 Conferences.

REV. R. H. BELL, B.A.
 The Montreal Methodist conference
 has ratified the appointment of Rev.
 R. H. Bell, B.A., of High Park Ave-
 nue Methodist Church, Toronto, to
 the pastorate of Sydenham Street
 Methodist church in this city, suc-
 cessor to Rev. W. T. G. Brown, who
 goes to Dominion church, Ottawa.

Mr. Bell comes to Kingston highly
 spoken of for scholarship, piety and
 sincere work. He is looking forward
 with a high degree of expectancy to
 his pastorate in Kingston, which has
 been represented to him as a great
 opportunity. His aim will be to do,
 with all his powers, the work that
 most needs to be done in this historic
 church and city.
 Rev. Mr. Bell has spent twenty-
 five years in the ministry. He was
 trained in Victoria College, Toronto,
 affiliated with the university of To-
 ronto, and graduated in 1895 and the
 same year he entered the ministry in

NEVER MIND YOUR MISTAKES
 By CHARLES GRANT MILLER
 (Copyright, 1921. All Rights Reserved by United Feature Syndicate.)

The people who make mistakes lead the world.
 The perfect people work for them, running errands and counting
 columns of figures.
 Only trifles are always true. Every great and serious truth has
 an obverse side which is also true.
 Prof. William James was the greatest psychologist of our time, but
 the best he could do in defining truth was this:
 "The truth is simply what will work."
 Whatever is may not necessarily be right, in spite of Pope; but
 whatever is is. That is the main point. And it is every man's job to
 accept the is-ness and get down to business.
 Most men have the wrong location, have taken up the wrong pro-
 fession, have failed to improve the opportunities for education, they
 had in youth, have not married the woman ideally suited to them, have
 not the money, influence and position they need to show what's in them.
 And they are of two classes. One class sits around the loafing places
 and tells its woes, and whittles, and pities itself. The other plucks up
 its feet, takes the situation as it is and makes the best of things.
 The genius is not the man who never mistakes, who had his chance
 thrust on him, who was endowed and all that; he is the man who had
 no chance and was not gifted, but who took the raw material of life
 and fate as he found it and made something fine out of it.
 The only perfect person you will ever meet is the perfect fool.
 The faultless—they are the biggest frauds of us all.

building at Picton hitherto used as a
 home will be disposed of.

Sanford Reddick Dead.
 Sanford Reddick, a prosperous
 farmer of Sydney township, passed
 away May 25th. Besides his widow
 he leaves six children. Rev. C. S.
 Reddick, Janetville, B. A. Reddick,
 Cornwall; L. A. Reddick, Napanee;
 Mrs. W. Morly, Belleville; Mrs. J.
 Cornhill Southfield; and Mrs. Percy
 DeMille, Trenton.

Annual Summer School.
 The Kingston Garrison Rifle As-
 sociation is getting ready for the
 annual summer shoot and the number
 of competitors for the honors in
 marksmanship is expected to be the
 biggest in many years. Wednesday
 afternoon members of the C.P.O.C.
 tested out a large number of rifles
 on the Barrfield ranges that were
 to be used for sharpshooting.

Two New Trustees Wanted.
 Two vacancies now exist on the
 Belleville board of education, caused
 by the resignations of A. E. Bailey
 who withdrew some time ago and N.
 D. MacFadyen who resigned last
 evening on account of his removal to
 Montreal.

Well, elect them, the board has
 the power without going to the elec-
 tors.

Heavy Buying in Coal
 The Schuster Co., Limited, Belle-
 ville, has been awarded the contract
 for supplying the Ontario School for
 the Deaf with 2,500 tons of slack
 coal and 250 tons L. L. & W. Scran-
 ton. The County of Hastings has con-
 tracted with the same firm for their
 entire supply, consisting of 350 tons
 hard coal and smokeless, the latter
 being for the House of Refuge.

A Death at Centerville.
 Edward Brady, aged about twenty-
 five years, passed away at the home
 of his father, John Brady, Hinch-
 street, Centerville, early on Wednes-
 day. Deceased had been ailing since
 last autumn of heart trouble and of
 late had suffered a good deal. The

the Hamilton conference, and was
 sent to Cathcart circuit. Later he
 was pastor at Hickson and Otterville,
 then to Charlton avenue church,
 Hamilton, and Dublin street, Guelph.
 Seven years ago he was transferred
 to the Toronto conference and sta-
 tioned at Danforth avenue church
 and High Park avenue church. His
 work in all his charges has been
 eminently successful. Mr. Bell and
 family will have a warm welcome.
 He will begin his ministry the first
 Sunday in July.

 the gymnasium exercises were des-
 criptive. In the gym, "A" and "B"
 companies reached a deadlock in a

 game commenced at 1.30, standard

ALL WORRIED WOMEN
NEED RICH BLOOD
 If the Blood is Not Kept Pure Health
 Will Break Down.
 It is useless to tell a hard working
 woman to take life easily and not to
 worry. To do so is to ask the almost
 impossible. But, at the same time, it
 is the duty of every woman to save
 her strength to meet any unusual de-
 mands. It is a duty she owes herself
 and family for her future health may
 depend upon it.
 To guard against a complete break-
 down in health the blood must be
 kept rich, red and pure. No other me-
 dicine does this so well as Dr. Wil-
 liams' Pink Pills. This medicine
 strengthens the nerves, restores the
 appetite and keeps every organ
 healthy toned up. Women cannot
 always rest when they should, but
 they can keep their strength by the
 occasional use of Dr. Williams' Pink
 Pills. Among those who have found
 benefit from this medicine is Mrs.
 Cora Conrad, Broad Cove, N.S., who
 says: "My system was very much
 run down, and my blood poor and
 watery. I suffered a great deal from
 headaches and dizziness; my appe-
 tite was poor, and I tired easily. I
 decided to try Dr. Williams' Pink
 Pills and have every reason to be
 glad that I did so. Soon I felt better,
 and under the continued use of the
 pills the headaches and dizziness
 were gone, and my blood seemed in
 a better condition than before. For
 this reason I recommend Dr. Wil-
 liams' Pink Pills."
 You can get Dr. Williams' Pink
 Pills through any dealer in medicine
 or by mail at 50 cents a box or six
 boxes for \$2.50 from The Dr. Wil-
 liams' Medicine Co., Brockville, Ont.

LIGHTED A MATCH
TO DYNAMITE CAP
 Harry Shaw and George
 Ewings, Montreal, Are
 Injured at Napanee.

Harry Shaw, aged 21, and George
 Ewings, aged 20, both of Montreal,
 were walking along the railway
 tracks at Napanee about 3 o'clock on
 Wednesday afternoon. Shaw noticed
 something on the ground and was
 curious to ascertain what it was. It
 turned out to be a dynamite cap, but
 Shaw did not have his curiosity sat-
 isfied until he had lighted a match to
 his find.
 An explosion followed, and as a
 result Shaw had the end of one
 thumb and two fingers blown off,
 and a piece of the cap also penetrated
 his leg. His companion suffered
 severe scratches about the head.
 After being given first aid by Dr.
 Stratton, the latter, with Chief of
 Police Barrett, Napanee, rushed the
 injured men to the Kingston Gen-
 eral Hospital, arriving here shortly
 before 6 o'clock. They are doing nicely
 and will recover.
