

On the Old Farm in Springtime

I was out driving a three-horse team on the disc harrow," writes Mr. Edward Crane, of Kilmora, Ont., "when part of the harness broke. While fixing it, one of the horses kicked out and knocked my arm against the sharp edge of the harrow. I was severely cut about the elbow and wrist.

"Not being able to leave work to get the wound dressed, dirt got into it, and my arm grew so stiff and painful that it looked as if I was in for a bad time. As soon as I could, I washed the wound and dressed it with Zam-Buk. Next day the arm was much less sore, and the stiffness less troublesome. I continued to use herbal Zam-Buk freely and in a few days it healed the injuries splendidly. Zam-Buk should be on every farm."

Zam-Buk is the purest, safest and most wonderful healing substance in the world. Invaluable for eczema, ulcers, ringworm, poisoned sores, burns, scalds, pimples, boils, and other spring skin eruptions. All Dealers 50c. box, 3 for \$1.25, or from Zam-Buk Co., Toronto.

TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy Stomach and Acid Indigestion.

Doubtless if you are a sufferer from indigestion, you have already tried peppermint, charcoal, drugs and various digestive aids and you know these things will not cure your trouble—in some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic just try the effect of a little bisulphated magnesia—not the ordinary commercial carbonate, citrate, oxide or milk, but the pure bisulphated magnesia which you can obtain from practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach, which now causes your food to ferment and sour, causing gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most everything you eat.

You will find that provided you take a little bisulphated magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort to follow and moreover, the continued use of the bisulphated magnesia can not injure the stomach in any way as long as there are any symptoms of acid indigestion.

ALMONTE VISITED BY A ROBBER BAND

Four Stores Burglarized and Safes in Each Instance Are Broken Into.

Almonte, May 27.—For the second time in two weeks Almonte was visited by robbers. On Tuesday morning the stores were burglarized of M. R. McFarlane, druggist; W. E. Scott, furniture store; Knight Bros., hardware, and W. E. West, general merchant. So far none of the parties concerned are able to state definitely their losses but it is believed that valuable papers and goods have been taken. In McFarlane's and Scott's and West's stores the safes were broken into in each instance and the contents completely and systematically rifled. Evidently the burglars took their time. A small sum of money and valuable papers are missing from each safe. A quantity of gold-mounted fountain pens and some cameras and other goods were stolen from McFarlane's store. In Knight Bros.' store the till was broken into and about \$30 in cash taken. The local police authorities have taken prompt action in the matter and developments are early expected.
