KINGSTON ROTARY CLUB

Brockville Club Thanked For Hospitality to the Visiting Rotarians.

The members of the Kingston Rotary Club, at their weekly luncheon at the British-American hotel on Thursday afternoon, received excellent reports from local members, who attended the ceremonies in connection with the presentation of the charter to the "baby" club at Brockville on Thursday last. All the speakers spoke in glowing terms of the hospitality shown the visiting Rotarians, and the club passed a hearty vote of thanks to the Brockville club for their hospitality. Rotarian Harry Breathwaite presided at the meeting. Those who spoke about the Brockville trip were Rotarians M. S. Grace, Harry Miller, Edward Martin, A. N. Lyster and Charles Anglin.

Rotarian Grace reviewed the "doings" at Brockville, and stated that the members who did not take in the trip missed a rare treat. He said the Brockville club did all in its power to entertain the visitors, and the club there was deserving of the warmest praise for the arrangements made.

Rotarian Miller said the visitors were royally entertained, and referred to the visit of the Rotarians from across the line, who contributed much to the success of the gathering. Rotarian Miller also spoke of the big hit the Kingston members made with their umbrellas, bearing the club colors, and took occasion to congratulate Rotarian Grace, who originated the idea.

Rotarians "Eddie" Martin and Charles Anglin told of some of the incidents in connection with Brockville's "charter night."

Rotarian A. N. Lyster told about the prominent part the boy scouts played in the events at Brockville. The boys acted as guides and rendered excellent service to the visitors.

Rotarian Lyster moved a vote of thanks to the Brockville club, which was seconded by Rotarian M. S. Grace, and carried unanimously.

The club received an invitation from Sir Archibald Macdonell, to be present at the closing exercises at the Royal Military College, and, on motion of Rotarians Harry Miller and Harry Pense, a vote of thanks was extended to the commandant of the college for the kind invitation, and, at the same time, the commandant will be thanked for invitations sent to the club members for various events at the college.

The weather was quite warm for Thursday's luncheon, but each member received a nice fan from Charles Anglin, with which they were able to keep cool and enjoy the proceedings.

PROBS:—Saturday, fine and warm.
