WAX BEANS, NEW POTATOES, CARROTS, BEETS, CABBAGE.

WANTED—Large quantities of Fowl and Potatoes this week.

Phones 458-459. Wholesale 1767.

PORTSMOUTH LAWN SOCIAL MAJOR E. O. WHEELER, R.E.

Held by the United Church Ladies Thursday Afternoon and Evening.

The ladies of the United church, Portsmouth, held a successful tea and sale in Aberdeen park on Wednesday afternoon. The sum of \$147 was realized.

Aberdeen park was prettily decorated for the occasion, and the tables and booths were set and seats provided for the accommodation of visitors. The sale opened at 3 p.m. and ceased after 9 p.m. Tea was served from 5 to 7 p.m. The booths were well patronized, many people coming in cars from the city to have supper.

Mrs. A. Atkins, president of the Ladies' Aid, sold rose buds at the entrance, and the following ladies served at the different booths and tables: Fish pond, Mrs. Spears; toy table, Misses Powell and Deline; ice cream table, Mrs. Roddy and Mrs. Deline; home-made table, Mrs. Tatton and Mrs. Donnell; flowers and plants, Mrs. Mills; candy table, Mrs. Taupp and Miss Myrtle Cucheth. Mrs. McKay was convener for the tea table and she was assisted by Mrs. Walker, Mrs. J. Mills, Mrs. G. Aesstine, Mrs. Thompson, Mrs. Shaw, Mrs. Calm and Mrs. McWaters. The decorations were arranged by Mr. Lawless of Rockwood.

AN INTERESTING ADDRESS

Made by a Kingstonian at Syracuse, N.Y., Gathering.

On Tuesday at Syracuse, N.Y., at the 10th annual convocation of the grand commandery of Knights Templar, state of New York, Right Eminent Abraham Shaw, grand master of the grand priory of Canada, presented greetings of Canadian Knights and emphasized the fact that the people of the two countries were under one flag in the order.

Its significance in the relations of the people of the two countries was important, he pointed out. The ideals of the Knights Templar of Canada and the United States, according to Mr. Shaw, justly represented the faiths and beliefs of the two countries and their residents and presented good reasons why they should continue in harmony and closer relations.

Berries Cheaper in Stores.

The Kingston market is again gaining the reputation for high prices, and this was emphasized when the housewife went to buy strawberries on Thursday morning. The farmers and gardeners all asked twenty cents a box, although berries were selling in the grocery stores at fifteen cents. Up to noon not very many sales were made at the high price. On Tuesday berries sold in the stores at twenty cents but on Wednesday morning a considerable number of crates arrived that were sold at twelve cents a box by the crate. The same berries were re-sold at the stores at fifteen cents.

Addressing Meetings.

An interesting address on the return of the Jews to Palestine in the light of God's word, illustrated with stereopticon views was delivered on Wednesday night at the new Orange hall by Evangelist Philip Sidersky, Baltimore, Maryland.

Evangelist Sidersky also addressed the Ministerial Association, on Wednesday, and in his address told about the conditions in New York, and also at Montreal and the great need for the gospel in those cities.

Ontario Cannot Accept Offer.
Toronto, June 16.—As a result of legislation adopted by the legislature a year ago, providing that no monies should be advanced by the province after December 31st last for housing purposes, Ontario is now unable to take advantage of the renewed offer of the Dominion to lend funds for building.

Has Big Crop of Berries.
Mrs. John Hall, who lives on Wolfe Island, has a wonderful crop of strawberries this June. The berries are of a very large type and are rich in flavor. This is the best crop Mrs. Hall has had and she is being congratulated by her wide circles of friends.

An R.M.C. Graduate With the Mount Everest Expedition in India.

The attention of the whole world is centred at the present time on the British Expedition to Mount Everest, now on the Indian-Tibetan frontier, which will attempt this summer to climb the Mount, the highest peak in the world, and the last unexplored portion of the earth.

It is not generally known in Canada that the expedition includes, in Major E. O. Wheeler, R.E., a graduate of the Royal Military College, who was born in Vancouver, B.C., and attended the college from 1907 to 1910, where he was the battalion sergeant-major and received the sword of honor for conduct and discipline on graduation.

Major Wheeler received a commission in the Royal Engineers on graduation and after a period in Chatham, served in India from 1912 to 1914. In September 1914 he sailed for France, where he took part in the early stages of the late war and in 1916 was transferred to the Mesopotamia front, ultimately being appointed a brigade major.

He has been mentioned seven times in despatches and has been awarded the Military Cross and the Legion of Honor of France. On the conclusion of hostilities, he was detailed for survey work in India, and has now been appointed to the Mount Everest expedition, as photo-surveyor. This work is especially useful in accessible mountainous districts, and his duties comprise making a special photographic survey of the Mount Everest group.

PITTSBURG DOG OWNERS MUST PAY THE CLAIMS

Of Farmers Whose Sheep Were Killed—The Dogs Were Identified.

Last week, Pittsburg township paid out about one hundred dollars for claims for sheep destroyed by dogs. The claims paid were to G. Sibbett, W. Curtis, R. H. Gates, and W. Corkey. In another case the dogs were followed and caught. They were identified, and the owner will have to settle the damages himself. Where the dogs cannot be identified, the money must come out of the pockets of the ratepayers, and it was to protect the ratepayers that the owners of dogs are now required to have a license and place an identification tag on all dogs. The penalty for not complying with the law by obtaining the license and tag is \$25. The dogs that make raids upon flocks of sheep are not dogs that are kept on sheep farms, but are kept as watchdogs. They are sometimes ferocious from hunger, and in a savage state will kill sheep. Sometimes two or three dogs will go together after sheep and kill them out of mere sport, and they seem to prefer night-time for the work.

When Down Town.
Drop into the Whig office and leave a little something for the Canadian National Institute for the Blind's fund for blind soldiers and sailors. It is a worthy cause.

All indications point to wage decreases on or about July 1st. Hon. Dr. Reid, Minister of railways and canals, said during the course of the hearing of the appeal of Toronto against the judgment of the railway board, by which the Bell Telephone Co. was granted a twelve per cent. increase in exchange rates.

Sir Sam Hughes' condition is reported as much improved. In fact, during the last three days he has been eating well and resting.

Teams of the 4th Hussars and 3rd Battery played ball on Wednesday night for cigarettes. The Hussars won and meet the Kingston Battery to-night.

Capt. W. E. Swaine, Kingston, one of the Canadian Bisley team, sailed from Montreal Thursday morning on the S.S. Metagama.

A fine dance took place on Beale's platform, Westbrook, on Wednesday night. Salsbury's five piece orchestra provided the music.

DAILY MEMORANDUM.

Don't forget dance at Beale's platform, 1 mile west Westbrooke at 8.30 to-night (city time). 5-piece orchestra in attendance.
