremonies by himself and his predecessor during the year and that in the same period the church had raised in all its departments the very respectable grand total of \$11,775. The balloting for society representatives on the quarterly official board resulted in the election of the following on the first ballot: Chief Armstrong, R. M. Allen, W. H. Wormwith, George McCallum, George A. Smith, F. T. Paynter, M. MacDonald, and James Rankin. The business was followed by a half hour of congregational social fellowship during which refreshments were served by the ladies of the congregation, and the gathering was brought to a close by the singing of the national anthem.

MARRIED IN MONTREAL.
The Groom A Former Resident of Kingston. The marriage took place at the First Presbyterian church Montreal, on Monday, at eight o'clock of Miss Helen Grace Rowley, daughter of Mr. and Mrs. John Rowley, Lansdowne avenue, Westmount, to Dr. Victor William Sargent, Alexandria, Ont., son of Mr. and Mrs. F. R. Sargent, Kingston. The ceremony was performed by Rev. Malcom Campbell. The bride was given away by her father and wore a travelling costume of navy blue tulle with a blue hat trimmed with platinum grey French flowers, grey squirrel furs and grey shoes and stockings, and her shower bouquet was of orchids with sunset roses and lilies of the valley. Miss Jean Rowley attended her sister as bridesmaid and wore a navy blue tulle gown with a hat of the same shade and carried a bouquet of marguerites. The best man was Dr. Kenneth Mundell. Mrs. Rowley, mother of the bride, wore a gown of black tulle and georgette with a black hat. Following the ceremony, a reception was held in the church parlors, owing to illness in the home of the bride. Dr. and Mrs. Sargent will spend their honeymoon in Kingston, Buffalo, Niagara and Lake Placid and will return to Montreal before taking up their residence at Alexandria, Ont. Out of town guests included Mr. and Mrs. Harry Sargent, and Mr. and Mrs. George Sargent, with their daughter, all of Kingston.

Waterworks Debenture Debt.
Chairman R. F. Elliott informed the public utilities commission at its meeting Monday afternoon that in 1928 the last of the debentures on the waterworks plant will be wiped out and the department will be free from debt with a plant worth nearly \$900,000.

At Simla, India, the Earl of Reading, viceroy of India, has had a long interview with Mohandas Karamchand Gandhi, leader of the Indian Nationalists.

DAYLIGHT SAVING COSTLY FOR SCHOOLS

It Will Mean an Extra Expenditure of \$500 For Coal.

Kingston went on daylight saving on May 1st, and the Whig learns that it means an extra expenditure of \$500 on the school board's coal bill.

With the opening of the schools an hour earlier these chilly mornings, it means that the janitor must fire up for a couple of hours in order to make the rooms comfortable for the scholars.

Many citizens are of the opinion that daylight saving should not be commenced until the middle of May. By this time the sun would be much warmer and there would be no need of putting on fires.

DID NOT KNOW WHO FIRED THE FATAL SHOT

Roy Hotrum Said That He Ran, Followed by McFadden.

Toronto, May 17.—Roy Hotrum, convicted of murder on Saturday in connection with the death of L. C. Sabine, druggist, on March 5th, took his stand in the witness box this morning to testify in the trial of his fellow robber, William McFadden, who is being tried before Justice Logie on the same charge. The convicted youth is in a pitiable state of nervousness, and his incoherence has given way. Telling of events leading up to the shooting of Sabine, Hotrum's evidence was substantially the same as given previously. He claimed McFadden had a large black revolver. He claimed he warned McFadden to be careful and not use his gun. The prisoner seemed nervous and replied, "Don't worry," said Hotrum. When Sabine grappled with McFadden, Hotrum said he heard a shot but he didn't know whether it was Sabine or McFadden who fired. Witness said he was at the door and ran, followed by McFadden.
