**General Hospital Full.**  
Despite the fact that this is the  
month of June, the General Hospi-  
tal is filled with patients. It has  
gone broadcast that the Kingston  
hospital, with General Ross as med-  
ical superintendent, and an increas-  
ed staff of specialists, is one of  
Ontario's very best, and patients  
are coming to it from far and near.

**In The Public Interest.**  
The Toronto Star says: If capital  
punishment is to be continued—as  
we believe it will be so long as any  
modification of it might be taken as  
indicating more sympathy with mur-  
derers than with their victims—the  
removal of condemned men to Ports-  
mouth penitentiary would be a policy  
that would work out to the public  
interest.

**Leaves Last Week in June.**  
Rev. W. T. G. Brown will preach

**If Losing Looks or Strength Read This Carefully**

Once you were robust, bright and  
happy. To-day you are dull, wor-  
ried, failing in vitality and appear-  
ance. Just when you should be at  
your best you're played out and need  
a cleansing medicine. Get the right  
remedy and your blood will redde-  
n, your vivacious spirits will soon re-  
turn, and you'll be yourself again.  
You should use Dr. Hamilton's Pills  
—a truly wonderful medicine. It  
drives away headaches, and waver-  
iness, lifts the load from your liver,  
tones up the stomach, puts you on  
your feet in no time. Use Dr. Ham-  
ilton's Pills and watch the result—  
in a week you'll feel like new. All  
dealers, 25c., or The Catarthozone

**THE SPIRIT OF YOUTH**  
By CHARLES GRANT MILLER  
(Copyright, 1921. All Rights Reserved by United Feature Syndicate.)

Middle life is largely the working out of the ideas which come to  
us in youth. Youth is not only the beginning, but the perennial spring  
of all the faculties.

The real test of the man is, not how much skill has he, but how  
much youth abides in his soul? Whether the long stretches of middle  
life, under the heat of the sun and the burden of the day, shall be a  
monotonous and barren plain or blossom as the rose—a living garden—  
continually freshened and fertilized by the overflow of crystal waters,  
depends upon the depth and volume of the springs which rise on the  
tablelands of youth.

There are men of few years but great age. We have all seen them—  
those old men of from twenty to thirty, who have touched the fringe of  
life with the tips of their idle fingers and imagine they are worn-out men  
of the world. They have exhausted, as they believe, all life's resources—  
for them the years hold nothing but monotony and weariness.

And we have seen those other men on whose strong shoulders rests  
the burden of seven, eight and sometimes nine decades, full of the un-  
wasted power of the spirit, of that strength which comes from freshness,  
from joy in the work done and the vision fulfilled.

When weariness weighs down the spirit good work is an impos-  
sibility.

Life is measured not by its years but by its enthusiasms.  
While the vision glows the life is young. Only when the vision fades  
can life be said to have ended.

his last sermon in Sydenham street  
Methodist church and will go to Ot-  
tawa to preach his inaugural serm-  
on in Dominion church on July 3rd.  
He will take his holidays during the  
month of July. The church officials  
there having sold the parsonage are  
now looking for another dwelling.

**A Farewell Reception.**  
At Athens, on June 9th, a fare-  
well social dance was given to Mr.  
and Mrs. W. H. Smith, who are leav-  
ing Athens for Simcoe. It is with re-  
gret that Athens is parting with Mr.  
Smith and family. The affair was un-  
der the management of the Young  
Farmers' club and during the even-  
ing Mr. Smith was presented with an  
address and beautiful upholstered  
chair.

**Changing Ownership.**  
Sherman Chase, who has purchas-  
ed the Beach farm, North Lakeside,  
is preparing to make necessary re-  
pairs on the dwelling. The farm is  
one of the many pleasant places al-  
ong Conesee Lake, and with the re-  
pairing and beautifying of the farm  
buildings, will make a most desir-  
able home. It is one of the many old  
Prince Edward farms, which have re-  
cently passed from old-time family  
owners into the hands of strangers.

**No Photos After August 1st.**  
Inasmuch as the demobilization of  
the Canadian overseas force is now  
completed, the department of militia  
and defence announces that it will  
not be possible to continue indefi-  
nitely the securing of photographs of  
graves in France and Belgium. All  
applications for photographs receiv-  
ed by the militia department on or  
before August 1st will be dealt with,  
but after that date the services will  
be discontinued.

**Want Them Present.**  
Invitations which have been ex-  
tended to Premier Drury and Hon. T.  
A. Crerar to be present and officiate  
at the opening of the public library  
at Renfrew in July, W. E. Smallfield,  
late editor of the Renfrew Mercury  
and a life long citizen active in every  
municipal enterprise (and none  
more so in securing a splendid li-  
brary building) is now in Toronto, and  
is said to be using his best endeavors  
to persuade Premier Drury to under-  
take the visit.

**Down Go Berries.**  
Kingston is paying more for straw-  
berries than Toronto where berries  
sold on Tuesday morning for four-  
teen cents a box and promised to  
drop probably to ten cents before  
night. Farmers came to the King-  
ston market Tuesday morning, and  
first asked thirty cents a box, but  
later dropped their demand to twen-  
ty-five cents. In downtown stores  
strawberries were offered at twenty  
cents a box before eleven o'clock.

**Byrnes-Vance Wedding.**  
A quiet wedding took place at the  
home of Mrs. Susan Vance, 1124  
Dundas street west, Toronto, when  
her youngest daughter, Agnes, be-  
came the bride of Rev. J. D. Byrnes,  
B.D., superintendent of missions in  
northern Ontario, under the Presby-  
terian board. Rev. J. H. Edmison,  
secretary of the board of home mis-  
sions of the Presbyterian church,  
with which board the bride has been  
connected for some time officiated,  
assisted by Rev. A. Rintoul, of Ailsa  
Craig, the bride's brother-in-law.  
Mr. Byrnes is a Queen's graduate  
and well-known in Kingston.

**James K. Hackett Plays in Paris.**  
James K. Hackett, American actor,  
duplicated his London success when  
he appeared in Paris before Presid-  
ent Millerand, Crown Prince Hichito  
of Japan and the Japanese Ambassa-  
dor, Viscount Ishii, in Shakespeare's  
"Macbeth," which he played before  
an audience which packed the State  
owned Theatre Odeon. At the end of  
the performance French dramatic  
critics admitted they were absolutely  
bewildered by Mr. Hackett's art, say-  
ing that that never before had France  
seen such a wealth of interpretation  
as that of Mr. Hackett, the first Am-  
erican actor to be invited by the  
French government to play in Paris.  
Miss Sybil Thorndyke as Lady Mac-  
beth gained laurels which place her  
acting above that of either Mary An-  
derson de Navarro or Mrs. Patrick  
Campbell. The production was for the  
benefit of American, British and  
French charities and it is reported  
that more than \$20,000 was cleared.

**THE INDIFFERENCE**

of the Coal Consumer has resulted in such a small demand for  
coal at the mines, that they are being operated only at about  
one-half their usual capacity.

Unless Coal is mined during the summer, the Mines will  
not be able to meet the winter's demand.

It is therefore advisable for consumers who can do so, to  
buy and receive their coal early and thus insure a full winter's  
supply.
