KIWANIS WIN AGAIN; DEFEAT ROTARY, 14-2

Kiwans again romped home the victors, and the easy victors this time, when they defeated Rotarians in baseball at the cricket field on Thursday evening, 14 to 2. The Kiwanians turned out a team almost entirely new, with many of the old-timers on the line-up and a few of their dark horses on the playing field for the first time. The Rotarians had a new man in the box in the person of Dr. Jim Stewart but he could not hold down the heavy hitters of the opposing team.

The game was not nearly as good an exhibition as the first event in this series. Rotarians were away before

low scratch and only rallied once when they put out their opponents in one-two-three order in the third inning. They did a little batting in the first round and succeeded in getting in two runs but there their ball-playing activities must have got tangled with something else as that was the end of their showing in the scoring columns.

In the second inning, with Wilson at the bat for Kiwanis and Van Horne on first, Van started to get gay and was caught between first and second, but outwitted three or four Rotarians after some see-sawing. Later, he repeated the same stunt between second and third but the master mind of M. S. Grace was on the job and defeated Van's aim at committing a felony on third.

Herb Steacy talked consistently but his team refused to rally. Besides, Harold Hughes and W. J. Moore just about drowned him out on the sidelines. Stanley Trotter stood behind the pitcher and took abuse for five innings this time.

The teams:
Rotarians—Sims, c; Stewart, p; Graham, 1b; Hanley, 2b; Grace, 3b; Steacy, ss; Richardson, cf; Martin, lf; Ward, rf.
Kiwans—Van Horne, c; Driver, p; Sowards, 1b; Robertson, 2b; Wilson, 3b; Dick, ss; W. Cooke, cf; Lockett, rf; Asselstine, lf.
Umpire—Stanley Trotter.

Rotary-Kiwans Game.
We want more Kiwanis and Rotary entertainments. Rotary must win one game from Kiwanis before the rail birds will be satisfied. Perhaps those old-timers on the Kiwanis line-up didn't hit. Jack Sowards showed up the performance

of Jim Sowards a few days ago in fine style. Bill Cooke is a regular ball player. He did not want to stay in the field but came in to short for some of the fun.

Jack Asselstine is hailed as the Babe Ruth of this series by unanimous vote.

Joe Daly says "Humpty" is a punk pitcher.

Ned Martin does not like the bumps in left field. He trips over them while fielding those high ones. For field generalship M. S. Grace wins the prize.

GOLF NOTES

Like others, golfers like a good loser and some are even willing to contribute to his enjoyment by playing a game with him.

A ball on the green is worth two in the thickets.

There are some followers of the links who need an extended atmosphere when they start to play on account of the extravagant flourishes of both club and tongue.

Don't get crabby during the game. It isn't fair to your own playing or that of your opponent, and is a tremendous waste of energy besides. Mostly, what you get crabby about is your own fault.

After you've pulled off something to make the rail birds sit up and take notice, there is no reason to swell your chest and look important. Make sure you can do that same thing whenever you want to before you get chippy.

SMILES

A SUITABLE OCCUPATION
Turtle: I'm hunting a job.
Rabbit: Why don't you hire yourself out as a washboard in a laundry?

AT THE CROSSROADS
Carpenter: In my work I saw my duty was always plane. I never sugar; act on the level; brace myself a bit, and find it adz to the happiness of life.

Blacksmith: In mine the thing is to strike while the iron is hot; weld your interests; don't be a nut; watch Fortune's wheel as it turns; never tire, and a fellow is bound to win.

FATHER'S CHRISTMAS
"Well, what did you get on Christmas?"
"A notice from the bank that my account was overdrawn."

Little Bits.

Another senior team in the city. The more the merrier.

They say we'll here "Buck" Palmer once more. That will relieve the monotony, because, outside of Bob Bushell, no person has been making a noise lately.

However, Buck will want to remember the dose that Doyle got when he lead his Leafs into Buffalo and disapproved of the umpire. It would never do to have a Kingston manager suspended for three days.

Ponies carry quite a few men at the present and possibly some of them can be utilized for the new team. At any rate Cotman, Arniel, Schultz, Somerville, Beswick, Nicholson, Hall, Spoor and other good players are unoccupied in the baseball line just now.

Over 110 hikers started in the City Hall-to-Coney Island race of the Walkers' Club of America the other day. We've seen some of those "walking" competitions in baseball also.

French critics are of the opinion that the world's hard court tennis championship at St. Cloud will produce only William T. Tilden as a winner in the singles and possibly Tilden and Mrs. Mallory in the doubles as champions from the American team.

Time things started going again. We've only had one home run here this year, in senior circles. Bert Daley and Ernie Ryan hold even honors in Kingston's major leagues.

Wright is the only American left in the running for the British Amateur Golf Championship

France will refuse to enter the Olympic if German entries are admitted, is the report

Barry McCormick, National League Umpire, says Dempsey will put Carpenter away within four rounds.

About this time last year Ruth made his seventh home run and he can be credited with doubling that so far this year.
