GARFIELD ESCAPES FROM DEATH CELL

(Continued from Page 1)

Escaped in Ford Car. Woodstock, May 26.—Norman Garfield, escaped convict, is still at large. To-day the authorities are just as much in the dark as they were last night. Not one trace of Ben Johnson's murderer has been heard outside of a report from Hickson, seven miles north of here, that he had passed through that village shortly after his escape in a Ford car, stolen from Elmer Hossack, who lives two blocks from the jail. Very much interest centres in the actions of Rev. Mr. Gaetz, Garfield's spiritual advisor, who was brushed aside in the jail corridor by the prisoner when he was escaping. The question is now asked: "Why didn't Mr. Gaetz follow Garfield out to the street and then sound the alarm?" Baseball players and others were just across the street and could possibly have intercepted Garfield in his escape.

The family of Elmer Hossack witnessed Garfield take the car but at the time thought another member of the family was just going for a ride. It was learned that the jail officials had never regarded it as necessary to strip Garfield of his blue serge suit, and he was allowed to have his peak cap in the cell. He was under care of two guards who worked twelve-hour shifts. He made his getaway therefore, in complete civilian attire.

Reward of \$1,000. Toronto, May 26.—The provincial government announced to-day that a reward of one thousand dollars would be paid for the capture of Norman Garfield. The attorney-general will make application to Ottawa for postponement of the date of hanging, which was set for June 2nd.

Rev. Mr. Gaetz's Story. Rev. Mr. Gaetz was interviewed this morning concerning the action he took yesterday when he witnessed Garfield go out the door at the jail without following him, and giving the alarm to people who were across the road in the park. Mr. Gaetz said: "I was not Garfield's guard. It was not my place to follow him out on the street and give the alarm. In fact after Norman knocked me back, I had not fully recovered before he had unlocked the door, was outside and had slammed the gate shut again. I did what I thought was my duty and ran back to find the guard for whose safety I was concerned. I did not know what might have happened to him. When I reached the stairs I yelled to him and hearing his voice above, went to him. I found the cell key in the door, unlocked it and released the imprisoned man. I think I took the proper course and believe the jail officials will bear me out in the action I took."

The escape of Norman Garfield on Wednesday from the Woodstock jail where he was awaiting execution on June 2nd is the subject of much local comment, because his brother Denton Garfield, is serving a sentence in the Portsmouth penitentiary. When asked whether word had reached Denton of his brother's escape, Warden W. P. Ponsford said: "No, and no word of the escape will be communicated to him, and no statement as to how the prisoner feels over the escape of his brother will be made public." Beyond this Warden Ponsford had nothing to say, as he had not, himself, heard of the Woodstock escape, up to that time he said.

REGIOPOLIS CADET CORPS Made a Very Fine Showing at the Inspection. The inspection of the cadet corps at Regiopolis college took place at the college grounds on Wednesday morning and the corps was in full strength, 110 being on parade. Lt.-Col. G. H. Gillespie was the inspecting officer, and Capt. the Rev. Father Nicholson, dean of the college, was present to see the work performed. At the conclusion, Lt.-Col. Gillespie expressed great satisfaction with all he saw and complimented Lieut. Noel Gill, cadet instructor, and the boys upon the splendid showing. He stated that rifle shooting would be provided for in the near future. From the material available at the college he was of the opinion that one of the finest corps in the district could be raised there.

Father Nicholson thanked Lt.-Col. Gillespie for his words of praise, and congratulated Lieut. Gill on the exhibition given by his unit. He gave the boys a half holiday in recognition of their work.

The Diamond Queen. The opening scenes of this adventure serial are laid in and near New York city. Later the scene shifts to the diamond country of Africa and its surrounding jungle land. The melodramatic incidents themselves, as well as the intermediate stretches of the story, are better than common. Don't fail to see the first episode of this eighteen week serial, which will be shown at the King Edward theatre, Friday and Saturday, 27th and 28th.—Adv.

London detectives, two months ago sent a warning to the police of Woodstock that friends of Norman Garfield would likely make an attempt to assist him to escape from Oxford jail.

Mr. and Mrs. M. J. Kennedy, Kingston, were visitors with Mr. J. J. Walsh, 38 Strathcona avenue, Hamilton, for a few days recently. Big half price sale, ladies' pumps Friday and Saturday, Lockett's. South Belfast will elect four loyalists in the new house.

THE VERY BEST THIS YEAR

Should Be the Closest Between Deferiet and Ponies.

Deferiet, N.Y., and Ponies meet here on Friday and Saturday, of this week and from the standard of both teams and their showing together in Deferiet the two games this week-end should be among the best played here this summer. It is only a short time since these two teams played a close game in Deferiet, the score standing 2-1 for the Americans at the end and their lead maintained only by the hardest work.

Knowing what they are up against the visitors will bring in a strong team and will work hard for the victory as they always do. The fans will remember the Deferiet games here last summer as some of the best of the season.

On June 3rd and 4th Ottawa Senators come here. Here is another crackerjack team, and, although they played only two games here last year, those games were good ones. Proulx, their catcher, is still with them. Only last Sunday Proulx played on the opposite battery when Skuce, the famous City League twirler at Ottawa, went down to his first defeat this season.

Ogdensburg is billed for the 10th and 11th of June and, although the team brought here from that town last year turned out to be a farce against the locals, although they did provide some good entertainment, it is said that the genuine ball-playing thing is on the job this year for the river town and these games will tell the tale.

These six games look good to the fans and the financial secretary of the Ponies is hoping that they will each look good a quarter's worth or so.

