At the Strand. Should a wife open her husband's letters? Is it more reprehensible to hold back a letter than to open it? If a wife does not open her husband's mail but holds back a letter which she believes will disrupt her household, is she less dishonest than if she had opened it and acted upon it?

The action of Lois Weber's latest photoplay, "Too Wise Wives," hinges upon a wife's decision regarding a letter which comes to her husband with a crest upon it which she instantly recognizes. What she does with the letter provides one of the most intensely interesting situations of the play.

"Too Wise Wives" is another of those delightful photoplays of life in the best American society which have created a large following for Lois Weber. Women flock to see Lois Weber plays. There's a reason. It is a Paramount picture and will be shown at the Strand theatre to-day.

The story deals with the trials of a young wife whose devoted attentions to her husband weary him and cause him to yearn for the society of his former sweetheart who has married a wealthy man. Then follows developments that narrowly wreck the lives of two wives and their husbands. Claire Windsor and Louis Calhern play the leading roles. Phillips Smalley and Mona Lisa also are in the cast.—Adv.

At Griffin's.

"Dynamite Allen," starring the well-known and popular George Walsh in his latest William Fox production, will be shown at the Griffin theatre to-day. Plenty of thrills are promised.

The story, written especially for George Walsh by Thomas F. Fallon, deals with life in the mining regions of Pennsylvania. It is a very dramatic tale, in which the hero struggles against overwhelming odds to prove the innocence of his father, falsely imprisoned for murder. He is compelled to go through a series of experiences of the most thrilling nature.

His home is burned by his enemies. He is imprisoned at the bottom of a mine, which is slowly flooded. He drives a locomotive at terrific speed to an open bridge and plunges with it to the river below.

In the supporting cast are Edna Murphy and Dorothy Allen—both pleasantly remembered for their excellent work in the big Fox special, "Over the Hill"—Byron Douglas, and J. Thornton Baston.

"Dynamite Allen" was directed by Dell Henderson, one of the leading megaphone wielders.—Adv.

At The Allen.

The cast of Zane Grey's "Desert Gold," to be shown at the Allen theatre to-day reads like a page from "Who's Who in Filmdom." Seldom, if ever before, has such an all-star cast been gathered and never before to bring to life the novel of a famous author. In choosing the cast more than 200 players were interviewed. Among the principals are such famous personages as E. K. Lincoln, W. Lawson Butt, Edward Coxen, Walter Long, William Bainbridge, Frank Lanning, Eileen Percy, Margery Wilson, Arthur Morrison, Russell Simpson and Laura Winston.

E. K. Lincoln has been a reader "fan" of Zane Grey for years, and although the star and the author had never met, Mr. Grey so greatly admired Mr. Lincoln's work that he wanted him for "Dick Gale." W. Lawson Butt, the famous English actor, was chosen by Mr. Grey nearly a year ago to create the role of the Yaqui.

For the part of the dashing border captain, George Thorne, Edward Coxen was chosen as ideal and to the man who has won fame by such virile roles as he played in "Carmen of the Klondike," the part of Capt. Thorne opened wonderful new opportunities. The extremely important "heavy" Rojas, the bandit chief, is taken by the "worst hated man in pictures," Walter Long, whose work as "Gus" in Griffin's "Birth of a Nation" will be recalled everywhere.—Adv.

GANANOQUE

June 16.—Several cases of diphtheria developed among young children in the junior forms of the public schools. Prompt action was taken by the M.H.O. who ordered the rooms closed until Monday of this week, when the malady gave every indication of being under control and the forms thus closed were opened up again.

Alexander Jackson, who has been in charge of the local dams for the Gananoque Water Power Company, has severed his connection therewith, and Wilbur Clow has been secured by the company to fill the vacancy.

A band of gypsies, with a caravan and a goodly number of horses, passed through the town headed eastward this week.

Walter Oliver, son of Rev. and Mrs. A. E. Oliver, formerly in charge of Gananoque East Circuit, is spending a short time in town with friends. Mr. Oliver has been located for so long that it is northern Ontario.

Miss Annie E. Scott, Tanner street, left yesterday to enjoy a short visit with relatives at Mallorytown and vicinity.

THE DAYS OF REAL SPORT

KEEPING THE PROMISE

Ponies Have Arranged for Best Amateur Teams in Canada.

On the Whig's sporting page of the 14th, there appeared a letter from the secretary of the Ponies Baseball Club, regretting the fact that a poor team had been brought in, although inadvertently, for the game of the evening before.

There was also a promise that an endeavor would be made to bring in none but first class teams in the future. Look over the facts below and see if the promise is being kept.

Next Tuesday and Wednesday the Montreal Athletics, reputed to be the best amateur baseball team in Canada, play on the cricket field with Ponies. Any fan who has watched baseball in Canada for the last year or so will not need any recommendation of the Athletics. If Ponies trim them up badly then it is time they jumped to the major leagues. The amateur baseball is too slow for them.

