PONIES WIN EASILY IN HOLIDAY GAME

Toyed With Ottawa Team After Getting Enough Runs to Ensure a Victory.

The largest crowd of fans seen on the cricket field this year turned out last evening at six o'clock to see Ponies toy with the Ottawa Senators in the game which was scheduled for the Fair Grounds but was delayed by the rain and held at the cricket field at six o'clock. The final score was 7 to 3 for the Ponies but they could easily have made it much larger. The

batters went up one after the other and did not make even half-hearted attempts to hit the ball.

Ottawa's battery was good, especially the Proulx half of it, as was expected by the fans before the team came on the field. "Steve" is known to be a ball-player by his performance here last year. For the rest, al-

though the fielders were not worked very heavily, the second inning showed that the fielding of the visitors either is very poor, or had a very bad day off. They seemed to lack pep and go.

Gallagher was on the mound for Ponies during the first five innings and then he was relieved by Cherry. Neither of them worked hard and Gallagher, especially, just lobbed the ball over compared to his usual style. Derry did not work as he will be needed for tomorrow's game. Gallagher will likely perform Sunday in Deforet.

The game started off in the usual style with the locals on their toes. In the second they started a batting jamboree which netted them seven runs, with three big hits, and ten men batting. From then on, with the game on ice, they did not exert themselves, fielding fairly well and hitting listlessly. Gallagher began the game by striking out the side. In the fourth Senators banged out a hit and netted two runs. Vallin, the visitors' twirler, gave the crowd a specimen of the "bean ball" when his team was once more in the field, using as a subject the noble dome of Art Twigg. Art did not appreciate it very much but got a free trip to first.

In the fifth the Senators got one hit. Three men reached the bases. Then Cherry started to pull himself out of the hole but the rest of the team did it for him. One man fouled to Johnny Evans. Proulx flied over second base and Jimmy Stewart picked it off the top branches of the hay after a beautiful run, doubling on Vallin, who had unwisely left third.

In the seventh Senators touched Cherry for three hits, gathering one run as the harvest. By special request "Chuck" Coyne came in behind third and made a grandstand catch on a sure-hit drive, by Moran. The eighth and ninth were uneventful except for a lone hit by Ponies.

The teams:
Senators—Proulx, c; Vallin, p; O'Malley, 1b; Rockburn, 2b; Pillion, ss; Moran, 3b; Kennedy, lf; W. Rockburn, cf; Conley, rf.

Ponies—Evans, c; Gallagher and Cherry, p; Daly, 1b; Saunders, 2b; W. Evans, ss; Twigg, 3b; Coyne, lf; Cherry and Stewart, cf; McNeill, rf; Thompson, 2b.

BASEBALL AT ODESSA

Home Team Wins From Bath by Score of 18 to 14.

Odessa Juniors took sweet revenge for the trimming received in Bath at the hands of Bath Juniors on May 24th, when they turned the tables Wednesday evening on their home grounds and defeated Bath 18 to 14. The score on the 24th of May was 17 to 14. B. Cairns, the pitcher for Odessa, put himself in a hole when he let the visitors score six runs in the first inning, but from then on he settled down and worked hard for the victory.

The Odessa team started in with three runs in the first and scored one or more in every consecutive inning until the end of the game. Holt, who pitched for Bath, played a fine game and held the home team better than the spectators had expected. However, their batting was too heavy for him.

This makes three wins and one loss of Odessa Juniors this year, and they have two more games scheduled in the near future. They are seemingly off to a good year's work.

The teams:
Bath—M. Mellow, 1b; Putnam, cf; Calver, 3b; White, rf; G. Mellow, c; Holt, p; Haselton, lf; Youg, ss; Mott, 2b.

Odessa—N. Kilgannon, 2b; W. Kilgannon, rf; Emmons, c; Kenyon, ss; McConnell, 1b; C. Cairns, cf; B. Cairns, p; W. Kilgannon and Frink, 2b.

The scoring:
Bath 6 0 1 3 0 1 0 0 2—14
Odessa 3 2 2 1 1 3 4 2 x—18

ELECTRICIANS BLANKED

Shut Out by Retailers on Thursday Evening.

The Electricians, who have stepped into the Mercantile League this year to perpetuate the name of the "Live Wires" of the days of yore, were shut out by the Retailers at the cricket field on Thursday evening, 10 runs to 0. The game drew a large crowd, as it was the only regular fixture on the big field.

Clarke, who pitched for Retailers, has been making a name for himself in Kingston baseball circles. Every

second team is planning to secure him in one way or another. He lived up to his reputation with Retailers Thursday evening.

Electricians are newcomers in every way to this league. The old "Live Wires" played in the former Mercantile league race some years ago, but since then the men with the switches and fuse-plugs have not been in the game. This first game cannot be held against them, as they should be allowed at least one contest to get used to being under fire. Probably later contests will tell a different story.

The teams:
Retailers—Robinson, cf; Pound, ss; VanHorne, 2b; Goudier, 1b; Wehman, lf; Montgomery, 3b; Harrison, rf; Stone, c; Clarke, p; Driscoll, lf; Jerome, rf.

Electricians—Paynter, 3b; Jackson, p and c; Cherry, 1b and cf; Kelson, 2b; Doherty, ss and p; Ledford, ss; Harvey, rf; Buck, cf; Davy, lf.
Umpire—Art Twigg.

Little Bits.

It was a great game for casualties. Twigg got a taste of the bean ball, Johnny Evans got rushed and "tramped on," one of the Senators was hit on the head by a wild throw over first into the visitors' bench, and a local player knocked a high foul fly which landed right on the head of his own father.

Between the eighth and ninth "Del" rested his tired spikes on Joe Daley's coat and Joe hasn't found it out yet.

Today will tell whether "Steve" Proulx has something up his sleeve or not.

Incidentally the fans can thank the Gentlemen's Matinee and Driving Club for having a game last night.

Speaking about being good-natured that man Vallin is the personification of a smile that never wears off.

Thompson, Toronto pitcher, has signified his intentions of quitting the club and playing independent baseball. He and Doyle have had two or three quarrels. The Leafs might well do less scrapping among themselves and win more games.

Stan, Harrison certainly deserves credit for the team he has gathered together under the name of Retailers. Stan was determined to have a team and went out and got one.

Miss Ada Mackenzie, of Toronto, has been eliminated from the contest for the women's amateur golf championship of the British Isles.

Down in Montreal they are making a big splash about the "novelty" of their twilight baseball, while poor old behind-the-times Kingston has been playing it for two years.