Fat Men To Play. Heavyweights of the Kiwanians and Rotarians are to be called into action. A burlesque baseball game between the heavy ball tossers is to be played in the near future, and will prove an attractive feature. It is hardly expected that there will be many practices, as most of the players will depend upon former cricket, football and hockey efforts to prepare them for the contest. It is believed that the exhibition, if not first-class in a technical sense, will at least provide considerable amusement for the spectators.

Bowling Games Postponed. The semi-finals in the Rockwood hospital bowling tournament, which were to have been played on Wednesday evening, had to be postponed on account of the dampness until Thursday evening.

FRONTENAC QUOIT CLUB

Holds Its First Competition at Kingston Mills

The members of the Frontenac Quoit Club played off their first match on May 24th at Kingston Mills. About fifty motored down in the forenoon with their families. The ladies prepared dinner on the green at the locks and tables were used, which made everything more enjoyable for the guests and friends.

In the afternoon the crowd increased to about three hundred to take part in the games. Fourteen rinks were measured and marked off by the committee. Dr. F. Waugh, president, J. B. Baxter and Secretary-Treasurer E. C. Barrett and fifty-six entered the contest. The doubles in the finals were won by M. Greenlee and James Bradden. The doubles in the final consolation were won by G. Ralffe and N. Morrison. Singles were won by John Cottrell.

The members of the club are very much pleased with the result of their initial meeting, and from the enthusiasm displayed by the members and their friends the summer series of games, which has been arranged, will be very enjoyable.

The K.C.I. Field Day. On Friday a field day is to be held on Queen's campus by the K.C.I., beginning at 9:30 a.m. Junior races are open only to those under sixteen, Captain H. Law will be the official scorer, Mr. Slier starter, Mr. Hedley timekeeper, Prof. McDonald and Prof. Baker judges.

High School League Protest. The protests of Regiopolis College over the two baseball games played with K.C.I. were taken up by the executive committee at the Y.M.C.A. on Wednesday. Principal Sims represented Sydenham, and Mr. Quinn Regiopolis College. The protest upon the first game, which came to an end with seven innings, was sustained, but the second one lost to K.C.I. upon the decision of the base umpire. The first game was ordered to be replayed and the date set was June 4th at 10 a.m. The decision makes a tie between K.C.I. and Regiopolis College, and should the college win the game on June 4th, another will have to be played.

DEWAR-CHOWN NUPTIALS

The Marriage Took Place Very Quietly on Thursday Afternoon.

In the presence of only a few immediate friends and relatives, a very quiet wedding took place at 2:30 on Thursday afternoon, at "Sunnyside," when Dorothy, daughter of the late G. Y. Chown, was united in marriage to Howard Douglas Dewar, eldest son of George I. Dewar, Ottawa. Dr. Alfred Lavell, uncle of the bride, assisted by Rev. W. T. G. Brown, pastor of Sydenham street Methodist church, officiating. The beautiful rooms were fragrant with the lilies and ferns used for their decoration and which formed an arch at one end of the drawing room where the ceremony took place. The sweet-faced girlish bride wore a simple wedding gown of white georgette and satin, with lovely Princess lace, and a tulle wedding veil fell from her dark hair. Her bouquet was of sweetheart roses and lily-of-the-valley. Miss Barbara Clark, her flower girl, was frocked in yellow organdie, and with her Dutch lace cap and basket of pink and mauve sweet peas, made a dainty picture. Immediately after the ceremony dainty refreshments were served and then amid many good wishes Mr. and Mrs. Dewar left for Algonquin Park, where they will spend the honeymoon, returning later to their home in Ottawa. The bride travelled in a navy blue suit of tulle, hat of navy mohair and wore the gift of the groom, a fur choker of Hudson Bay sable. The out-of-town guests were George I. Dewar, Miss Mary Dewar, Leonard and Gordon Dewar, Ottawa. Miss Laurenda McAndrew, Dr. and Mrs. A. E. Lavell, Miss Nora Lavell, Toronto and Stanley T. Chown, Renfrew.

MRS. H. PRICE IS ELECTED

President of the Woman's Auxiliary of the Diocese of Ontario.

At the Wednesday session of the Woman's Auxiliary of the Diocese of Ontario, now holding its annual meeting in Brockville, thirteen members of the board, eighty-eight presbyters and delegates from parochial branches, four deanery secretaries, and three Dominion life members were present. The treasurer reported a total of \$5,147.88, of which \$1,637.75 was given to Canadian missions and \$1,701.40 to general missions. Twenty-one new life members were announced for the year. 336 "Leaflets" are taken in the diocese. The extra-cent-a-day total was \$181.00.

Miss Halson, General Dorcas secretary, Toronto, was the afternoon speaker, and told of the growth and consolidation of the church. From the plan adopted a short time ago of the W. A. taking over the work among the women and children in the foreign field, has grown the idea, now being put into practice, of taking over the same work in the home field. Nearly all the Indian schools have been rebuilt by the government, and while this is a great improvement, the call for money and workers is increased. The Gordon schools at Qu'Appelle, Chapleau and Lac la Ronge are in need of workers. Over 1,000 Indian children are in the schools.

On a motion by Miss Muckleston, seconded by Mrs. J. W. Jones, it was decided that the balloting for the president should take place on the first day, and Miss Macaulay, the retiring president, announced that Mrs. Havlock Price, Kingston, was elected as president of the Woman's Auxiliary of the Diocese of Ontario. Miss Macaulay, whose resignation is greatly regretted, read a splendid address. The evening session, with Rev. A. F. C. Whalley in the chair, was devoted to Junior work, with an address by Miss Harris, Cairo, Egypt (Illustrated), on "Old Things and New."