On June 25th, Saturday, Perth makes first appearance here this year. They will be remembered as a team not beaten in Kingston last year.

On the 27th, and 28th, Hgll. P.Q. will be brought to Kingston by the Ponies. They have been playing real baseball in Hull this year and will make Ponies step to keep up with them.

Then, last of all, on July 8th and 9th, Syracuse All-Stars will be here to put the Ponies through their paces. By that time more teams will have turned up and more dates will have been arranged.

It is costing much money to bring these teams here. Knowing the cost of transportation you can figure that

out. Remember it when you come to the games.

Sunday School Baseball.

On Tuesday evening at Victoria park in the senior Sunday school league St. Luke's defeated Bethel by 13 to 5. The teams were: St. Luke's—Saunders, Latimer, Grimshaw, Conley, Wright, Benoit, Simpson, Scrymager, Godman.

Bethel—N. McCartney, Thompson, W. McCartney, Holland, Beswick, Buck, Wilson, Godwin, Stein.

On Wednesday evening in the junior league, Sydenham defeated Queen by 18 to 8. There were many thrills in the game, including a home run by G. McKelvey. The teams: Sydenham—L. Arkley, H. Reid, T. Jenkins, H. Hartley, T. Gibson, G. Scott, P. McKelvey, G. Patterson.

Bowling Games.

At the bowling green on Wednesday evening, Skip Elliott won from Skip Evanson by 15 to 11, and Skip Baker from Skip McMillan by 13 to 12. The rinks:

W. Linnan, H. Angrove, W. H. Montgomery, J. M. Elliott, skip. T. Lambert, R. Stevenson, G. Laws, F. S. Evanson, skip. D. A. Shaw, W. R. Givens, C. Sleeth, J. J. Baker, skip. J. Boyd, A. E. Treadgold, W. Jackson, J. F. McMillan, skip.

Starting It Off.

In response to the appeals sent out by the secretary, the Mercantile League has received two donations to start things off. These came from W. R. Givens and B. N. Steacy, and were given gladly. Both men stated that they wished to do all possible to help out the Mercantile League.

Other merchants would do well to follow their example as the league is under considerable expense and depends on donations only to help it out.

BALTIMORE TOUCHED.

String Broken at Last With a Terrible Crash.

In the Wednesday games in the International League one of the features was the smashing of Baltimore's string of wins by Buffalo. The win in the morning, 4 to 2 for Baltimore, gave them 27 straight games, 2 more than their own record established last year. In the afternoon game Buffalo pulled a surprise and defeated them, and when they did go down they went with a crash. Buffalo raked in nineteen runs, twenty-three hits and one error, while the Birds came out with eight runs, twelve hits and four errors. The longer they run the greater the crash when it comes.

St. Luke's Sanctuary Guild Tea.

Mrs. T. C. Wilson, Earl street, gave her pretty house for a tea under the auspices of St. Luke's Sanctuary Guild on Wednesday afternoon, which was a successful affair. Mrs. A. L. Baker took the entrance fee, and in the flower decked drawing room Miss Norma McPedridge, the treasurer, took the place of Miss Waddington, the president, who was unable to be present, and received with Miss Lena Wilson. Miss Eva Reynolds was at the home-made table, and Miss Gertrude Jennings sold flowers and sweets. In the tea room, at the polished table with its silver tea equipage, Miss Florence Hentig and Mrs. P. A. Bell made the tea, assisted by Miss Reta Green. Miss Ada Laturney and Miss Daisy McCammon. Rev. de Pencier Wright was present to greet the large number of guests. The financial results were most satisfactory.

There was not the usual quantity boarded, but the competition between the buyers was very keen, indicating an active export business. The salesmen were pleased to see the price take a rise over that of last week as most of the factories are now producing at the maximum.

LANDLORD MUST HEAT FLAT SUFFICIENTLY

Montreal Tenant Receives Reduction in Rent Owing to Cold Rooms.

Montreal, June 16.—Has a tenant of a heated flat a right to sue his landlord for diminution of rent if the landlord fails in his obligations to sufficiently heat the premises?

This question was strenuously argued pro and con in an action heard in the Superior Court here and Justice Martineau finally ruled that in the instance insufficient heat caused the tenant vexation and inconvenience equivalent to a diminution of the enjoyment of the premises leased for which the "tenant had a right to be indemnified."

The judge decided that a reduction of \$10 a month throughout the insufficiently heated period of three months should be granted to Hyman Robinson, the plaintiff, against the St. Lawrence Investment and Trust Company in respect of their apartment No. 16 at 236 Edouard Charles street. He was also given costs of the action.

Another Anchor-Donaldson liner, the Cabotia, sailed yesterday from Glasgow for this port with about 3,000 cases of Scotch whiskey, of which a large proportion is said to be for this province.
