GIFTS FOR MRS. BROWN INCIDENTS OF THE DAY

Loving Remembrances From the Women's Missionary Society.

On Tuesday afternoon an event which mingled pleasure with pain took place at the close of the Women's Missionary Society meeting in Sydenham Street Methodist church hall, when, after an address in which regrets felt by the society in losing from their ranks Mrs. W. T. G. Brown, and their love and appreciation of her valuable work and hospitality were expressed had been read by Miss Hattie Chown, she was presented with a beautiful gavel, table, an electric lamp and a lovely string of matched pearls, by the members of the society of the church. Mrs. Brown's reply was simple and heartfelt and she expressed the hope that she would be able to give a cup of tea made at the table to some or all of the members of the society in her new home in Ottawa.

Mrs. G. Harold Ettinger gave a splendid report of the recent convention held in Brockville. She was sent as a delegate from the church auxiliary.

Mrs. W. W. Chown and Mrs. A. E. Knapp, also at the branch meeting, said a few words. Mrs. Knapp said that the district meeting would likely be held in Seeley's Bay in the fall, as that society had requested that the meeting take place there.

Sydenham Street auxiliary has an objective of \$1,500 for next year. This society has the record of contributing the second largest amount in the Montreal conference this year.

Miss Olive Woodman, whose singing is always enjoyed, sang "My Task."

The Presbyterian General Assembly is to convene in Toronto to-night. It is interesting in this connection to note that the first Canadian Presbyterian Assembly convened in St. Andrew's church, Kingston, on June 8th, 1831, ninety years ago.

The remains of the late Mrs. Annie Wiswall, who passed away in Utica, N.Y., reached Kingston via the steamer Waubic on Tuesday, and were received by John Cornelius, undertaker. The funeral took place privately to Cataract cemetery on Wednesday.

THE LATE NIRAM SPOONER

Moved From Latimer to Kingston Twelve Years Ago.

The death of Niram Spooner occurred on Wednesday, May 25th, at his home, 217 Division street. Although his health had been failing for the past three years, still his death came as a great shock to his wife and children, and other relatives. He was born at Latimer in 1841 and lived there all his life until twelve years ago when he moved to Kingston. He was married twice. In 1873 he was married to Elizabeth Spooner (widow of the late Dr. George Spooner), she dying in 1903. While residing in Latimer he was very faithful in attending every service held in the church which he loved so much and during his lifetime he held nearly every office connected with the church.

Three children survive, viz., Dr. A. C. Spooner, Bainville, Montana; Mrs. Harry Darling, Latimer, and

PITTSBURG U.F.O. PICNIC

Was Held on Tuesday Afternoon—There Was a Large Attendance.

The first U.F.O. picnic was held in Duggan's Grove, Pittsburg, on Tuesday afternoon, and there was a large attendance. In addition to speeches, there was a baseball match between Howe Island and Pittserry, and a quill tournament in which fourteen teams took part. Owing to rain the games were unfinished.

A. E. Weller, secretary of the U.F.O., and manager of the co-operative company, presided. The speakers were A. A. Power, general manager U.F.O. Co-operative Company, J. L. F. Sproule, county director, and Robert J. Bushell.

Mr. Power discussed farmers' interests, and told of the progress of the co-operative movement in Ontario. Touching upon politics, he declared that the American emergency tariff was very injurious to the Ontario farmer, while it was beneficial to the American farmer. He showed how it placed a thirty per cent. duty on all Canadian farm produce and this practically upon the local markets and cause an over-supply. As an example, he mentioned the Toronto cattle market. Formerly the surplus stock was disposed of at Buffalo and Cleveland and a glut on the market was prevented, but now the Buffalo and Cleveland markets are closed to Canadian cattle and farmers have no way of getting rid of their surplus stock unless Canada is able to develop a trade in Europe. The speaker expected to see a change in the flow of Canadian trade to United States. It would now go through Montreal to Britain. Of course the emergency tariff is only to be in operation for six months pending the formation of a permanent tariff but he warned his hearers not to expect anything from the present United States government.

Mr. Sproule spoke on the local activities of the U.F.O. Company. R. J. Bushell spoke on the Kingston agricultural fair and solicited the hearty support of all present.

A MOTHER IS SENT TO JAIL FOR MISCONDUCT

Kept Disorderly House—Two Girls in House Allowed Their Freedom.

John Pollic, children's aid inspector, has a two-year-old baby on his hands and does not know what to do with it. The infant's home is quarantined on account of mumps, and the child, glibly oblivious to fate, is allowing the inspector to search for a home.

The child's mother, Mrs. Mary Richards, 28 Ellice street, was sentenced to three months in jail on Wednesday morning as the keeper of a disorderly house. Complaints from neighbors, who appeared as witnesses, resulted in her apprehension after several warnings had been given. Stories of midnight revels and drunken brawls were told, and Constable Cotter testified that on Tuesday afternoon, when the police had raided the house, one full and thirteen empty whiskey bottles were counted.

Two young girls charged with being frequenters of the house were allowed to go on suspended sentence. It was their first appearance in court and they were advised by the magistrate to return to their homes in the country lest they meet further temptations here.
